| 27 | World Population and Urbanisation | 65 | 63 |

QUANTUM IAS & PCS

# How to Use This Book

**Every pointer is a real question.** Each pointer is the answer to a UPPSC question asked between 1990 and 2025, written as a fact you can revise in seconds, with the related fact you need for the next variation.

**Frequency marks.** ■ and a red count (e.g. 4×) mark a fact asked 3 or more times. • and a gold count mark facts asked once or twice. The years follow; "one-liner" means a short starred question in the source with no year given.

**Asked Most box.** Each chapter opens with the facts UPPSC repeats most. Revise these first.

**Diagrams.** Flowcharts and diagrams turn sequences (timelines, procedures, processes, river courses) into one picture.

**Trap Alerts.** The places where the obvious answer is wrong or two facts are commonly swapped.

**Last-Minute 10.** The ten lines to read on the morning of the exam.

**Pairs with the Masterbook.** Use this book for revision after the TATTVA PYQ Masterbook, which has the full questions, options and explanations.

QUANTUM IAS & PCS

# Chapter 1

# Nature of the Economy and National Income

*Built from 46 UPPSC questions (1990–2024). Focus: mixed economy, growth vs development, who estimates national income, growth records, savings.*

ASKED MOST · REVISE FIRST

- India = **mixed economy** (public and private sectors co-exist) **8×** 1990, 1990, 1999, 2006, 2006, 2013, 2013, 2016
- Highest growth year (in key): **2006-07** **11×** 1997, 1999, 2000, 2001, 2002, 2003, 2005, 2006, 2008, 2013, 2014
- National income estimated by **CSO**, now the **NSO** (2019) **7×** 1995, 2004, 2006, 2008, 2010, 2012, 2023
- First per capita income estimate: **Dadabhai Naoroji**, Rs. 20 (1867-68) **2×** 2007, 2013
- **Hindu rate of growth** = growth of **national income** (~3.5%) **3×** 1996, 2004, 2006
- **Household sector** saves the most **3×** 1998, 2001, 2004

■ asked 3 or more times • asked once or twice **4×** times asked, followed by the exam years

## 1.1 Nature of the Economy

- Mixed economy: **public and private sectors co-exist** **4×** 1990, 1999, 2006, 2013
- India: **mixed economy** **4×** 1990, 2006, 2013, 2016
- India underdeveloped and mixed (true); Keynes "father of economics" (false; Adam Smith) **1×** 2024
- Underdeveloped economy: **low per capita income, low capital formation** **1×** 2017
- Developing signs: **agriculture, disguised unemployment, poor human capital** **1×** 2017
- India: a **developing** economy **1×** 2011
- Features: **agriculture dominant, low per capita income, mass unemployment** **1×** 2004
- Not a feature: **lack of natural resources** **1×** 2004
- Not a second-generation reform: **legal system reforms** **1×** 2009
- Indian model serves **state and person both** **1×** 2013
- Not an economic activity: **voluntary social service** **1×** 2023

## 1.2 Growth vs Development

- Prices and money income both double: real income **unchanged** **1×** 2004
- Amartya Sen: **people-oriented**, security for the poorest, safeguards on global integration **1×** 1999
- "Plan for people, not commodities": **Amartya Sen** **1×** 2004
- Hindu rate of growth: **national income** growth **3×** 1996, 2004, 2006
- Labour's GNP share falls because **wages lag prices** **1×** 2008
- **Development-constructive change, growth-GDP, sustainable-environment, quality of life-health** **1×** 2010
- 1991 NEP strategy: **all** (LPG) **1×** 2015
- Not a growth factor: **technocrats and bureaucrats** **1×** 2021
- Best growth measure: **per capita product** **1×** 2013
- Development = better living; per capita income alone not enough (R explains A) **1×** 2024
- Standard of living: **per capita income** **1×** 2013

| Term | Meaning |
|---|---|
| GDP | Output within the country |
| GNP | GDP + net factor income from abroad |
| NNP | GNP - depreciation |
| National income | NNP at factor cost |
| Per capita income | National income ÷ population |

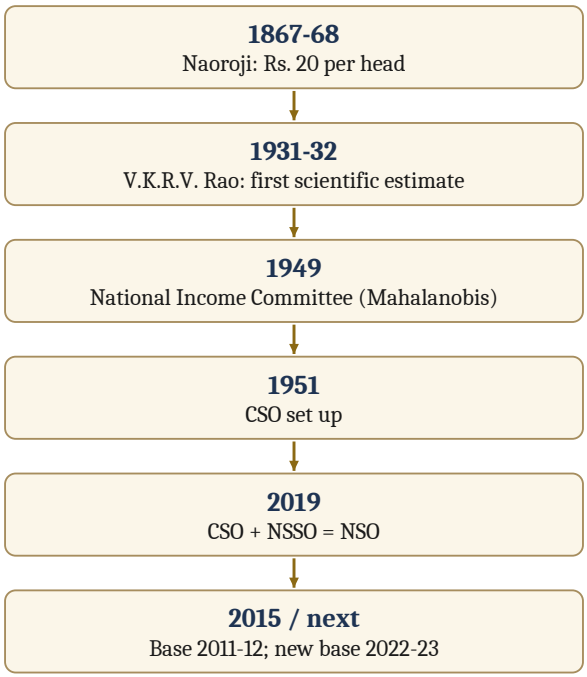

## 1.3 Who Measures

- Rs. 20 per capita (1867-68): **Dadabhai Naoroji** **2×** 2007, 2013
- National Income Committee (1949): **P.C. Mahalanobis** **1×** 2015
- Estimated by **CSO** (now **NSO**); **NSO** **7×** 1995, 2004, 2006, 2008, 2010, 2012, 2023
- Capital formation data: **CSO/NSO** (with RBI) (*) **1×** 2008
- New base year (2015): **2011-12** **1×** 2015

QUANTUM IAS & PCS

- Development needs many angles (true); govt focuses on micro issues (false) 1× 2015

MEASURING INDIA'S INCOME

## 1.4 Growth and States

- Per capita income 2009-10: about **Rs. 46,500** 2× 2011, 2013
- Fastest 1990s year: **1999-2000** 2× 2002, 2003
- Highest growth (key): **2006-07** 11× 1997, 1999, 2000, 2001, 2002, 2003, 2005, 2006, 2008, 2013, 2014
- RBI estimate for 2002-03: **5-5.5%** 1× 2002
- ADB forecast for 2005: **6.9%** 1× 2004
- Largest state economy: **Maharashtra** 1× 2023
- Per capita 1998-99: **Punjab, Maharashtra, Gujarat, UP** 1× 2004
- Lowest per capita income: **Bihar** 3× 1993, 2004, 2008
- Highest per capita (then): **Punjab** 1× 1994
- Highest GSDP growth 2010-11: **Bihar** 1× 2009

## 1.5 Savings

- Capital formation depends on savings and institutions; investment essential (both) 1× 2021
- Slow per capita growth: **population, prices, slow farm and industry** (1, 2, 3) 1× 2001
- Highest savings rate of the 2000s: **2007-08** 1× 2009
- Savings ratio 2006-07: **above 32%** of GDP 1× 2008
- Biggest saver: **household sector** 2× 2001, 2004
- Household savings mostly in **physical assets** 1× 2009
- Savings order: **household, private corporate, public enterprises, government** 1× 1998

TRAP ALERT

- **Naoroji** = first estimate; **Mahalanobis** = 1949 committee.
- **NSO** (2019) now estimates national income.
- **Hindu rate** (Raj Krishna) = slow national income growth.

UP LINK

UP is India's **third-largest state economy** (after Maharashtra and Tamil Nadu in recent data) and aims at a **USD 1 trillion** economy; its per capita income is still well below the national average.

LAST-MINUTE 10

1. India = mixed, developing economy
2. Growth = GDP; development = growth + change
3. Per capita income = living standard
4. Naoroji: Rs. 20 (1867-68)
5. 1949 committee: **Mahalanobis**
6. NSO (2019) estimates income; base **2011-12**
7. Hindu rate = national income (~3.5%)
8. Maharashtra = largest state economy; Bihar = lowest per head
9. Households save most; mostly physical assets
10. Amartya Sen: plan for people

# Chapter 2

# Sustainable Development and Human Capital

*Built from 29 UPPSC questions (2008–2025). Focus: SDG numbers, SDG India Index, Limits to Growth and Brundtland, human capital, inclusive growth.*

ASKED MOST · REVISE FIRST

- SDG numbers: **1-poverty, 3-health, 4-education, 6-water, 10-inequality, 13-climate, 14-life below water, 15-life on land** 3× 2019, 2025, one-liner
- **NITI Aayog** = nodal body for SDGs; **Kerala** tops SDG India Index 3× 2019, 2019, 2021
- Sustainable development: use resources now while **conserving for the future** 3× 2018, 2023, 2023
- Skills, education, health build **human capital** 3× 2015, 2017, 2025

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 2.1 The SDGs

- Not an SDG: **space research** 1× 2023
- SDG 4 (education): **free compulsory schooling, better infrastructure** (1 and 2) 1× 2024
- **Goal 1-end poverty, Goal 3-health, Goal 4-education, Goal 6-water** 1× 2025
- Water for all: **SDG 6** 1× 2019
- **SDG 10-reduced inequalities, 13-climate action, 14-life below water, 15-life on land** 1× one-liner
- UN Secretary-General presents an annual SDG report (only 1 true) 1× 2023

| SDG | Goal |
|---|---|
| 1 / 2 | No poverty / Zero hunger |
| 3 / 4 | Health / Quality education |
| 5 / 6 | Gender equality / Clean water |
| 7 / 8 | Clean energy / Decent work |
| 10 / 13 | Reduced inequality / Climate action |
| 14 / 15 | Life below water / Life on land |
| 17 | Partnerships |

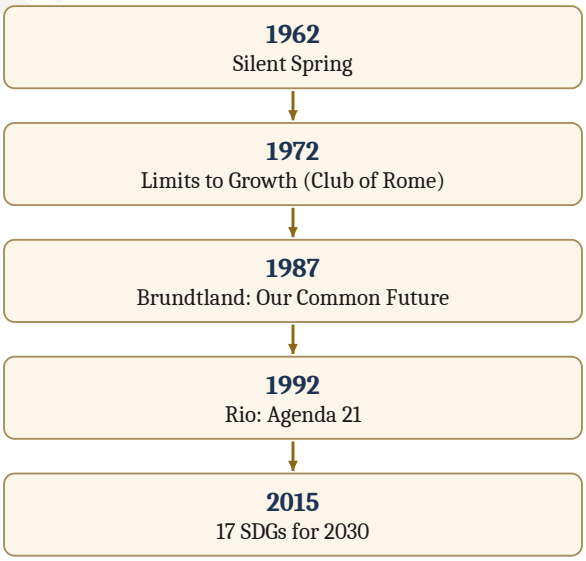

## 2.2 SDGs in India

- Nodal institution: **NITI Aayog** 1× 2019
- India's SDG Index rank 2017: **116th** 1× 2017
- UP in SDG India Index 2019-20: **Performer** (now Front Runner) 1× 2020
- Not in top five (2020-21): **Gujarat** 2× 2019, 2021
- First in SDG India Index 2019: **Kerala** 1× 2019
- Not in top three of SDG Urban Index 2021-22: **Indore** (Shimla, Coimbatore, Chandigarh led) 1× 2021
- UP's SDG progress report: **Department of Planning** 1× 2025
- India's success matters globally; one-sixth of humanity (R explains A) 1× 2025

## 2.3 History of the Idea

- Brundtland popularised SD (true); it is "Limits to Growth" (false; **Our Common Future**) 1× 2024
- "Limits to Growth": **Club of Rome** (1972) 1× 2019
- Environmental Kuznets Curve: **inverted U** 1× 2019
- Balancing use and conservation: **sustainable development** 3× 2018, 2023, 2023
- **Neemrana** model: **Rajasthan** 1× 2010
- Sustainable tourism: manage tourism with cultural and ecological integrity 1× 2020

FROM LIMITS TO GOALS

## 2.4 Human Capital

- Skill programmes raise **human capital** 1× 2017
- No direct effect on human capital: **irrigation** 1× 2017
- Human capital pays back; education and health raise productivity (R explains A) 1× 2025
- More human capital: **all** listed gains 1× 2015
- Inclusive growth needs **all** listed measures 1× 2008

QUANTUM IAS & PCS

- Inclusive growth not ensured by **high national income growth** alone 1× 2013
- First Economic Survey chapter on SD and climate: **2011-12** 1× 2015

**TRAP ALERT**

- **Limits to Growth** = Club of Rome; **Our Common Future** = Brundtland.
- SDG **14** = water life; **15** = land life.
- EKC is an **inverted U**.

**UP LINK**

UP moved from **Performer** (2019-20) to **Front Runner** in the SDG India Index 2023-24; its **Planning Department** prepares the State's SDG indicator reports.

**LAST-MINUTE 10**

1. 17 SDGs, 169 targets, 2030
2. SDG 1 poverty; 4 education; 6 water
3. SDG 10 inequality; 13 climate; 14 sea; 15 land
4. NITI Aayog = nodal; Kerala tops index
5. Club of Rome = Limits to Growth (1972)
6. Brundtland = Our Common Future (1987)
7. EKC = inverted U
8. Human capital = education, health, skills
9. Irrigation is not human capital
10. UP: Performer to Front Runner

# Chapter 3

# Agriculture I: Structure, Land Reforms and Production

*Built from 52 UPPSC questions (1996–2024). Focus: land reforms, farm sizes, agriculture's share, leading crop states, food self-sufficiency, early schemes.*

**ASKED MOST · REVISE FIRST**

- Agriculture's share of the economy is **decreasing** (now about 18% of GVA) 8× 1996, 1998, 1999, 2004, 2010, 2012, 2013, 2017
- Land reforms: **abolition of intermediaries, tenancy reform, ceilings**; multiple cropping is not one 3× 2015, 2017, 2019
- **National Horticulture Mission**: **May 2005** (Tenth Plan); UP is covered 4× 2009, 2010, 2010, 2016
- **Kisan Diwas**: **23 December** (Charan Singh) 1× 2017

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 3.1 Basic Ideas

- **Kisan Divas**: **23 December** 1× 2017
- Genetic industry includes **agriculture** 1× 2016
- **Cereal yield**: output per unit harvested area (only 1) 1× 2024
- **Bullock capitalist**: farmers with some resources but **not rich** 1× 2017
- Did not favour co-operative farming: **Charan Singh** 1× 1996

## 3.2 Land Reforms and Holdings

- Not a land reform: **multiple-cropping scheme** 1× 2015
- Tenancy reform: **rent regulation, security of tenure, ownership** (all three) 1× 2019
- 1-2 hectare holder: **small farmer** 1× 2021
- Agrarian reform: **abolition of intermediaries, tenancy reform, land ceilings** 1× 2017

| Holding | Area |
|---|---|
| Marginal | Below 1 ha (~68%) |
| Small | 1-2 ha |
| Semi-medium | 2-4 ha |
| Medium | 4-10 ha |
| Large | Over 10 ha |
| Average | 1.08 ha |

## 3.3 Agriculture in the Economy

- Slow farm growth: **rural poverty** 1× 2016

- Agriculture's income share: depends on year (about 18% now) (*) 5× 1996, 1998, 2010, 2012, 2013
- Agriculture's contribution is **decreasing** 3× 1999, 2004, 2017
- Negative farm growth: **2014-15**; **Third Plan** 2× 2017, 2004
- Rural households in farming (NSSO 2014): **57.8%** 1× 2016
- Cropping intensity: about **155%** 1× 2012
- Not a cause of low productivity: **co-operative farming** 2× 2002, 2007
- Agriculture matters in **all** listed ways 1× 2007
- Agricultural income tax: **State Governments** 1× 2009
- Most UP workers: **agriculture** 1× 2012

## 3.4 Crops and States

- Largest soybean area: **Madhya Pradesh** 1× 2012
- Highest cotton yield (2014): **Australia** 1× 2015
- Black soil suits **cotton** 1× 2008
- Critical wheat irrigation: **CRI stage** 1× 2005
- Wheat order: now MP, Haryana, Rajasthan, Bihar among options (*) 1× 2012
- Net sown area: about **14 crore hectares** 1× 2016
- Largest vegetable producer: **China** 1× 2015
- Onion exports 2015-16: about **12 lakh tonnes** 1× 2016
- **Mango-UP, Litchi-Bihar, Coconut-Kerala, Apple-J&K** 1× 2021
- Wrong: **coffee-Mongolia** 1× 2021
- Coffee order (2016): **Brazil, Vietnam, Colombia, Indonesia** 1× 2018
- Cash crops: **sugarcane, cotton, rapeseed** (and potato) 1× 2023
- Niger seed oil: **37-47%** 1× 2021
- Mulberry silk: **Karnataka** 1× 2017

| Crop | Leading state |
|---|---|
| Wheat, sugarcane, mango | Uttar Pradesh |
| Rice | West Bengal, UP |
| Soybean | Madhya Pradesh |
| Cotton | Gujarat |
| Litchi | Bihar |
| Apple | J&K |
| Mulberry silk | Karnataka |

## 3.5 Food and Trade

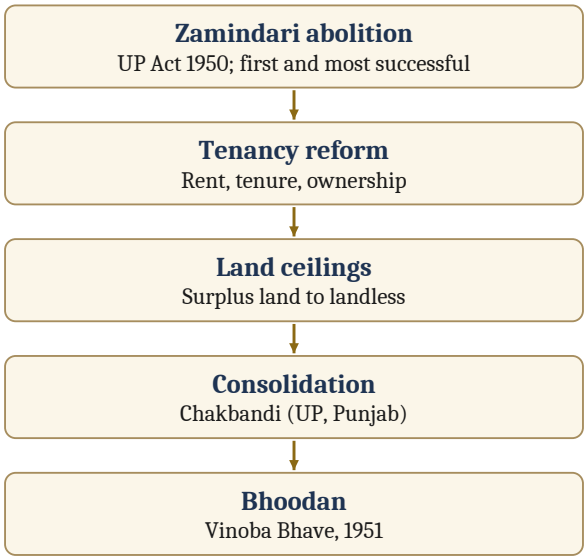

- Foodgrain fell in **2004-05** 1× 2008
- Economy stagnant? unclear (*) 1× 2001
- Near self-sufficiency; no bulk imports (R explains A) 2× 2002, 2003
- National but not household food security: **stock exists, access lacking** 1× 2008
- Reforms needed; many farmers rely on monsoon (both true, R not the explanation) 1× 2023
- Largest pulse import 2015-16: **lentil** 1× 2016
- Top farm export earner: **basmati rice**; most valuable: **rice** 2× 2010, 2010
- Export mango: **Alphonso** 1× 2012

## 3.6 Early Schemes

- **Kisan Bahi** (UP): **1992** 1× 2010
- RKVY: wrong that aid is an **80% grant** (it is 100%) 2× 2009, 2010
- Sengupta and Sdasyuk: **60** micro regions 1× 2017
- NHM: **Tenth Plan**; **May 2005**; covers **UP** 3× 2009, 2016, 2010
- Not an NHM aim (key): **financial assistance** 1× 2010
- Krishi Shramik Samajik Suraksha: **pension and insurance** 1× 2001
- Small Farmers Development Agency: **1971** (no option, *) 1× 2014

QUANTUM IAS & PCS

LAND REFORM STEPS

TRAP ALERT

- **Small** = 1-2 ha; **marginal** = below 1 ha.
- Agricultural income is taxed by **States**.
- RKVY grant is **100%**, not 80%.

UP LINK

UP leads India in **wheat, sugarcane, potato, mango and milk**; its **Zamindari Abolition Act (1950)** was the model land reform, **Kisan Bahi** began in 1992, and most UP workers are in farming.

LAST-MINUTE 10

1. Kisan Diwas **23 Dec**
2. Land reform: zamindari, tenancy, ceilings
3. Small farmer **1-2 ha**
4. Farm share falling (~18% of GVA)
5. Negative farm growth: Third Plan, **2014-15**
6. 57.8% rural households farm (2014)
7. MP = soybean; Australia = top cotton yield
8. Mango UP; Litchi Bihar; Apple J&K
9. NHM **May 2005**; Kisan Bahi **1992**
10. Basmati = top farm export

# Chapter 4

# Agriculture II: Food Security, Revolutions, Prices and Credit

*Built from 70 UPPSC questions (1992–2025). Focus: NFSA and NFSM, colour revolutions, ICAR and institutes, crop insurance, NAFED and MSP, farm credit and KCC.*

ASKED MOST · REVISE FIRST

- ■ **Kisan Credit Card** = **1998-99** 4× 2008, 2010, one-liner, one-liner
- ■ **Commercial banks** = largest source of farm credit; foreign banks the least 3× 2004, 2006, 2010
- • **NFSA 2013**: 75% rural, 50% urban; focus on women and children 2× 2019, 2024
- ■ Revolutions: **blue-fish, yellow-oilseeds, golden-horticulture, grey-fertilisers, black-petroleum; Operation Flood-milk** 5× 1992, 1997, 2007, 2012, 2022
- ■ **CACP** recommends MSP; **CCEA** approves FRP 3× 2002, 2019, one-liner
- • **NAFED** = apex agricultural marketing cooperative 2× 1995, 2007

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 4.1 Food Security

- Food security needed even in surplus years; starvation from unequal access (R explains A) 1× 2025
- Not a dimension: **accountability** 1× 2025
- Entitlement concept: **Amartya Sen** 1× 2025
- NFSA: 75% rural, 50% urban; nutrition for women and children (1 and 2); not enforced in 2010 1× 2024
- NFSA: coverage, nutrition, **eldest woman** head of household (all) 1× 2019
- First e-ration card: **Delhi** 1× 2021
- Not an NFSM aim: **credit facilities** 1× 2016
- NFSM crops: coarse cereals added later (*) 1× 2010

- NFSM began **rabi 2007-08**; covers **wheat, pulses, rice, coarse cereals** 2× 2008, 2013
- PDS price rise: to **cut subsidy burden** 1× 1995
- FCI's economic cost = MSP + bonus + **procurement incidentals and distribution cost** 1× 2019

## 4.2 Revolutions

- **Operation Flood**: **milk** 1× 1992
- Nandini Krishak Samriddhi (UP): Sahiwal, Gir, Tharparkar, Gangatiri only (true); experience rule (false) 1× 2023
- Largest fish producer: **China** 1× 2021
- **Blue revolution**: **fish** 1× 1997
- **Yellow revolution**: **oilseeds**; **rapeseed-mustard** 2× 2007, 2012
- **Golden-horticulture and honey, Grey-fertilisers, Yellow-oilseeds, Black-petroleum** 1× 2022
- Green Revolution gains: **Punjab, Haryana, western UP** 1× 2008
- Eco-friendly practice: **organic farming** 1× 2008
- NATP funded by the **World Bank** 1× 2002

| Revolution | Product |
|---|---|
| Green | Foodgrains |
| White | Milk (Operation Flood, Kurien) |
| Blue | Fish |
| Yellow | Oilseeds |
| Golden | Horticulture, honey |
| Grey | Fertilisers |
| Black | Petroleum |
| Pink | Meat, prawns |
| Round | Potato |

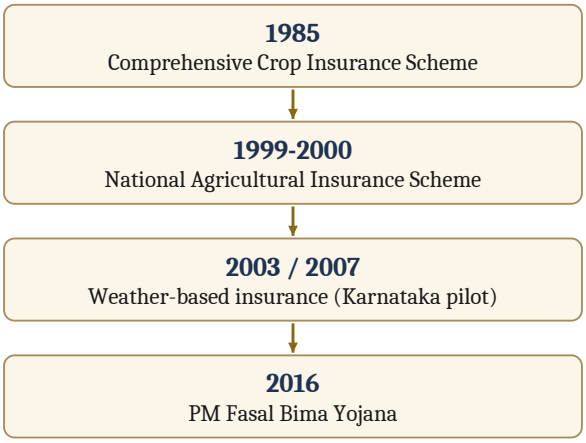

## 4.3 Research and Institutes

- First KVK: **1974** (Puducherry) 1× 2017
- ICAR order: **KVK (1974), Lab to Land (1979), NATP (1998), NAIP (2006)** 1× 2016
- *Handbook of Agriculture*: **ICAR** 1× 2012
- Kisan Call Centre: **Ministry of Agriculture** (2004) 1× 2023
- IIVR: **Varanasi** 1× 2015
- CFTRI: **Mysore** 1× 2012
- NAARM: **Hyderabad** 1× 2012
- IGFRI: **Jhansi** 1× 2012
- International Potato Centre: **Lima, Peru** 1× 2021
- **Neeru-Meeru**: **Andhra Pradesh** (2000) 1× 2016

## 4.4 Crop Insurance and Schemes

- Crop insurance began: **1985** 1× 2012
- NAIS: **1999-2000** 1× 2003
- NAIS extended to kharif in Budget **2004-05** 2× 2004, 2005
- Weather-based insurance first in **Karnataka** 1× 2010
- Crop insurance monopoly: none now (*) 1× 2008
- True: insurance 1985, UP has 9 agro-climatic zones, Food for Work 1977 (1, 2, 3) 1× 2010
- **Hariyali Yojana**: **water management** (watersheds) 2× 2010, 2016
- Rainfed Area Development: **2011-12** 1× 2015
- Vishesh Krishi and Gram Udyog Yojana: **farm exports** 3× 2010, one-liner, one-liner
- NLRMP: **2008** 1× 2016

CROP INSURANCE

## 4.5 Marketing and Prices

- **NAFED**: **agricultural marketing**; apex marketing cooperative 2× 1995, 2007
- Not an agri-export agency: **IFFCO** 1× 2017
- Markets regulated by State **APMC Acts** 1× 2011
- Farm demand is **inelastic** 1× 2013
- Sugarcane FRP approved by the **CCEA** 1× 2019
- Agricultural Prices Commission: **1965** 1× 2002

- MSP: fixed price, helps food security (II and III) 1× 2016
- Wheat MSP 2013: **Rs. 1,350**; paddy MSP 2018-19: **Rs. 1,750** 2× 2013, 2018
- MSP for fruits and vegetables: **Kerala** 1× 2016
- Groundnut MSP 1995-96: **Rs. 900** 1× 1995
- Government buying price: **procurement price** 1× 2008
- MSP recommended by **CACP** 1× one-liner
- Price Stabilisation Fund crop: **potato** 1× 2021

## 4.6 Credit

- Effective farm interest (2011-12): **4%** 1× 2011
- Not running cost: **land revenue** 1× 2014
- Not helping rural economy: **private money-lending** 1× 2013
- Agri-finance principles: **all** 1× 2016
- Long-term farm credit: **Land Development Bank** 1× 2014
- Largest source: **commercial banks** 2× 2004, 2006
- Least: **foreign private banks** 1× 2010
- KCC: **1998-99**; gives timely crop credit (only 2) 4× 2008, 2010, one-liner, one-liner
- Order: **RRB (1975), NABARD (1982), SHG linkage (1992), KCC (1998)** 2× 2020, 2021

**TRAP ALERT**

- NFSA came in **2013**, not 2010; women 18+ head the card.
- **CACP** recommends MSP; **CCEA** approves.
- **KCC = 1998-99**, not 2001.

**UP LINK**

UP links: **western UP** gained from the Green Revolution; **Nandini Krishak Samriddhi Yojana** (UP) supports desi cow breeds (Sahiwal, Gir, Tharparkar, Gangatiri); UP has **9 agro-climatic zones**; **IIVR (Varanasi)** and **IGFRI (Jhansi)** are in UP.

**LAST-MINUTE 10**

1. NFSA 2013: 75% rural, 50% urban
2. NFSM from rabi 2007-08
3. Operation Flood = milk; blue = fish; yellow = oilseeds
4. Grey = fertilisers; black = petroleum; golden = horticulture
5. First KVK **1974**; IIVR Varanasi; IGFRI Jhansi
6. Crop insurance 1985; NAIS 1999; PMFBY 2016
7. NAFED = marketing; APMC = mandis
8. CACP 1965; CCEA approves FRP
9. Commercial banks = largest farm lenders
10. Order: RRB, NABARD, SHG, KCC (1998-99)

# Chapter 5

# Industry I: Policy, MSMEs, Start-ups and Reforms

*Built from 58 UPPSC questions (1990–2025). Focus: industrial policies, LPG 1991, disinvestment, MSME definitions, committees, Make in India, start-ups, infrastructure plans.*

**ASKED MOST · REVISE FIRST**

- First industrial policy **1948**; joint sector **1956**; licensing from **IDR Act 1951**; liberal policy **1991** 4× 2004, 2007, 2008, 2008
- **Micro enterprise**: investment up to **Rs. 1 crore**, turnover up to **Rs. 5 crore** (2020 rule) 3× 2011, 2016, 2021
- **Golden handshake** = **Voluntary Retirement Scheme** 3× 1992, 2002, 2007
- **National Renewal Fund** = **social security** for displaced workers 3× 2004, 2008, 2010

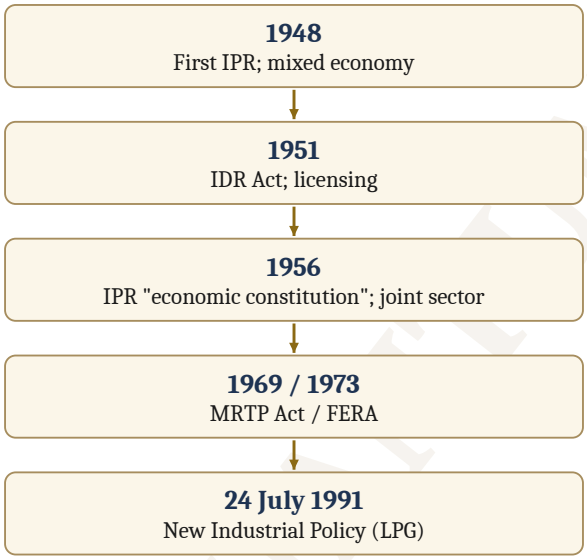

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 5.1 Industrial Policy

- First policy of free India: **1948** 1× 2008
- Joint sector: **IPR 1956** 1× 2004
- Licensing based on the **Industries Act 1951** 1× 2007

- Liberal policy: **1991** 1× 2008
- Order: **Minimum Wages (1948), IDR (1951), MRTP (1969), FERA (1973)** 1× 2017
- UP minimum wage for unskilled (April 2017): **Rs. 7,400** a month 1× 2017
- ISO certifications and licence liberalisation (both true, R not the explanation) 1× 1997
- 1991 licensing kept for **18** industries 1× 2004
- LPG announced by PM **Narasimha Rao** 1× 2013
- Disinvestment part of liberalisation; proceeds used per policy (both true, R not the explanation) 2× 2002, 2004
- Disinvestment (true); PSUs created too few jobs (false as the reason) 1× 2000
- Disinvestment began **1991-92** 1× 2008
- National Renewal Fund: **social security** 3× 2004, 2008, 2010
- Golden handshake: **VRS** 3× 1992, 2002, 2007

INDUSTRIAL POLICIES

## 5.2 MSMEs

- New MSME definition: announced in Atmanirbhar package; same formula for manufacturing and services (1 and 3) 1× 2016
- Investment to Rs. 1 crore, turnover to Rs. 5 crore: **micro** 3× 2011, 2016, 2021
- Most registered factories (2011): **Tamil Nadu** 1× 2011
- Small and cottage units mainly **generate jobs** 1× 2004
- UP's largest employer industry: **handloom** 1× 2008
- SSI problems: **all** listed; not one: **strikes and lockouts** 2× 1991, 2008
- Committee order: Karve, Nayak, Abid Hussain, Kohli (no code, *) 1× 2019
- End SSI reservation: **Abid Hussain Committee** 1× 2006
- Fast co-op growth: **cotton textile** 1× 2007
- First industry in India: **cottage industry** 1× 2008
- **Udyami** helpline: **MSMEs** 1× 2015
- Wrong: **Tarapore-customer services** (Tarapore = convertibility) 1× 2010
- **Meera Seth**: **handlooms** 1× 1997
- **Sathyam**: **textile policy** 1× 2000
- Unorganised sector commission: **Arjun Sengupta** 1× 2005

| MSME (2020 rule) | Investment | Turnover |
|---|---|---|
| Micro | Rs. 1 crore | Rs. 5 crore |
| Small | Rs. 10 crore | Rs. 50 crore |
| Medium | Rs. 50 crore | Rs. 250 crore |

## 5.3 Make in India and Start-ups

- **Make in India** logo: **lion** 1× 2014
- Launched 2014; promotes manufacturing (both) 1× 2022
- Start-up needs met by **all** listed 1× 2017
- New-age financing for start-ups: **Pranab Mukherjee** 1× 2016
- **Stand-Up India**: **women, SC and ST** 1× 2021
- **PM Mudra**: **Ministry of Finance** 1× 2025
- **e-Biz**: **single window** for government services 1× 2016

## 5.4 Infrastructure and CSR

- Biggest company (Fortune India 2019): **Reliance Industries** 2× 2016, 2019
- CSR: Act is **2013** and spend is **2%** (neither statement right) 1× 2019
- Railways: 100% electrification and net-zero by 2030 (both) 1× 2021
- First rubber-tyre metro: **Nashik** 1× 2021

- PPP revitalisation committee: **Vijay Kelkar** 1× 2017
- NIP is 2019-25, not 2020-30 (A false); equitable access aim (R true) 1× 2020
- Gati Shakti has **7 engines** (true); launched 2021, not 2022 (only 2) 1× 2023
- India 2nd largest mobile gaming market (false); 950 million+ internet users (true) 1× 2025
- Largest e-commerce firm (key): **M-junction** 1× 2015

## 5.5 Statistics and Relations

- Industry's GDP share 2006-07: **25-30%** 1× 2006
- Not in IIP: **construction** 1× 2016
- IIP base changed (2011) to **2004-05** (now 2011-12) 1× 2010
- Apex industrial finance (then): **IDBI** 1× 2017
- **BIFR**: sick units 1× 2002
- **Mega Food Parks**: food-processing infrastructure 1× 2009
- Social objective: **employment** 1× 2016
- **Sole trader-unlimited liability, partnership-contract, co-operative-weaker sections, public company-many risk bearers** 1× 2008
- **Kandla**: **export processing zone** 2× 2013, 2015
- Labour-intensive: **employs more hands** 1× 2006
- Not a party to industrial relations: **consumers** 1× 2014
- Workers in management: **policy decisions** 1× 1990

TRAP ALERT

- **1956** = joint sector; **1948** = first policy.
- **Abid Hussain** ended SSI reservation; **Tarapore** = convertibility.
- CSR = **2%** under the **2013** Act.

UP LINK

UP links: **handloom** is UP's largest employer industry; UP's minimum wage for unskilled labour was **Rs. 7,400** (2017); **ODOP** (One District One Product, 2018) and the **Defence Corridor** are UP's MSME pillars.

LAST-MINUTE 10

1. IPR **1948**; IDR Act **1951**; IPR **1956** (joint sector)
2. New policy **1991**; licensing for 18 industries
3. Disinvestment from **1991-92**; VRS = golden handshake
4. NRF = social security
5. Micro: Rs. 1 cr / Rs. 5 cr
6. Abid Hussain = end SSI reservation
7. Make in India: lion, 2014; Stand-Up = women, SC, ST
8. Mudra under Finance Ministry
9. CSR 2% (2013 Act); IIP excludes construction
10. Gati Shakti 2021, 7 engines; NIP 2019-25

# Chapter 6

# Industry II: Public Sector, Major Industries and Services

*Built from 48 UPPSC questions (1990–2023). Focus: PSUs and Ratna status, refineries, steel plants, industry-centre matching, services sector.*

ASKED MOST · REVISE FIRST

- **Service sector** = largest source of national income 5× 2004, 2010, 2014, 2017, 2021
- Tertiary sector: **trade, transport, finance, real estate**; not forestry and fishing 6× 2002, 2003, 2004, 2008, 2015, 2017
- Centre-industry matching: **Visakhapatnam-ships, Muri-aluminium, Gurgaon-cars, Panki-fertiliser, Coimbatore-cotton, Kapurthala-coaches, Barauni-refinery, Titagarh-jute, Ludhiana-hosiery, Bhadohi-carpets** 4× 1994, 1999, 2001, 2003
- **UP** = largest sugar producer 2× 2011, one-liner

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 6.1 Public Sector

- PSU roles: utilities, overhead capital, balanced growth, equality (all) 1× 2019

- Odd one out (private): **Essar Oil** 1× 1997
- **ONGC**: **1956** 1× 2014
- **OIL**: **oil exploration** 1× 2001
- Largest government trading company: **MMTC** 1× 2008
- **HAL**: **aircraft** 1× 2008
- Tourism and hotels: **ITDC** 1× 2004
- **BSNL**: **2000**; **100%** government equity 2× 2009, 2008
- GAIL pipeline: **Vijayawada to Vijaipur** 1× 2008
- Oil prices now set by **oil companies** 1× 2015
- **Navratna**: selected PSUs 1× 2008
- Not Maharatna in 2013: **Oil India** (Maharatna since 2024, *) 2× 2010, 2013
- Navratna then: **MTNL** 1× 2012
- Not Navratna: **Indian Aluminium Company** 1× 2006
- Navratna aluminium firm: **NALCO** 1× 2013

| Status | Examples |
|---|---|
| Maharatna | ONGC, NTPC, SAIL, IOCL, Coal India, BHEL, GAIL, Oil India |
| Navratna | HAL, BEL, NALCO |
| Fully government | BSNL (2000) |

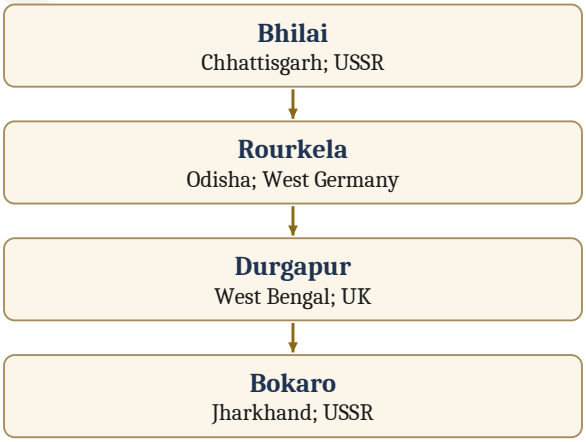

## 6.2 Refineries

- Private sector (1998): Mangalore and Essar then (*) 1× 1998
- Private among Digboi, Barauni, Numaligarh, Mathura: none (*) 1× 2004
- **Barauni-Bihar, Bongaigaon-Assam, Bina-MP, Koyali-Gujarat** 1× 2023
- Ideal for petrochemicals: **Gujarat** 1× 2002
- Coastal Gujarat an industrial workshop (R explains A) 1× 2001

## 6.3 Major Industries

- Steel plant not on a river: **Bhilai** 1× 2021
- **Rourkela**: with **Germany** 1× 2012
- **Bokaro**: **Soviet Union** 1× 1991
- **Bhilai-Chhattisgarh, Bokaro-Jharkhand, Durgapur-West Bengal, Rourkela-Odisha** 1× 2001
- **Indian Diamond Institute**: **Surat** 1× 2012
- **Visakhapatnam-shipbuilding, Muri-aluminium, Gurgaon-automobiles, Panki-fertiliser** 1× 2003
- **Coimbatore-cotton, Rourkela-steel, Kapurthala-rail coaches, Barauni-refining** 1× 1999
- **Singrauli-coal, Kajarhat-cement, Koyali-oil, Anand-milk** 1× 1994
- Largest sugar producer: **UP** 1× 2011
- Wrong: **Katni-paper** (Katni = cement) 1× 1990
- **Jute-Titagarh, silk-Bangalore, woollen hosiery-Ludhiana, carpets-Bhadohi** 1× 2001
- Sugar order: **UP, Maharashtra, Karnataka, Tamil Nadu** 1× one-liner
- Wrong: **MALCO-Chennai** (MALCO is at **Mettur**) 1× 2022
- **Nepanagar**: **newsprint** 1× 2001
- **Hazira** fertiliser: **natural gas** 1× 1991

PUBLIC STEEL PLANTS AND PARTNERS

## 6.4 History and Companies

- Order (key): **Indian sugar industry, Rishra jute mill, Bombay textile mill, first steel** 1× 2021
- MNCs (of options): **Samsung and LG** 1× 2014
- KVIC HQ: **Mumbai** 1× 2014
- Not FMCG: **automobiles** 1× 2012
- Largest software company: **TCS** 1× 2011

## 6.5 Tertiary Sector

- Tertiary: **trade and transport, finance and real estate** (1 and 2) 6× 2002, 2003, 2004, 2008, 2015, 2017

QUANTUM IAS & PCS

- Largest source of national income: **services** 5× 2004, 2010, 2014, 2017, 2021
- Largest services share in GSDP (2008-09): **Delhi** 1× 2010
- Steady growth 2001-05: **services** 1× 2007
- Not correct (Survey 2023): fashion, grocery, merchandise two-thirds of e-commerce by 2030 1× 2023
- Tertiary share **rises** as economies develop 1× 2006
- **TRAI**: **telecom** 1× 2017

**TRAP ALERT**

- **Bhilai** is not on a river; Rourkela = Germany, Durgapur = UK.
- **MALCO** = Mettur; **Katni** = cement.
- Forestry and fishing are **primary**, not tertiary.

**UP LINK**

UP centres: **Panki** (fertiliser), **Bhadohi** (carpets), **Renukoot** (aluminium), **Singrauli** (coal and power), **Churk** (cement), **Mathura** (IOCL refinery); UP is India's **top sugar** producer.

**LAST-MINUTE 10**

1. ONGC **1956**; BSNL **2000**, 100% govt
2. MMTC = largest govt trader; HAL = aircraft; ITDC = hotels
3. NALCO = Navratna; Oil India = Maharatna (2024)
4. Barauni Bihar; Bongaigaon Assam; Bina MP; Koyali Gujarat
5. Rourkela Germany; Bokaro USSR; Bhilai not on a river
6. Surat = diamonds; Muri = aluminium; Panki = fertiliser
7. Titagarh jute; Ludhiana hosiery; Bhadohi carpets
8. UP = top sugar producer
9. Services = largest share of GDP
10. TRAI = telecom; KVIC = Mumbai

# Chapter 7

# Fiscal Policy, the Union Budget and Deficits

*Built from 39 UPPSC questions (1993–2024). Focus: who frames fiscal policy, Budget facts, receipts and spending, the four deficits, FRBM, deficit financing, budgeting methods.*

**ASKED MOST · REVISE FIRST**

- Fiscal deficit target 2019-20: **3.3% of GDP** 9× 1996, 2000, 2001, 2002, 2005, 2008, 2010, 2015, 2019
- **Primary deficit** = fiscal deficit − **interest payments** 3× 2004, 2008, 2010
- Deficit order: **fiscal > revenue > primary** 4× 2002, 2003, 2004, 2008
- Largest outlay in Budget 2011-12 (key): **energy** 5× 2001, 2002, 2009, 2010, 2011
- **Economic Survey** and fiscal policy: **Ministry of Finance** 4× 2010, 2010, 2012, 2015
- **Deficit financing** adds money and leads to **inflation** 3× 1993, 2003, 2016

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

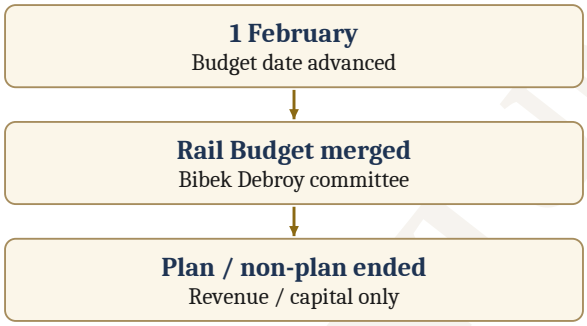

## 7.1 Fiscal Policy

- Fiscal policy framed by the **Ministry of Finance** 1× 2012
- Long-term fiscal policy (1985): **V.P. Singh** 1× 2014
- Not a fiscal-policy aim: **regulating inter-State trade** 1× 2006
- Response to supply shocks: **cut taxes on fuel and imports** (only 3) 1× 2024
- Subsidy a big deficit source (true); farm subsidy higher than rich countries (false) 2× 2002, 2004
- Survey 2015-16 "Chakravyuha": from socialism with limited entry to **marketism without exit** 1× 2017
- Economic Survey prepared by the **Ministry of Finance**; published by it 3× 2010, 2010, 2015

## 7.2 The Budget

- Not among 2017-18's ten themes: **export performance** 1× 2017
- Budget 2023: States allowed **3.5% of GSDP** fiscal deficit 1× 2023
- AIDC (2021-22): on **29** products 1× 2021
- Did not happen in 2017-18: **more centrally sponsored schemes** 1× 2017
- Health Ministry 2023-24: about **Rs. 89,155 crore** 1× 2023
- Not true of 2023-24 outlay shares: **subsidies 9%** 1× 2023
- Largest outlay (2011-12): **energy** 5× 2001, 2002, 2009, 2010, 2011
- 2018-19 allocations: **defence Rs. 2.82, food subsidy Rs. 1.69, rural development Rs. 1.38, agriculture Rs. 0.63 lakh crore** 1× 2017
- PSB disinvestment target 2020-21: **Rs. 90,000 crore** 1× 2021
- Railway research body (2016-17): **SRESTHA** 1× 2016
- New luxury class (2013-14): **Anubhuti** 1× 2014

BUDGET REFORMS OF 2017-18

## 7.3 Receipts and Spending

- 2010-11: capital receipts **less than** revenue receipts 1× 2009
- Not public revenue: **subsidy** 1× 2009
- Current-account income: **corporation tax, PSU profits, excise** (I, II, V) 1× 1998
- Largest Budget head (now): **revenue expenditure** (non-plan in 2006) 1× 2006
- Largest revenue expenditure item: **interest payments** 1× 2017

## 7.4 Deficits

- Targets: 2017-18 at **3.5%**, 2018-19 at **3.3%** (1 and 2) 1× 2017
- Fiscal deficit target 2019-20: **3.3%** 9× 1996, 2000, 2001, 2002, 2005, 2008, 2010, 2015, 2019
- States' fiscal deficit record then: about Rs. 1 lakh crore (*) 1× 2000
- Order: **fiscal, revenue, primary** 4× 2002, 2003, 2004, 2008
- Fiscal deficit minus interest: **primary deficit** 3× 2004, 2008, 2010
- Primary deficit 2010-11: **below 2%** of GDP 1× 2009
- Revenue deficit minus capital-asset grants: **effective revenue deficit** 1× 2015
- Fiscal deficit mostly met by **domestic borrowing** 1× 2005
- Deficit financing causes inflation by raising money supply (R explains A) 1× 2003
- Failed deficit financing: **inflation**; raises **money supply** 2× 1993, 2016
- **FRBM Act**: **2003** 1× 2008

| Deficit | Formula |
|---|---|
| Revenue | Revenue spending − revenue receipts |
| Effective revenue | Revenue deficit − capital-asset grants |
| Fiscal | Total spending − (revenue + non-debt capital receipts) |
| Primary | Fiscal deficit − interest |

## 7.5 Budgeting Methods

- Zero-based budgeting first in the **USA** 1× 2017
- ZBB in India; reviews every scheme (R explains A) 1× 2011
- Performance budget from the **USA** 1× 2010

TRAP ALERT

- **Primary** = fiscal − interest; **effective revenue** = revenue − capital grants.
- **Interest** is the biggest revenue spend.
- **FRBM 2003**; fiscal policy = Finance Ministry, monetary = RBI.

UP LINK

UP links: States may run a fiscal deficit of about **3-3.5% of GSDP**; UP passed its own **Fiscal Responsibility and Budget Management Act (2004)** and presents India's largest State Budget.

LAST-MINUTE 10

1. Fiscal policy & Survey = **Finance Ministry**
2. Long-term fiscal policy = **V.P. Singh** (1985)
3. Fiscal deficit target 2019-20 = **3.3%**
4. Fiscal > revenue > primary
5. Primary = fiscal – interest
6. Effective revenue = revenue – capital grants
7. Interest = biggest revenue spend
8. FRBM **2003**
9. Deficit financing leads to inflation
10. ZBB & performance budget = USA

# Chapter 8

# Taxation, GST and the Finance Commission

*Built from 67 UPPSC questions (1991–2025). Focus: GST, direct vs indirect taxes, who levies what, VAT and excise, Finance Commissions and chairmen, tax committees.*

ASKED MOST · REVISE FIRST

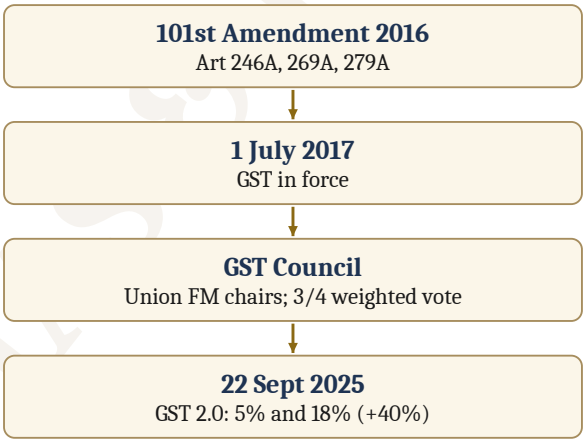

- ■ **Finance Commission** shares taxes between Centre and States 4× 2003, 2007, 2017, 2021
- ■ **Income tax** = direct and progressive; not State-collected 4× 1991, 1993, 2004, 2010
- ■ FC chairmen: **1st Neogy, 9th Salve, 10th Pant, 11th Khusro, 12th Rangarajan, 13th Kelkar, 14th Y.V. Reddy, 16th Panagariya** 4× 2007, 2021, 2023, 2025
- ■ **Kelkar** committee = tax reform; ended Section 88 rebates 4× 2004, 2004, 2008, 2016
- • **GST** = indirect tax; **101st Amendment** 2× 2017, 2021
- ■ **CENVAT/MODVAT** = central excise 3× 2004, 2008, 2011

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 8.1 GST

- GST is an **indirect tax** 1× 2017
- Enabled by the **101st Amendment** 1× 2021
- GST creates one market and ends cascading (both) 1× 2017
- GST Council: State finance ministers as members; decides rates and thresholds (1 and 2); States cannot keep VAT 1× 2016
- GST in October 2020: **over Rs. 1 lakh crore** 1× 2016
- ITC is input-tax credit (true); available on non-taxable supplies (false) (only 1) 1× 2023
- **Revenue Neutral Rate**: **GST** 1× 2016
- **Project Saksham**: **indirect tax IT network** 1× 2017

GST AT A GLANCE

## 8.2 Direct and Indirect

- Direct Tax Code: **income tax** 1× 2018
- Expenditure tax suggested by **Kaldor** 1× 2010
- Direct taxes' GNP share then about 5% (*) 1× 2004
- Tax-GDP ratio: depends on year (*) 1× 2004
- Indirect taxes regressive: **same rate for all incomes** 1× 2019
- Income tax: **progressive and direct** (I and II) 2× 2004, 2010
- Income tax introduced by **James Wilson** (1860) 1× 2014
- Does not raise the buyer's price: **income tax** 1× 1995
- Tax on imports and exports: **customs duty** 1× 2006
- Direct: **income tax**; **wealth tax** 2× 1991, 2014
- Not indirect: **income tax**; not direct: **sales tax** 2× 1993, 1993

## 8.3 Who Levies What

- 15% surcharge (2016-17): income **above Rs. 1 crore** 1× 2016
- "Very senior citizens": **80 years and above** 1× 2010
- Central Sales Tax: (i) and (ii) correct; not in SEZs 1× 2010
- Two largest Central taxes then: excise and customs; income tax now (*) 1× 1995
- 2020-21 revenue: **corporate tax 18%, income tax 17%, excise 7%, customs 4%** 1× 2016
- Top Central tax 2009-10: **corporation tax** 2× 2008, 2009
- Not a Central levy: **road tax** 1× 2013
- Union-only: **customs and corporation tax** 1× 2005
- Largest Central tax (then): excise (*) 1× 2004
- Not from corporate income: **capital gains tax** 1× 2005
- Not a Union tax: **entertainment tax** 1× 1992
- Not a State tax: **corporation tax** 1× 2008
- Liquor excise: **State Governments** 1× 2014

| Union | States | Local bodies |
|---|---|---|
| Income tax, corporation tax | Agricultural income tax, land revenue | Property tax |
| Customs, central excise | Liquor excise, stamp duty | Tax on fairs |
| CGST, IGST | SGST, road tax | Water charges |

## 8.4 Excise, VAT, Service Tax

- **Capital gains-sale of property, excise-factory produce, customs-imports, corporate tax-income** 1× 2016
- **MODVAT**: **excise duty** 1× 2011
- **CENVAT**: **central excise** 2× 2004, 2008
- VAT: on **all stages** from production to sale 2× 2006, 2012
- Not on VAT (2005): **Chhattisgarh and UP** 1× 2005
- VAT nationwide: **2005** 1× 2015
- Service tax: **indirect**, from **1994-95** (2 and 3) 1× 2013

## 8.5 Finance Commission

- FC fixes States' share of taxes and grants; primary duty: tax distribution 4× 2003, 2007, 2017, 2021
- Not correct: PC and FC advice **binding** 1× 2009
- Not shared with UP: **agricultural income tax** 1× 2000
- 16th FC: chaired by **Arvind Panagariya** (true); set up 31 Dec 2024 (false; **2023**) (only II) 1× 2023
- Not correct of 15th FC: covers only 2020-25 (it is 2020-26) 1× 2019
- 13th FC's top weight: **fiscal capacity distance** 1× 2011
- First FC chairman: **K.C. Neogy** 1× 2021
- **11th-Khusro, 12th-Rangarajan, 13th-Kelkar, 14th-Y.V. Reddy** 1× 2025
- **9th-Salve, 10th-Pant, 11th-Khusro, 12th-Rangarajan** 1× 2007
- 10th FC share: **29%** 2× 1995, 1997

| FC | Chairman | States' share |
|---|---|---|
| 1st | K.C. Neogy | - |
| 10th | K.C. Pant | 29% |
| 13th | Vijay Kelkar | 32% |
| 14th | Y.V. Reddy | 42% |
| 15th | N.K. Singh | 41% |
| 16th | Arvind Panagariya | 41% (2026-31) |

## 8.6 Reforms and Local Finance

- **Kelkar Task Force**: **taxes**; latest tax committee then 2× 2004, 2004
- Abolish Section 88 rebates: **Kelkar** 2× 2008, 2016
- Early-1990s tax reform: **R.J. Chelliah** 1× 1995
- Different for tax relief: **Indira Vikas Patra** 1× 1997
- No tax rebate: **Kisan Vikas Patra** 1× 2008
- PAN 4th letter **P** = **individual** 1× 2014
- PAN not valid as **proof of address** 1× 2007
- AGR includes interest, dividend, forex gain (all) 1× 2016
- Gratuity ceiling: Rs. 10 lakh then; now Rs. 20-25 lakh (*) 1× 2014
- Panchayat funds: **FC grants, cooperative banks, CSS allocations, SFC** (1, 2, 3, 5) 1× 2007
- Gram Panchayat tax: **tax on local fairs** 1× 2018

- NHAI's main fund: **cess** 1× 2011

TRAP ALERT

- **16th FC** set up **31 Dec 2023**; covers 2026-31.
- Liquor excise and agricultural income tax = **States**.
- **VAT 2005** (UP 2008); **service tax 1994-95**.

UP LINK

UP got the largest share (about **17.9%** under the 15th FC, about 17.6% under the 16th) of devolved taxes; UP joined **VAT** only on **1 January 2008**; UP Gram Panchayats can tax **local fairs**.

LAST-MINUTE 10

1. GST: indirect; **101st**; 1 July 2017; Art 279A
2. Income tax: direct, progressive; James Wilson 1860
3. Kaldor = expenditure tax
4. Union: customs, corporation tax; States: liquor, farm income
5. MODVAT 1986; CENVAT 2000; VAT 2005
6. Service tax 1994-95; indirect
7. First FC **Neogy**; 13th **Kelkar**; 14th **Y.V. Reddy** (42%)
8. 16th FC **Panagariya**, 41%, 2026-31
9. Kelkar = Section 88; Chelliah = 1991 reform
10. PAN "P" = individual

# Chapter 9

# Economic Planning and NITI Aayog

*Built from 57 UPPSC questions (1990–2024). Focus: Planning Commission, NDC, NITI Aayog, pre-independence plans, the twelve Five Year Plans and their themes.*

ASKED MOST · REVISE FIRST

- **NDC** = approval of Five Year Plans; formed **6 August 1952** 7× 2001, 2003, 2004, 2008, 2008, 2014, 2016
- 11th Plan: **2007-12**, "faster and more inclusive growth", 9% target 5× 2006, 2008, 2008, 2011, 2015
- **Fifth Plan** = poverty removal (Garibi Hatao), self-reliance, zero net aid 3× 2007, 2014, 2016
- **Economic planning** = **Concurrent List** 2× 2002, 2006
- **NITI Aayog**: no full-time chairman; first Vice-Chairman **Arvind Panagariya** 3× 2015, 2017, 2018

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 9.1 Planning Bodies

- Planning: **Concurrent List** 2× 2002, 2006
- **DMEO**: attached to **NITI Aayog** 1× 2020
- "Economic Cabinet" (Ashok Chanda): **Planning Commission** 1× 2018
- NDC: **approval of Five Year Plans**; formed **6 August 1952** 7× 2001, 2003, 2004, 2008, 2008, 2014, 2016
- Planning Commission set up: **1950**; by a **Cabinet resolution** 2× 2009, one-liner
- Planning Commission: a **quasi-political** body 1× 2014
- Not correct of NITI: **full-time chairman** (PM chairs) 1× 2015
- SDG nodal institution: **NITI Aayog** 1× 2019
- First NITI Vice-Chairman: **Arvind Panagariya** 2× 2017, 2018
- India Innovation Index 2019 top: **Karnataka** 1× 2019
- Fastest-growing State 2014-15: **Bihar** 1× 2016

## 9.2 Ideas Behind Planning

- Planning for balanced development, even spread, regional equity, resource use (all four) 2× 2009, 2016
- Gadgil-Mukherjee formula: highest weight to **population** 1× 2008
- **Gandhian Plan** (1944): **Shriman Narayan Agarwal** 1× 2015
- Opposed planned development: **Mahatma Gandhi** 1× 2019

- Rolling plan: annual, multi-year and perspective features (all four) 1× 2016
- Rolling plan in operation: **1978-79** 1× 2007

| Early plan | Year | By |
|---|---|---|
| Planned Economy for India | 1934 | M. Visvesvaraya |
| National Planning Committee | 1938 | Congress (Nehru) |
| Bombay Plan | 1944 | Industrialists |
| Gandhian Plan | 1944 | Shriman Narayan Agarwal |
| People's Plan | 1945 | M.N. Roy |
| Sarvodaya Plan | 1950 | Jayaprakash Narayan |

## 9.3 Five Year Plans

- 12th Plan: **2012-17**; agriculture growth about **4%** 2× 2012, 2014
- 12th Plan vision target: **9%** 1× 2012
- Sustainable growth focus: **12th Plan** 1× 2018
- Largest 12th Plan allocation: **social services** 2× 2013, 2014
- 11th Plan: **2007-12**; largest spend: **social sector** 4× 2008, 2011, 2015, 2010
- 11th Plan industry target: **10.5%**; agriculture **4%**; GDP **9%** 4× 2008, 2007, 2009, 2006
- 10th Plan mid-term growth target: **7%**; original target **8%** 2× 2004, 2002
- Largest 10th Plan outlay: **energy** 1× 2005
- 10th Plan investment rate **higher than** savings rate 1× 2008
- Growth with social justice and equity: **9th Plan**; 9th target **6.5%** 2× 2015, 1996
- Women's Component Plan: **9th Plan** 1× 2016
- April 1992-March 1997: **8th Plan** 1× 1998
- Human development at the core: **8th Plan** 1× 2016
- IRDP in the 7th Plan: **total household approach** 1× 1994
- Self-reliance and zero net foreign aid: **5th Plan** 1× 2014
- Poverty abolition slogan: **5th Plan**; Garibi Hatao programmes: **5th** 2× 2007, 2016
- Order: **Green Revolution, bank nationalisation, Garibi Hatao** 1× 2016
- Growth Centre approach: **4th Plan** 1× 1996
- Industrialisation strategy: **2nd Plan** 1× 1991
- First Plan priority: **agriculture** 1× 2011
- **1st-Harrod-Domar, 2nd-Mahalanobis, 3rd-Chakravarty, 4th-Ashok Rudra** 1× 2021
- **1st-community development, 2nd-rapid industrialisation, 3rd-basic industries, 4th-growth with stability and self-reliance, 5th-minimum needs** 1× 1994
- **1st-1951-56, 3rd-1961-66, 4th-1969-74, 6th-1980-85** 1× 2014
- 11th Plan approach: **faster and more inclusive growth** 1× 2008
- Years outside any plan: **7** 1× 1999
- "Jobless growth" decade: **1991-2000** 1× 2014
- Twenty Point Programme: **1975** 2× 2008, 2009
- Bottom-up planning still a goal; village a viable unit (R explains A) 1× 1998
- Order: **IMF membership, first devaluation (1949), First Plan to Parliament, NDC** 1× 2003

QUANTUM IAS & PCS

FIVE YEAR PLANS IN ONE LINE EACH

## 9.4 Planned Cities and Yojana

- **Kanchipuram-ancient, Jaisalmer-medieval, Kodaikanal-colonial, Bhilai-post-independence** 1× 2024
- *Yojana* magazine: **Publications Division** 1× 1990

TRAP ALERT

- Planning Commission **1950** (Cabinet resolution); NDC **1952**; NITI **2015**.
- **Garibi Hatao** = 5th Plan; **human development** = 8th; **social justice** = 9th.
- **7** plan-free years: 1966-69, 1978-80 (rolling), 1990-92.

UP LINK

UP links: UP's **State Transformation Commission** (2023) replaced the State Planning Commission on NITI lines; UP's planning department prepares SDG and district plans.

LAST-MINUTE 10

1. Planning = Concurrent List
2. Planning Commission 15 Mar **1950**; NDC 6 Aug **1952**
3. NITI Aayog 1 Jan **2015**; first VC Panagariya
4. Gandhian Plan = Shriman Narayan Agarwal
5. 1st Harrod-Domar; 2nd Mahalanobis
6. 5th = Garibi Hatao, self-reliance
7. 8th = human development; 9th = social justice
8. 11th = inclusive growth, 9%; 12th = sustainable, last plan
9. Rolling plan **1978-80**; 7 plan-free years
10. Twenty Point Programme **1975**

# Chapter 10

# Money, Inflation and the Reserve Bank of India

*Built from 68 UPPSC questions (1990–2021). Focus: money measures, currency facts, inflation types and indices, RBI functions and history, CRR, SLR, repo, OMO.*

ASKED MOST · REVISE FIRST

- **RBI** = banker's bank, government's adviser, forex keeper, credit controller; HQ **Mumbai** 7× 2001, 2009, 2010, 2010, 2010, 2012, 2017
- **Monetary policy** = **RBI**; complements fiscal policy 5× 2002, 2006, 2010, 2016, 2017
- **Repo** = RBI lends to banks; **reverse repo** = banks lend to RBI; **bank rate** = RBI rediscount rate 5× 2008, 2008, 2008, 2009, 2011
- **CRR** rise cuts liquidity and credit 3× 2004, 2010, 2013
- Headline inflation measured by **CPI (Combined)** 4× 2004, 2008, 2012, 2021
- **Decimal coinage**: **1957** 3× 1995, 2005, 2010

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 10.1 Money and Currency

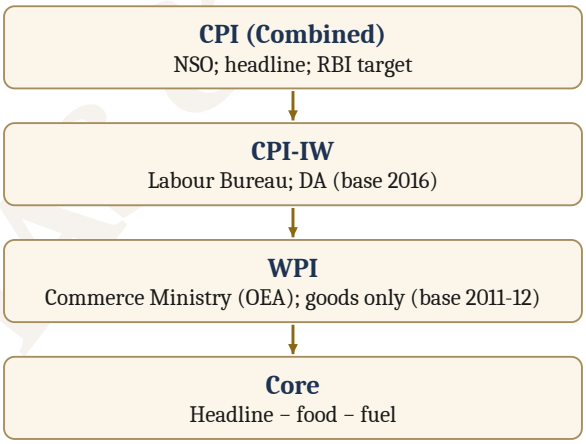

- Broad money (M3): **currency, demand deposits, time deposits** (all) 1× 2008
- Money multiplier: **broad money ÷ reserve money** 2× 2008, 2009
- **Black money**: illegal income on which tax is unpaid 2× 2002, 2003
- Not a demonetisation aim: **raising GDP growth** 1× 2017
- Paper currency began: **1862** (per key; Act 1861) 1× 2011
- ■ Decimal coinage: **1957** 3× 1995, 2005, 2010
- RBI can print notes up to **Rs. 10,000** 1× 2014
- Minimum gold stock: **Rs. 115 crore** 1× 2008
- ■ Note issue: **minimum reserve system** 3× 2004, 2007, 2010
- Coins issued by the **Ministry of Finance** 1× 2010
- Mints: **Mumbai, Kolkata, Hyderabad** (and Noida) 1× 2008

| Measure | Includes |
|---|---|
| M0 | Currency + bank deposits with RBI |
| M1 | Currency with public + demand deposits |
| M2 | M1 + post office savings |
| M3 | M1 + time deposits (broad money) |

## 10.2 Inflation

- Fall in inflation rate: prices rise **more slowly** (II only) 1× 2017
- Inflation benefits **debtors** 2× 1995, 2016
- Bottleneck inflation from supply gaps (R explains A) 1× 2021
- **Core inflation**: headline minus **food and fuel** 1× 2017
- ■ Common measure: **CPI** (WPI earlier) 3× 2004, 2008, 2012
- Headline inflation: **CPI (Combined)** 1× 2021
- CPI: covers goods and services; used by RBI (1 and 3); not compiled by OEA 1× 2019
- CPI-IW base shifted from 1982 to **2001**; earlier 1960 to **1982** 2× 2008, 1990
- Central employees' wages compensated by **CPI-IW**; DA based on **CPI** 2× 2001, 2008
- WPI published by the **Ministry of Commerce and Industry** 1× 2021
- WPI's largest weight: **manufactured products** 1× 2008
- WPI 2004-05 series released **14 September 2010** 1× 2009
- **PPI**: average change in producers' prices 1× 2017
- Not an anti-inflation step: **cutting interest rates** 1× 1996
- WPI revision group (2004): **Abhijit Sen** 1× 2004

PRICE INDICES

## 10.3 The RBI

- RBI: apex bank, regulates money, oversees NABARD (I, II, IV); not loans to businesses 1× 2001
- Government's financial agent and adviser: **RBI** 1× 2017
- Treasury bills sold by the **RBI** 1× 2009
- J&K banking (then) not done by RBI (*) 1× 2014
- Not correct: RBI was **established in 1949** (it was **1935**; nationalised 1949) 1× 2011
- HQ: **Mumbai** 1× 2010
- Bankers' bank: **RBI** 1× 2010
- Forex reserves kept by the **RBI** 1× 2012
- Credit creation controlled by the **RBI** 1× 2010
- Not correct: RBI issues **all** notes (Re. 1 note by Government) 1× 2007
- Re. 1 note: **Finance Secretary's** signature 1× 2004
- Governors in order: **I.G. Patel, Manmohan Singh, C. Rangarajan, D. Subbarao** 1× 2021

QUANTUM IAS & PCS

- Never RBI Governor: **Raja J. Chelliah** 1× 2005
- RBI financial year: **April-March** (from 2020-21; earlier July-June) 1× 2013

## 10.4 Monetary Tools

- Not an RBI function: **credit creation** (commercial banks do it) 1× 2008
- Monetary policy **complements** fiscal policy 1× 2016
- Not a monetary aim: **equitable distribution of income** 1× 2011
- Monetary policy by the **RBI**; money and credit controlled by the RBI 2× 2006, 2010
- Not quantitative control: **credit rationing** 1× 2017
- **OMO**: trading in securities; a **quantitative** tool 3× 2008, 2010, 2017
- **Operation Twist**: sell short-term, buy long-term to boost long-term investment (R explains A) 1× 2016
- Anti-inflation steps: **raise bank rate, CRR, SLR** (1, 2, 3); not buying securities 1× 2016
- Cash and liquid assets ratio: **SLR** 1× 2007
- Not set by the RBI: **PLR** 1× 2008
- Since reforms **both SLR and CRR reduced** 1× 1999
- Deposits kept with RBI: **CRR** 1× 2013
- CRR rise: **less liquidity**; **less credit creation** 2× 2010, 2004
- Repo rate: **monetary policy** 1× 2017
- "Repurchase option" (key): **none of the above** 1× 1998
- RBI's short-term lending rate: **repo** 1× 2008
- Banks lend to RBI at **reverse repo** 1× 2008
- **Bank rate**: RBI's rediscount rate; charged by RBI 3× 2008, 2009, 2011
- Repo-reverse repo gap (2010-11): **1%** 1× 2010
- 5 Dec 2019: repo **5.15%**, reverse repo **4.9%** 2× 2014, 2019
- Repo regulated by the **RBI** 1× 2002

| Tool | Meaning |
|---|---|
| CRR | Cash kept with RBI |
| SLR | Cash, gold, G-secs kept by banks |
| Repo | RBI lends to banks |
| Reverse repo / SDF | Banks park money with RBI |
| Bank rate | RBI rediscounts bills |
| OMO | Buy or sell G-secs |

**TRAP ALERT**

- **RBI 1935**, nationalised **1949**.
- Coins and Re. 1 note = **Government**.
- **Credit creation** is done by commercial banks, not RBI.
- Disinflation ≠ deflation.

**UP LINK**

UP link: India's fourth mint is at **Noida** (1988); UP's government employees' DA follows **CPI-IW** like the Centre's.

**LAST-MINUTE 10**

1. M3 = M1 + time deposits; multiplier = M3/M0
2. Decimal coins **1957**; minimum reserve, Rs. 115 cr gold
3. Coins, Re. 1 note = Govt (Finance Secretary)
4. Core = headline − food − fuel; debtors gain from inflation
5. CPI = headline (NSO); WPI = Commerce Ministry; DA = CPI-IW
6. RBI **1935**, Mumbai; nationalised 1949
7. RBI year April-March from 2020-21
8. Repo: RBI lends; reverse repo: RBI borrows
9. CRR up means liquidity down; OMO = securities
10. Operation Twist: buy long, sell short

# Chapter 11

# Banking in India

*Built from 83 UPPSC questions (1992–2024). Focus: bank history and nationalisation, types of banks, development banks, financial inclusion, NPAs and safety, cooperative and rural banking, NABARD, RRBs.*

ASKED MOST · REVISE FIRST

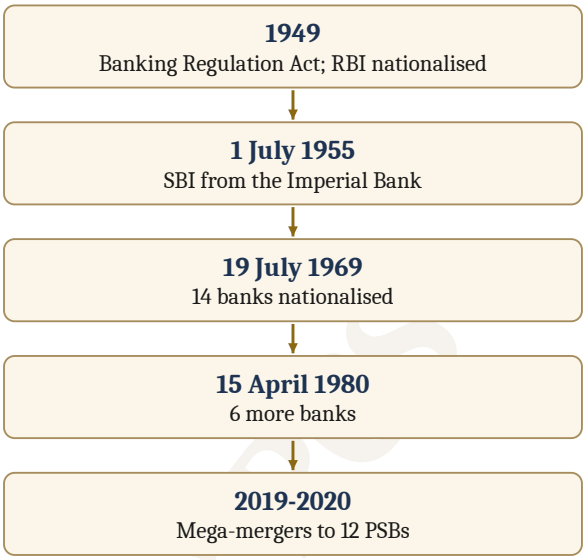

- **14 banks** nationalised in **July 1969**; 6 more on **15 April 1980** 5× 1996, 2004, 2006, 2007, 2014
- **NABARD**: **1982**; apex rural credit; runs **RIDF** 8× 2003, 2004, 2004, 2005, 2008, 2009, 2014, 2014
- **SBI** = largest commercial bank; first Indian bank in China 5× 2003, 2004, 2005, 2006, 2007
- **SIDBI**: small industry; HQ **Lucknow** 5× 2004, 2012, 2014, 2016, 2021
- **Land Development Bank** = long-term farm loans; part of the cooperative structure 4× 1992, 2008, 2008, 2016
- **Lead Bank Scheme** (December 1969) handles **district credit planning** 5× 2002, 2003, 2007, 2022, one-liner

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 11.1 History and Nationalisation

- **Allahabad Bank-1865, PNB-1894, Awadh Commercial-1881, Alliance Bank of Shimla-1874** 1× 2023
- Earliest event: **Banking Regulation Act** (1949) 1× 2016
- 14 banks nationalised: **July 1969** 4× 1996, 2006, 2007, 2014
- Gorwala committee led to SBI; 6 banks nationalised 15 April 1980 (both) 1× 2004
- Number of PSBs (2011): depends on IDBI count; **12** now (*) 1× 2011
- Bank mergers: scale, capital, reach, global size (all) 1× 2019
- **EASE Index**: measures **PSB performance** (only 1) 1× 2021

BANK NATIONALISATION AND MERGERS

## 11.2 Types of Banks

- Public sector bank: **Indian Overseas Bank** 1× 2006
- Private bank: **Bank of Punjab** 1× 2001
- Not nationalised: **ICICI Bank** 1× 2004
- Largest commercial bank: **SBI** 3× 2003, 2004, 2005
- "Farmers' clubs": **SBI** 2× 2008, 2010
- SBI chairman from April 2011: **Pratip Chaudhuri** 2× 2006, 2012
- "Simply Click" card: **SBI** 1× 2016
- First Indian bank branch in China: **SBI**; first private: **Axis Bank** 3× 2006, 2007, 2014
- First moving ATM: **ICICI** 1× 2014
- Merged with PNB: **New Bank of India** (1993; OBC in 2020) 1× 2010
- Long-term industrial finance: **all** listed 1× 1998
- **Indian Bank-public, ICICI-private, Citibank-foreign, Saraswat-cooperative** 1× 2016
- Foreign bank with most branches: **Standard Chartered** 1× 2008

## 11.3 Development Banks and Inclusion

- Order: **1st nationalisation, RRBs, 2nd nationalisation, NABARD** 1× 2023
- Order: **SBI, Lead Bank Scheme, RRBs, NABARD** 1× 2005
- **LBS**: **Lead Banking Scheme**; started **December 1969** 2× 2022, one-liner
- Lead bank functions by a **designated bank** 1× 2007

- District credit planning: **lead bank** 2× 2002, 2003
- Small-industry bank: **SIDBI**; HQ **Lucknow**; finances small industry 4× 2012, 2016, 2021, 2004
- Wrong: **SIDBI-Mumbai** (Lucknow) 1× 2014
- **ICICI-1955, IDBI-1964, IFCI-1948, SIDBI-1990** 1× 2010
- **IFCI**: a **development bank** 1× 2012
- Marketing institution (key): **SAIL** 1× 2002
- Not an apex institution: **SBI** 1× 2008
- Financial inclusion helped by **all** listed 1× 2008
- Not an inclusion aim: **shrinking banking infrastructure** 1× 2016
- Hindrances: **all** listed 1× 2013
- Inclusion steps: **nationalisation, RRBs, village adoption** (all) 1× 2024
- Financial inclusion committee (2005): **C. Rangarajan** 2× 2013, 2014
- Payment banks: **Nachiket Mor** 1× 2014
- **Shadow banking**: non-bank financial intermediaries 1× 2014
- Microfinance committee: **Y.H. Malegam** 2× 2010, 2014

| Institution | Year | HQ / role |
|---|---|---|
| IFCI | 1948 | First development bank |
| ICICI | 1955 | Industrial credit |
| IDBI | 1964 | Industrial finance |
| NABARD | 1982 | Rural credit (Mumbai) |
| EXIM Bank | 1982 | Trade finance |
| SIDBI | 1990 | MSMEs (Lucknow) |

## 11.4 Balance Sheets and Safety

- Bank asset: **credit to farmers** 1× 2007
- Largest liability: **time deposits** 2× 2008, 2009
- **NPA**: loans with unpaid interest or principal (90 days) 1× 2009
- Under RBI control (then): NABARD; now fully government-owned (*) 1× 1998
- **Basel II**: **capital adequacy** standards 1× 2005
- **DICGC**: RBI subsidiary; insures up to **Rs. 5 lakh** (both) 1× 2016

## 11.5 Cooperative and Rural Banking

- First Land Development Bank (1920): **Jhang** 1× 2016
- LDB: **long-term farm loans**; part of the **cooperative credit structure** 3× 1992, 2008, 2008
- Central Cooperative Bank: **district level** 2× 2004, 2008
- Urban cooperative banks (2012): 1,618 (no option, *) 1× 2012
- Consumer cooperative stores set up **by members** 1× 2016
- **NABARD**: **1982**; set up by an Act (true), only farm credit (false) (only 1) 3× 2003, 2014, one-liner
- NABARD refinances **agriculture and rural development**; apex farm-credit body 2× 2004, 2005
- NABARD does not refinance the **EXIM Bank** 1× 2002
- RIDF nodal agency: **NABARD** 4× 2004, 2008, 2009, 2014
- RRBs: **1975** 1× 2010
- Not an RRB function: **take over ARDC's work** 1× 2005
- Order: **RRB, NABARD, SHG linkage, KCC** 1× 2020
- Does not implement SHG linkage (it promotes it): **NABARD** 1× 2015
- **Narasimham**: **banking reforms** 1× 2008
- **Raghuram Rajan**: **financial sector reforms** 1× 2007
- **Bimal Jalan** panel: **new bank licences** 1× 2014
- First Disinvestment Commission chairman: **G.V. Ramakrishna** 1× 2004
- **Swabhimaan**: banks to the **rural poor's doorstep**; rural banking 2× 2010, 2012
- KCC covers **consumption and investment credit**; KCC from **1998-99** 2× 2010, 2014

| Tier | Level |
|---|---|
| State Cooperative Bank | State |
| Central Cooperative Bank | District |
| PACS | Village |
| Land Development Bank | Long-term (first at Jhang, 1920) |

## 11.6 Instruments

- **Negotiable Instruments Act**: **1882** 1× 2016
- IFSC set up at **Gandhinagar** (GIFT City) 1× 2016

QUANTUM IAS & PCS

- "Smart money": **credit card** 1× 2008
- "Plastic money": **bank credit cards** 1× 2006
- Not prepaid: **credit card** 1× 2014
- **PIN**: Personal Identification Number 1× 2023

TRAP ALERT

- **NPA** = overdue **90 days**.
- **DICGC** insures **Rs. 5 lakh** per depositor per bank.
- **SIDBI** HQ = Lucknow, not Mumbai.
- NABARD **promotes** SHG linkage; banks implement it.

UP LINK

UP links: **SIDBI** is headquartered in **Lucknow**; the first RRB group included **Prathama Bank, Moradabad** (1975); **Allahabad Bank** (1865, Prayagraj) merged into Indian Bank in 2020; UP's RRBs merged into one under "One State, One RRB".

LAST-MINUTE 10

1. Allahabad Bank **1865**; PNB 1894
2. Banking Regulation Act **1949**; SBI **1955**
3. 14 banks **19 July 1969**; 6 banks **1980**
4. Lead Bank Scheme **Dec 1969**
5. IFCI 1948; ICICI 1955; IDBI 1964
6. RRB 1975, NABARD 1982, SHG 1992, KCC 1998
7. SIDBI **1990**, Lucknow
8. Rangarajan = inclusion; Nachiket Mor = payment banks; Malegam = MFIs
9. NPA 90 days; DICGC Rs. 5 lakh; Basel = capital
10. First LDB **Jhang 1920**; District = Central Coop Bank

# Chapter 12

# Capital Market, Insurance and Market Basics

*Built from 48 UPPSC questions (1996–2025). Focus: IRDAI and insurance, SEBI and mutual funds, Sensex and indices, market terms, credit rating agencies, market basics.*

ASKED MOST · REVISE FIRST

- **Sensex** = **30** companies; **Greenex** = **25** 4× 2005, 2014, 2015, 2021
- **Gilt-edged** = government securities market 3× 2002, 2004, 2008
- **Insider trading** = share market offence 3× 2007, 2009, 2017
- **Broker** is not a speculator 2× 2004, 2017
- **IRDAI** regulates insurance; **SEBI** regulates mutual funds 4× 2002, 2005, 2007, 2013

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 12.1 Insurance and Savings

- Order: **LIC (1956), UTI (1964), IDBI (1964), SEBI (1988/92)** (no exact code, *) 1× 2004
- Insurance regulator: **IRDA**; IRDAI regulates **insurance companies** 3× 2002, 2005, 2007
- **Actuaries**: **insurance** 1× 2008
- Indemnity does not apply to **life insurance** 1× 2009
- Provident fund: **contractual savings** 1× 1998
- Lost most importance: **pension funds** (per key) 1× 2010

## 12.2 SEBI and Exchanges

- Mutual funds regulated by **SEBI** 1× 2013
- **SEBI Act**: **1992** 1× 2016
- Private mutual funds: **1993** 1× 2011
- UTI's aims: **all** listed 1× 2004
- NSE promoters: **all** listed (IDBI, SBI, LIC, GIC) 1× 2013
- Sensex: **30** blue-chip companies 2× 2005, 2021
- **BSE Greenex**: **25** companies 2× 2014, 2015

| Index | Market |
|---|---|
| Sensex (30) | BSE, Mumbai |
| Nifty 50 | NSE |
| Nikkei | Tokyo |
| Dow Jones, Nasdaq | New York |
| FTSE | London |
| Hang Seng | Hong Kong |
| Brent | Crude oil price |

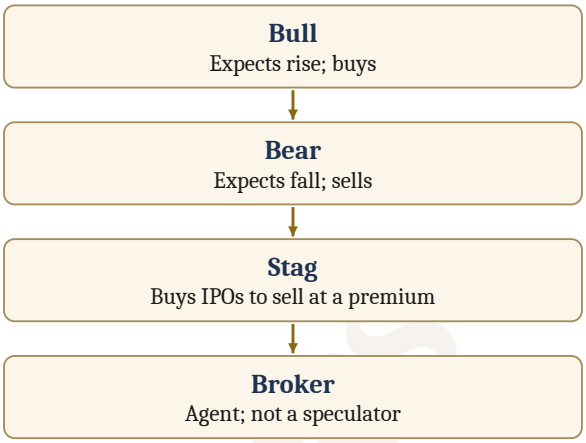

## 12.3 Market Terms

- **Dalal Street**: **Mumbai** 1× 2012
- **Bull and bear**: **share market** 1× 2002
- Not a speculator: **broker** 2× 2004, 2017
- **Insider trading**: share market 3× 2007, 2009, 2017
- Capital market: **share market** 1× 2008
- Not a money-market participant (key): **RBI** 1× 1999
- Commercial paper: credit for **corporates** 1× 2004
- **Blue chip**: shares with steady high returns 1× 2008
- **Gilt-edged**: **government securities** 3× 2002, 2004, 2008
- Irrelevant to share market: **SAPs** 1× 2005
- **Nikkei**: **Tokyo** share index 1× 2008
- **Brent**: **crude oil prices** 1× 2021
- Market cap above GDP (2007): India; varies now (*) 1× 2009
- Dividend declared on **subscribed capital** (per key) 1× 1996
- Different ownership: **debenture** (a loan, not ownership) 1× 2011

## 12.4 Credit Rating

- Indian rating agencies: **all** listed 1× 2008
- Order: **CRISIL (1987), ICRA (1991), CARE (1993)** 1× 2019
- CRISIL: rates **company creditworthiness** 1× 2008

MARKET PLAYERS

## 12.5 Market Basics

- Market tendency leads to **consumerism** 1× 2013
- **Buyer's market**: supply exceeds demand 1× 2010
- Vegetables: **very short-term** market 1× 2013
- Total product constant means marginal product **zero** 1× 2013
- Fixed demand, more supply: price **falls** 1× 2016
- Businessmen profit from price rise; buyers cut needs (both true, R not the explanation) 2× 2002, 2003
- Profit-volume ratio improved by **all** listed means 1× 2017
- **Shadow prices** for public goods: **J. Tinbergen** 1× 2010
- Can bargain below MRP (true); MRP must be charged (false) 1× 2025
- Trade covers **demand and supply** (only 1) 1× 2021
- **Merchandise turnover-COGS/average stock, current ratio-CA/CL, acid test-liquid assets/CL, capital employed ratio-NPBIT/total assets** 1× 2023
- A condition is essential (true); breach gives only damages (false, it allows repudiation) 1× 2023
- Commerce removes exchange hurdles and delivers goods (both) 1× 2021
- Accounting is the language of business; gives all needed information (R explains A) 1× 2023

QUANTUM IAS & PCS

TRAP ALERT

- Life insurance has **no indemnity**.
- **Sensex 30**; Greenex **25**; Nifty **50**.
- Order: **CRISIL, ICRA, CARE**.
- **Buyer's market** = supply > demand.

UP LINK

UP links: SEBI-registered investors are growing fastest in UP; **LIC** (1956) and the **UP State** insurance schemes like the **Mukhyamantri Krishak Durghatna Kalyan Yojana** sit alongside IRDAI rules.

LAST-MINUTE 10

1. LIC 1956; UTI 1964; SEBI 1988 (Act 1992)
2. IRDAI = insurance (Hyderabad)
3. No indemnity in life insurance
4. SEBI = mutual funds; private MFs 1993
5. Sensex 30; Greenex 25; Nikkei Tokyo; Brent oil
6. Bull buys; bear sells; broker not speculator
7. Gilt-edged = govt securities; CP = corporates
8. CRISIL 1987, ICRA 1991, CARE 1993
9. Buyer's market: supply > demand
10. Shadow prices: Tinbergen

# Chapter 13

# Human Development

*Built from 26 UPPSC questions (2001–2025). Focus: PQLI, HDI makers and indicators, India's HDI rank, Gross National Happiness, Kerala.*

ASKED MOST · REVISE FIRST

- **HDI**: built by **Mahbub ul Haq**, published by **UNDP** since **1990** **3×** 2006, 2018, 2025
- HDI uses **health, education, income**; not social inequality, environment, urbanisation, nutrition **6×** 2004, 2008, 2009, 2013, 2020, 2024
- **Gross National Happiness**: **Bhutan** **4×** 2001, 2002, 2003, 2009
- **Kerala** = highest HDI among States **3×** 2005, 2008, 2011

■ asked 3 or more times • asked once or twice **4×** times asked, followed by the exam years

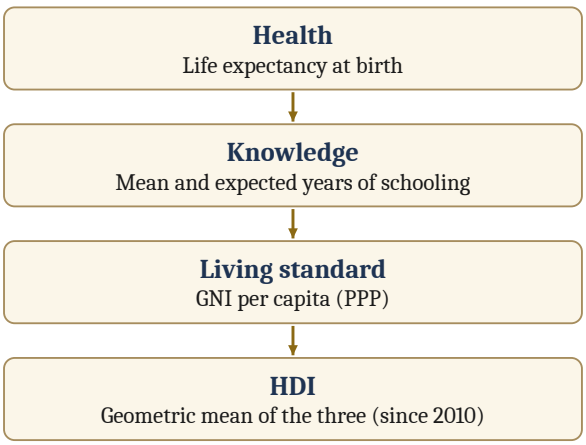

## 13.1 Ideas of Development

- Three stages of social development: **Auguste Comte** **1×** 2021
- Physical quality of life: **infant mortality and literacy** **1×** 2004
- **PQLI**: **Morris D. Morris** **1×** 2019
- First to stress the human side of development: **UNDP** **1×** 2013

## 13.2 The HDI

- Developed by **Mahbub ul Haq**; first by **UNDP** **2×** 2006, 2018
- First HDR 1990 with HDI (true); led by Haq and Priesner (false) (only 1) **1×** 2025
- Life expectancy goalposts: 85 and 25 then; **85 and 20** now (*) **1×** 2006
- Not in HDI (2004): social inequality; adult literacy also dropped since 2010 (*) **1×** 2004
- Not used: **social inequality** **1×** 2020
- HDI indicators: **income, education, life expectancy** (1, 2, 4) **1×** 2024
- Not a constituent: **health and nutrition** **2×** 2008, 2009
- Not in 1990 HDI: **urbanisation** **1×** 2013
- HDI and SDG ranks of States go together; SDGs stress health and education (R explains A) **2×** 2019, 2024

HOW HDI IS BUILT

## 13.3 India and the World

- HDI order (HDR 2021-22): **Hong Kong, Australia, Japan, Russia** (*) 1× 2022
- India 130 (2020) to 132 (2021): neither "upgraded" nor "slipped" wording correct per key 1× 2023
- India's 2014 rank: mixed years (135/130) (*) 3× 2001, 2004, 2015
- Better HDI from **more schooling and adult literacy** (3 and 4) 1× 2004
- "Jobless, rootless, ruthless, voiceless, futureless" growth: **UNDP** 1× 2015
- **Gross National Happiness**: **Bhutan** 4× 2001, 2002, 2003, 2009

| HDR | India's rank |
|---|---|
| 2021-22 | 132 of 191 |
| 2023-24 | 134 (revised 133) |
| 2025 (2023 data) | 130 of 193 |

## 13.4 States

- Highest HDI (2001): **Kerala** 2× 2005, 2008
- Order (2001): **Kerala, Punjab, UP, Bihar** 1× 2005
- Kerala first in HDI; highest unemployment (both true, R not the explanation) 1× 2011
- Highest HDI in 2008 (per key): **Uttar Pradesh** 1× 2013

TRAP ALERT

- **PQLI** = Morris D. Morris; **HDI** = Mahbub ul Haq.
- HDI never includes **inequality, environment, urbanisation**.
- **GNH** = Bhutan.

UP LINK

UP ranks low on HDI among States (below the national average) despite the 2013 key; it scores better on the SDG Index (Front Runner, 2023-24).

LAST-MINUTE 10

1. Comte = three stages
2. PQLI = Morris D. Morris (IMR, literacy, life at 1)
3. HDI = Mahbub ul Haq, UNDP, 1990
4. Health, education, income only
5. Geometric mean since 2010; goalposts 20-85
6. India 130th (HDR 2025)
7. UNDP = jobless, ruthless growth critique
8. GNH = Bhutan
9. Kerala tops States
10. HDI ties with SDG ranks

# Chapter 14

# Welfare Schemes I: Health, Education, Women and Social Security

*Built from 93 UPPSC questions (1992–2025). Focus: health missions and launch years, ICDS, skills, women's schemes, insurance and pensions, education schemes, Aadhaar and welfare bodies.*

ASKED MOST · REVISE FIRST

- **NRHM**: **12 April 2005** (Tenth Plan); village worker **ASHA** 6× 2005, 2006, 2008, 2010, 2013, 2017
- **Mid-day Meal**: **1995**, for universal primary education; renamed **PM POSHAN** (2021) 5× 2006, 2008, 2010, 2016, 2023
- **Sarva Shiksha Abhiyan**: **2001**, ages **6-14** 5× 2006, 2008, 2014, 2015, 2016
- **Aadhaar**: identity for residents; first Aadhaar village **Tembhli** 6× 2008, 2008, 2009, 2009, 2010, 2011
- **Swadhar** = women in difficult circumstances 2× 2010, 2013
- Launch years: **ICDS 1975, blindness 1976, leprosy 1983, NRHM 2005; OBB 1987, NLM 1988, SSA 2001, Saakshar Bharat 2009** 3× 2013, 2014, 2019

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 14.1 Health and Nutrition

- **Ayushman Bharat**: Rs. 5 lakh per **family** (not person); Centre-State **60:40** (only 2) 1× 2020
- **RSBY** (2008 Act): **unorganised sector workers** 1× 2017
- **NRHM**: **12 April 2005**; not launched in the 11th Plan; **Tenth Plan** 5× 2005, 2006, 2008, 2010, 2013
- NRHM village worker: **ASHA** 1× 2017
- National Health Policy: **1983** 1× 1993
- Public health spend 2009-10: **1.09%** of GDP 1× 2013
- NFHS-3: private sector primary for **70% of urban** households 1× 2017
- Life expectancy 2006-10: **males 65.8, females 68.1** 1× 2008
- **Shabri Sankalp Abhiyan**: **National Nutrition Mission** 1× 2021
- Not under ICDS: **family planning**; **free books and uniforms** 2× 2020, 2017
- **Blindness control-1976, ICDS-1975, leprosy eradication-1983, NRHM-2005** 1× 2019
- **PM Jan Arogya-2018, PM Vaya Vandana-2017, PM Rojgar Protsahan-2015 (key), Swachh Bharat-2014** 1× 2020
- **PM Garib Kalyan Package-2020, Muskaan-2021, Mission Indradhanush-2014, PM-JAY-2018** 1× 2023

## 14.2 Skills and Innovation

- Skill schemes: **STRIVE, SANKALP, SHREYAS** (not STRIDE) 1× 2021
- Skill Development Initiative: **May 2007** 1× 2010
- Skill India launched **July 2015** (true); only IT training (false) (only 1) 1× 2020
- Skill India International Centres (Budget 2023-24): **30** 1× 2023
- Biggest Global Skill Park: **Bhopal** 1× 2017
- World Youth Skills Day 2021 theme: **Reimagining Youth Skills Post-Pandemic** 1× 2021
- **DHRUV** (10 Oct 2019): talented children 1× 2019
- **Atal Innovation Mission**: **NITI Aayog** 1× 2020
- **NIDHI**: student start-ups; supports 20 students a year (both) 1× 2020

## 14.3 Women and Girls

- **Beti Bachao Beti Padhao**: **January 2015** 1× 2015
- **Bhagyashree**: **Maharashtra** 1× 2014
- **Swavalambini**: **Ministry of Skill Development** (only 1) 1× 2025
- **Swawlamban**: **skills and training for women** (per key); launched **2010** 2× 2006, 2016
- **Swadhar**: **women in difficult circumstances** 2× 2010, 2013
- SHG loans (2013): **7%** 1× 2013
- Wrong: **Mahila Samakhya-1989** (it was 1988-89) 1× 2021
- **Mahila Samriddhi Yojana**: **1993** 1× 2015
- **Janani Suraksha** replaced the **National Maternity Benefit Scheme** 1× 2005
- JSY aim: cut **maternal and neonatal mortality** 1× 2023
- Free care for pregnant women and infants (June 2011): **Janani Shishu Suraksha Karyakram** 2× 2010, 2011
- Not a women's income programme: **Integrated Rural Energy Programme** 1× 2013
- **ABC index**: **health** 2× 2014, 2018

## 14.4 Social Security

- NPS for traders: turnover **up to Rs. 1.5 crore** 1× 2020
- **Ashraya Bima**: workers who **lost jobs** 1× 2001
- **Aam Aadmi Bima**: **rural landless BPL labour**; launched **2 October 2007** 2× 2008, 2013
- Unorganised Workers' Social Security Act: **2008** 2× 2012, 2015
- Not social security: **SJSRY** 1× 2013
- Not a social-protection measure: **skill development** 1× 2009
- Not true of PMSBY: age 18-50 (it is **18-70**); premium now Rs. 20 1× 2015
- Not an employment programme: **NSSF** 1× 2014
- **AABY-2007, PM Aatmanirbhar Swasth Bharat-2021, PM-JAY-2018, PMSBY-2016 (key; launched 2015)** 1× 2021
- **Shram Yogi Maan-dhan-Rs. 55-200/month, PMJJBY-Rs. 436/year, PMSBY-Rs. 20/year, Atal**

QUANTUM IAS & PCS

**Pension-beneficiary's choice** 1× 2024

- NSAP does not include **Mahila Kisan Sashaktikaran Pariyojana** 1× 2019
- Minimum Needs Programme: **investment in human resources** 1× 2004
- Not under MNP: **social forestry** 1× 2013
- Not reducing inequality: **liberalisation** 2× 2006, 2009
- **NSAP**: **old-age pension** for the very poor 1× 2008

| Insurance / pension | Premium | Cover |
|---|---|---|
| PMJJBY (2015) | Rs. 436/year | Life Rs. 2 lakh, 18-50 |
| PMSBY (2015) | Rs. 20/year | Accident Rs. 2 lakh, 18-70 |
| Atal Pension (2015) | By age and pension | Rs. 1,000-5,000 |
| PM-SYM (2019) | Rs. 55-200/month | Rs. 3,000 pension at 60 |
| PM-JAY (2018) | Free | Rs. 5 lakh per family |

## 14.5 Education

- **Kasturba Gandhi Balika Vidyalaya**: **2004** 1× 2016
- **SSA**: **2001**; ages **6-14** 5× 2014, 2006, 2008, 2015, 2016
- **Saakshar Bharat**: **female literacy** 1× 2015
- RTE: free education up to **elementary level** 1× 2015
- Not a social programme: **Look East Policy** 1× 2015
- Mid-day Meal (1995) for **universal primary education**; started **1995** 3× 2008, 2006, 2016
- Renamed **PM POSHAN** in **2021** 1× 2023
- Run by the **Ministry of HRD** (Education) 1× 2010
- Does not run mid-day meals: **contractor** 1× 2013
- **Akshaya Patra**: **mid-day meals** 1× 2015
- UP "Go to School" campaign: **2000** 1× 2012
- **Kalp Yojana**: **primary education** 2× 2001, 2010
- UP **Shiksha Mitra**: village youth teach (true); teacher-pupil norms (true, not the explanation) 1× 2012
- **DPEP**: **1994** 1× 2004
- **Prarambhik Shiksha Kosh**: receives the **education cess** 1× 2005
- **Operation Blackboard**: **primary education** 1× 1993
- IEDSS (2009-10) under **RMSA** 1× 2016
- **SSA-2001, Saakshar Bharat-2009, Operation Blackboard-1987, NLM-1988** 2× 2013, 2014
- **Roshni**: skills for **tribal youth** 1× 2013
- **Nalanda Project**: **Ministry of Minority Affairs** 2× 2014, 2015

EDUCATION SCHEMES IN ORDER

## 14.6 Other Bodies

- **Bonded Labour (Abolition) Act**: **1975** (Ordinance; Act 1976) 1× 2002
- **National Children's Fund**: **1979** 1× 1993
- **CAPART**: helps and evaluates rural welfare schemes; under **Rural Development Ministry** 2× 1997, 2006
- **Aadhaar**: identity for residents; 12-digit number brand 3× 2008, 2009, 2009
- **Tembhli**: first Aadhaar village 3× 2008, 2010, 2011
- **PURA**: **A.P.J. Abdul Kalam** 1× 2014
- PM's Shram Awards: **PSU and selected private-unit employees** 1× 2013
- National Handicapped Finance Corporation: **Social Justice Ministry** 1× 2015

- First open university: **Andhra Pradesh** (1982) 1× 1992
- **Tarun Bharat Sangh**: **Rajasthan** 1× 2003

TRAP ALERT

- PM-JAY = **Rs. 5 lakh per family**, not per person.
- **STRIDE** is a UGC research scheme, not skills.
- **ICDS** has no family planning or free books.
- Mid-day Meal = **PM POSHAN** since 2021.

UP LINK

UP schemes asked: **Shiksha Mitra** (village youth as teachers), **School Chalo / Go to School** campaign (2000), **Kalp Yojana**; UP is the biggest user of PM-JAY and mid-day meals by numbers.

LAST-MINUTE 10

1. NRHM **12 Apr 2005**; ASHA; NHP 1983
2. ICDS 1975; Indradhanush 2014; POSHAN Abhiyaan 2018
3. PM-JAY 2018: Rs. 5 lakh per family, 60:40
4. Skill India **15 July 2015**; Global Skill Park Bhopal
5. BBBP **Jan 2015**; Swadhar = women in difficulty
6. JSY replaced Maternity Benefit Scheme; JSSK 2011
7. PMSBY Rs. 20; PMJJBY Rs. 436; AABY 2007
8. Mid-day Meal 1995 to PM POSHAN 2021
9. SSA 2001 (6-14); RTE 2009; Saakshar Bharat = women
10. Aadhaar village Tembhli; PURA = Kalam

# Chapter 15

# Welfare Schemes II: Rural Development, Employment and Basic Services

*Built from 65 UPPSC questions (2001–2025). Focus: early rural programmes, the order of employment schemes, MGNREGA, Jan Dhan and energy schemes, sanitation, housing and urban missions.*

ASKED MOST · REVISE FIRST

- **SGSY**: **1999**; did not include JRY; became **NRLM** (2011) 7× 2001, 2002, 2002, 2003, 2004, 2006, one-liner
- **MGNREGA**: **100 days** a year per household; 200 districts first, whole country **1 April 2008** 5× 2005, 2006, 2006, 2008, 2008
- **Sangam Yojana** = welfare of the **disabled** 4× 2004, 2006, 2008, 2021
- Scheme-year matching: **JRY 1989, EAS 1993, SGSY 1999, PMGY 2000, SGRY 2001, KSSY 2001, NRHM 2005, NSAP 1995, SJSRY 1997** 3× 2002, 2016, 2022
- **Swachh Bharat (Gramin)**: **October 2014**, target **2019** 3× 2014, 2015, 2017

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 15.1 Early Rural Development

- **Etawah Pilot Project**: **Albert Mayer**; started **1948** 3× 2016, 2023, 2013
- Order: **Key Village Scheme, CDP, democratic decentralisation, DRDA** 1× 2021
- **CDP**: **2 October 1952**; architect **S.K. Dey** 2× 2011, 2014
- Order: **CDP, Drought Prone Area Programme, Food for Work, TRYSEM** 1× 2025
- **TRYSEM**: **rural development** programme 1× 2014
- Order: **IRDP, NREP, DWCRA, JRY** 1× 2025
- Wrong: **JRY-April 1995** (JRY began **1989**) 1× 2005
- Not in SGSY: **JRY** 3× 2001, 2002, 2003

- SGSY: **1999**; became **NRLM** (June 2011) 4× 2002, 2004, 2006, one-liner
- Two wrong pairs: Bharat Nirman (infrastructure), SJSRY (urban) (*) 1× 2015
- Order: **PM Rozgar Yojana (1993), REGP (1995), PMGY (2000), VAMBAY (2001)** 1× 2024
- Order: **IRDP, SGSY, NREGA, Jan Dhan** 1× 2024
- **Krishi Shramik Samajik Suraksha-2001, SGSY-1999, EAS-1993, PM Gramodaya-2000** 1× 2002
- **SGSY-1999, SJSRY-1997, JRY-1989, NRHM-2005** 1× 2016
- **NRHM-2005, NSAP-1995, SGSY-1999, SGRY-2001** 1× 2022
- Wrong: **MGNREGA-2003** (Act 2005, scheme 2006) 1× 2015
- Not employment-related: **RMSA** 1× 2015

RURAL EMPLOYMENT SCHEMES IN ORDER

## 15.2 MGNREGA

- Extended (2007-08) to **330 districts** 1× 2008
- First in **200 districts** 1× 2006
- Whole country from **1 April 2008** 1× 2006
- Guarantee: **100 days** a year 2× 2005, 2008
- Budget 2020-21 cut: **Ayushman** (per key) 1× 2016
- Budget 2023-24 statements on MGNREGA and JJM: **neither** correct 1× 2023
- NREGA does not guarantee 100 days to **every adult member** (it is per household) 1× 2008
- MGNREGA gains: **more purchasing power, less migration** (1 and 3) 1× 2015

## 15.3 Inclusion and Energy

- **Aspirational Districts Programme**: **January 2018** 1× 2021
- **Saubhagya**: **free electricity** connections for poor households 1× 2017
- **PM Jan Dhan**: **28 August 2014** 1× 2015
- Order: Jan Dhan, Make in India, Sukanya, Atal Pension (no code, *) 1× 2017
- Order: **Jan Dhan, Digital Gender Atlas, Mudra, PMSBY** 1× 2017
- Guinness-record DBT: **PAHAL** 1× 2019
- **Ujjwala** launched at **Ballia** (UP), 1 May 2016 1× 2016
- DDU Gram Jyoti: rural electricity (no single option, *) 1× 2015
- **RIDF**: under **NABARD**; administered by NABARD 2× 2014, 2013
- Not under RIDF: **rural industries** 2× 2010, 2013

## 15.4 Water and Sanitation

- National Rural Drinking Water Programme: part of **Bharat Nirman** 1× 2015
- **Jal Jeevan Mission**: Budget **2019-20** 1× 2022
- **PMAY-G-November 2016, JJM-August 2019, SBM-G-October 2014, Ujjwala-May 2016** 1× 2024
- Order: **Swachh Bharat, PMKVY, PM Garib Kalyan, Mahila Shakti Kendra** 1× 2024
- Wrong: **Swachh Bharat-safe drinking water** (it is sanitation) 1× 2017
- Clean India target: **2019** 1× 2014
- SBM (Grameen): **October 2014** 1× 2015
- Rural Sanitation Strategy: **2019-2029** 1× 2019
- SBM is about community behaviour; open defecation tied to routine (both) 1× 2019
- Not in the top three (Swachh Survekshan 2021): **Tirupati** (Indore, Surat, Vijayawada were) 1× 2021
- UP in Swachh Survekshan 2021: **sixth** 1× 2021
- People did not see open defecation as a threat; purity norms kept toilets out (both true, R not the explanation) 1× 2019

QUANTUM IAS & PCS

- Nirmal Bharat Abhiyan: none of the options (key) 1× 2012
- Nirmal Gram Puraskar: **sanitation** (ODF villages) 1× 2008
- Toilet revolution: **subsidy and loans for flush toilets** 1× 2001
- ILCS: shared funding; **75% central subsidy** (I and II) 1× 2016

| Scheme | Launch |
|---|---|
| Swachh Bharat | 2 Oct 2014 |
| PM Jan Dhan | 28 Aug 2014 |
| PMAY (Urban) / AMRUT | 25 June 2015 |
| Ujjwala | 1 May 2016 (Ballia) |
| PMAY (Gramin) | 20 Nov 2016 (Agra) |
| Saubhagya | Sept 2017 |
| Jal Jeevan Mission | Aug 2019 |

## 15.5 Housing and Urban Missions

- Wrong: **Rurban Mission-2015** (it began **2016**) 1× 2023
- AMRUT: covers about **60%** of urban people (true); 400 cities (false, **500**) (only 2) 1× 2016
- Order: **JNNURM (2005), Urban Housing Policy (2007), AMRUT (2015), JJM (2019)** 1× 2025
- **Sugamya Bharat**: **persons with disabilities** 1× 2021
- **Sangam Yojana**: **welfare of the handicapped** 4× 2004, 2006, 2008, 2021
- **Sankalp**: **HIV/AIDS** 2× 2008, 2012
- **PM Gramodaya**: rural infrastructure (schools, health, roads, housing, water) 2× 2004, 2013
- **AMRUT**: **urban infrastructure** 2× 2015, 2016
- PMAY span: Housing for All by 2022, since extended to 2029 (*) 1× 2016
- **Rajiv Awas Yojana**: **slum-free India** 1× 2010

**TRAP ALERT**

- NREGA guarantee is per **household**, not per adult.
- **Swachh Bharat** = sanitation, not drinking water.
- **AMRUT** = **500** cities.
- **Ujjwala** began at **Ballia**, UP.

**UP LINK**

UP links: the **Etawah Pilot Project** (1948) was the seed of community development; **Ujjwala** began at **Ballia** (2016) and **PMAY-Gramin** at **Agra** (2016); UP ranked **sixth** in Swachh Survekshan 2021.

**LAST-MINUTE 10**

1. Etawah 1948 = Albert Mayer; CDP 2 Oct 1952 = S.K. Dey
2. TRYSEM 1979; IRDP 1978-80; JRY 1989; EAS 1993
3. SGSY 1999 (not JRY) to NRLM 2011
4. NREGA: 200 districts (2006) to all India 1 Apr 2008; 100 days/household
5. Jan Dhan **28 Aug 2014**; PAHAL = Guinness DBT
6. Ujjwala Ballia 2016; Saubhagya = electricity
7. RIDF = NABARD; JJM 2019
8. SBM Oct 2014, target 2019; strategy 2019-29
9. AMRUT 500 cities; Rurban 2016; RAY = slum-free
10. Sangam & Sugamya = disabled; Sankalp = HIV

# Chapter 16

# Poverty and Unemployment

*Built from 62 UPPSC questions (1997–2025). Focus: poverty-line committees and calorie norms, state-wise poverty, the MPI, disguised unemployment and NSSO measures.*

ASKED MOST · REVISE FIRST

- Poverty line rests on **household consumption expenditure**; calorie norm **2,400 rural, 2,100 urban** 6× 2001, 2008, 2008, 2009, 2013, 2020
- **Committees**: **Alagh** (calories only), **Lakdawala** (official line then), **Tendulkar** (**37.2%**), **Hashim** (urban BPL); order **Dandekar-Rath, Lakdawala, Tendulkar, Rangarajan** 7× 2012, 2013, 2013, 2013, 2018, 2020, 2025
- **MPI**: **OPHI + UNDP**, 2010, replaced **HPI** (1997); **10 indicators** in health, education, living standard 7× 2004, 2010, 2015, 2019, 2020, 2024, 2025
- **Disguised unemployment**: more workers than needed; **agriculture, rural areas** 6× 2004, 2004, 2006, 2008, 2010, 2017
- State poverty: **Odisha** highest (1999-2000); **UP** most poor (2011-12); **MP** = "Ethiopia of India" 7× 2002, 2003, 2005, 2010, 2010, 2014, 2014

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 16.1 What Poverty Is

- Day for the Eradication of Poverty theme 2022-23: **"Dignity for all in practice"** 1× 2023
- Types of poverty: **absolute, relative, subjective** (not "functional") 1× 2023
- UN defined **absolute poverty** in **1995** (Copenhagen Summit) 1× 2017
- Poverty line differs across time and countries because basic needs vary (A and R true, R explains A) 1× 2025
- Not a social indicator of poverty: **size of the house** 1× 2025
- "The Challenge of World Poverty": **Gunnar Myrdal** 1× 2023

## 16.2 The Poverty Line

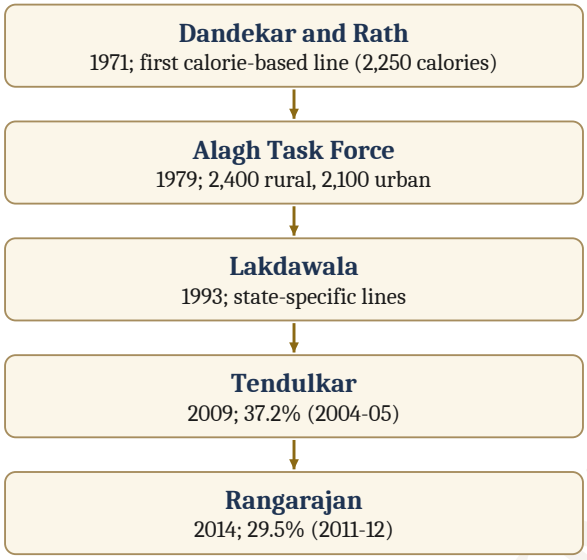

- Methods used: **head count ratio, calorie intake, household consumption expenditure** (not per capita income) 1× 2020
- Poverty level is fixed on **household consumption expenditure** 2× 2009, 2013
- Defined in terms of **calorie intake** 1× 2008
- Line based only on nutrition: **Alagh** Committee (1979) 1× 2020
- Calories: **2,100 urban** and **2,400 rural** per person a day 2× 2001, 2008
- New BPL standards committee: **Suresh Tendulkar** 1× 2013
- Tendulkar estimate: **37.2%** below the line (2004-05) 2× 2012, 2013
- Lines used for estimates (then): **Lakdawala** Committee 1× 2013
- Urban BPL identification: **S.R. Hashim** Committee 1× 2018
- Order: **Dandekar-Rath, Lakdawala, Tendulkar, Rangarajan** 1× 2025
- Fixes the poverty line: **Planning Commission** (now **NITI Aayog**); NITI is the nodal agency 2× 2014, 2018
- **Lorenz curve** measures **income inequality** 1× 2018
- **Cultural poverty**: **Oscar Lewis**; **vicious circle of poverty**: **Nurkse** 2× 2020, 2014
- BPL people as an identified group helps **targeting** (A and R true, R explains A) 1× 1998
- Rich and poor both malnourished: wrong diet and poor diet (A and R true, R explains A) 1× 2010
- Poverty in 2009-10 (Planning Commission, April 2011): **30%** (29.8%) 1× 2011
- 11th Plan aim: cut the poverty ratio by **10 percentage points** by 2012 1× 2013

| Committee | Year | Basis | Estimate |
|---|---|---|---|
| Task Force (Y.K. Alagh) | 1979 | Calories only: 2,400 rural, 2,100 urban | - |
| Lakdawala | 1993 | Calorie line with state prices | 36% (1993-94) |

QUANTUM IAS & PCS

| Committee | Year | Basis | Estimate |
|---|---|---|---|
| Tendulkar | 2009 | Consumption basket incl. health, education | 37.2% (2004-05); 21.9% (2011-12) |
| Rangarajan | 2014 | Food and non-food; Rs 32 rural, Rs 47 urban a day | 29.5% (2011-12) |
| S.R. Hashim | 2012 | Identifying urban BPL families | - |

POVERTY COMMITTEES IN ORDER

## 16.3 Poverty Across States and Hunger

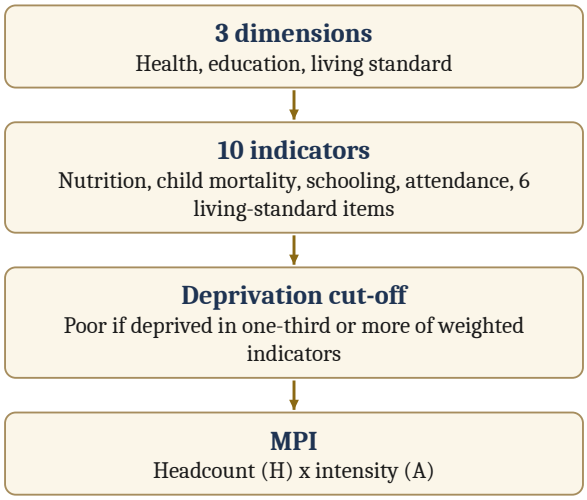

- India's **Global Hunger Index 2017** rank: **100th** (of 119) 1× 2019
- Highest share of poor (NCAER survey): **Bihar** 1× 2009
- Bihar is backward; regional disparity is true but not the reason (A and R true, R does not explain A) 1× 2015
- Highest share of poor (Planning Commission, 1999-2000): **Odisha** 4× 2002, 2003, 2005, 2014
- Largest **number** of poor (2011-12): **Uttar Pradesh** 1× 2014
- Least share of poor: **Himachal Pradesh** (2011), **Goa** (2010), **Kerala** (2004, 2010), per the options given 4× 2004, 2010, 2010, 2011
- **Madhya Pradesh** = **"Ethiopia of India"** for malnutrition and infant deaths (A and R true, R explains A) 2× 2010, 2010
- No clear picture of poverty extent; strategy shifts are true but not the reason (A and R true, R does not explain A) 1× 1997
- PDS: aim was **subsidised essentials** and it began as **price support** (1 and 2); food subsidy is paid by the **Centre** 1× 2013
- Rural poverty programmes: **all of the above** 1× 2010

| State fact | Answer |
|---|---|
| Highest ratio, 1999-2000 | Odisha (about 47%) |
| Highest ratio, 2011-12 (Tendulkar) | Chhattisgarh (39.9%) |
| Largest number of poor, 2011-12 | Uttar Pradesh (about 6 crore) |
| Lowest ratios | Goa, Kerala, Himachal Pradesh |
| "Ethiopia of India" | Madhya Pradesh |
| Global Hunger Index | 100th of 119 (2017); 105th of 127 (2024) |

## 16.4 Multidimensional Poverty

- UNDP poverty categories: **both** income poverty and human poverty 1× 2022
- **Human Poverty Index**: HDR **1997**; replaced by **MPI** in **2010** 2× 2004, 2020
- Global MPI report: **OPHI and UNDP** (3 and 4) 1× 2024
- MPI in the HDR every year since **2010** is correct; it does not measure only BPL people (only 1) 1× 2025
- MPI has **10 indicators** 1× 2010
- MPI dimensions: **health, education, living standard** 1× 2019
- Best index for the **intensity** of poverty: **MPI** 1× 2015
- India's MPI-poor share (HDR 2013): **53.7%** 1× 2014
- Not a cause of poverty: **rising rate of investment** 1× 2013
- Not a social indicator of poverty: **fewer means of transport** 1× 2017
- Indian social structure: **(i), (ii), (iii)**; poverty is not a structural feature 1× 2014

HOW THE MPI IS BUILT

## 16.5 Unemployment

- Educated unemployment rises with fast growth when professional education is lacking (A and R true, R explains A, per key) 2× 2005, 2006
- Urban poverty is rooted in rural areas; low rural education (A and R true, R explains A) 1× 2013
- **Disguised unemployment**: more people on a job than needed 3× 2004, 2008, 2010
- Found mainly in the **primary (agricultural)** sector, in **rural** areas (I and II) 3× 2004, 2006, 2017
- Unemployed for the major part of the year: **usual status** unemployment 1× 2019
- Not an NSSO measure: **current monthly status** 2× 2005, 2016
- Unemployment data collected and published by **NSSO** 1× 2014
- Not a cause of unemployment: **growth of per capita income** 1× 2014
- Rate between Jul-Sep 2019 and Jul-Sep 2022: key says **increased**; PLFS urban data show about 8% to about 7%, so treat with care (*) 1× 2024

| Measure (NSSO / PLFS) | Reference period |
|---|---|
| Usual Principal Status | Major part of the year (365 days); chronic unemployment |
| Current Weekly Status | The week before the survey |
| Current Daily Status | Each day of the week; best for underemployment |
| PLFS | Since 2017-18; monthly estimates since 2025 |

TRAP ALERT

- Calories: **2,400 rural, 2,100 urban** (not the reverse). Poverty line = **consumption**, not income.
- **Odisha** = highest ratio (1999-2000); **UP** = most poor in number; **MP** = "Ethiopia of India".
- MPI = **OPHI + UNDP**, not World Bank; **10** indicators; replaced HPI in **2010**.
- NSSO has no "current monthly status"; disguised unemployment = **rural agriculture**, not urban manufacturing.

UP LINK

UP link: UP had the **largest number of poor** in 2011-12 (about 6 crore); in NITI Aayog's national MPI, UP saw the **largest fall**, with about **5.94 crore** people leaving multidimensional poverty (2013-14 to 2022-23).

LAST-MINUTE 10

1. Poverty line = **consumption expenditure**; 2,400 rural, 2,100 urban
2. Alagh = calories only; **Tendulkar 37.2%**; Hashim = urban BPL
3. Order: Dandekar-Rath, Lakdawala, Tendulkar, Rangarajan
4. Absolute poverty defined **1995**; Myrdal = Challenge of World Poverty
5. Lorenz = inequality; **Oscar Lewis** = culture of poverty; **Nurkse** = vicious circle
6. **Odisha** highest (1999-2000); **UP** most poor; **MP** = Ethiopia of India
7. GHI 2017 = **100th**
8. HPI **1997** to MPI **2010**; OPHI + UNDP; **10 indicators**
9. Disguised = agriculture, rural; UPS = major part of the year
10. No "current monthly status" in NSSO

# Chapter 17

# India's Foreign Trade

*Built from 51 UPPSC questions (1994–2023). Focus: trade size and share, trading partners, balance of trade versus balance of payments, top imports and exports.*

ASKED MOST · REVISE FIRST

- **Trading partners**: **USA** = top export market and largest surplus; **China** = largest import source; **UAE** led exports in 2009-10 **6×** 2007, 2010, 2010, 2010, 2013, 2021
- **Asia (and ASEAN)** = largest trade region and over half of imports **3×** 2006, 2009, 2010
- **Petroleum and crude oil** = biggest import; with **capital goods** the top two **4×** 1995, 2004, 2004, 2008
- **Engineering goods** = largest export group now **2×** 2017, 2023
- **Balance of trade** = **goods** only; BoP = all transactions with the rest of the world **5×** 1994, 2009, 2012, 2016, 2017

■ asked 3 or more times • asked once or twice **4×** times asked, followed by the exam years

## 17.1 Size of India's Trade

- Commerce Department's vision: a major world-trade player by **2020** **2×** 2014, 2017
- Total trade 2011-12: far above every option (*); about Rs 38 lakh crore **2×** 2014, 2015
- Trade-GDP ratio statements: none exactly right (*) **1×** 2016
- Merchandise trade-GDP: **29.5% (2004-05) to 40.6% (2012-13)** **1×** 2014
- Goods trade-GDP: 14.2% (1990-91) to **almost three times** by 2011-12 **1×** 2013
- Goods and services exports: about **22%** of GDP (2010-11) **1×** 2010
- India's share of world exports: 1.85% (1950), about 0.6% in 1998 (*); about **1.8%** now **1×** 1998
- Largest share of world trade: **China** now (USA when asked) **1×** 2013

| Trade fact (latest) | Figure |
|---|---|
| Share of world goods exports | About 1.8% |
| Share of world services exports | About 4.3% |
| Top goods exporter | China |
| Total exports 2024-25 | About US$ 825 billion (goods + services) |
| FTP 2023 target | US$ 2 trillion exports by 2030 |

## 17.2 Trading Partners

- Largest trade region (2008-09): **Asia and ASEAN** **1×** 2009
- Largest share of imports (2009-10): **Asia and ASEAN** **1×** 2010
- More than 50% of imports from **Asian** countries **1×** 2006
- Largest import group when asked: **OPEC** (oil); top single sources now China, Russia, UAE, USA **1×** 2001
- Top two partners in 2011: **China and UAE** **1×** 2013
- Largest trading partner: **USA** **1×** 2007
- Largest trade surplus (2019-20): **USA**; surplus on current account with **USA** **2×** 2004, 2021
- Largest import source by value: **China** **1×** 2010
- Largest export market: **USA** now (UAE in 2009-10) **2×** 2010, 2010
- USA's share of India's exports: about **20%** **1×** 2002

| Partner (2024-25) | Fact |
|---|---|
| USA | Largest export market; largest trade surplus |
| China | Largest import source; largest trade deficit |
| UAE | 2nd export market; 3rd import source |
| Russia | 2nd import source (crude since 2022) |

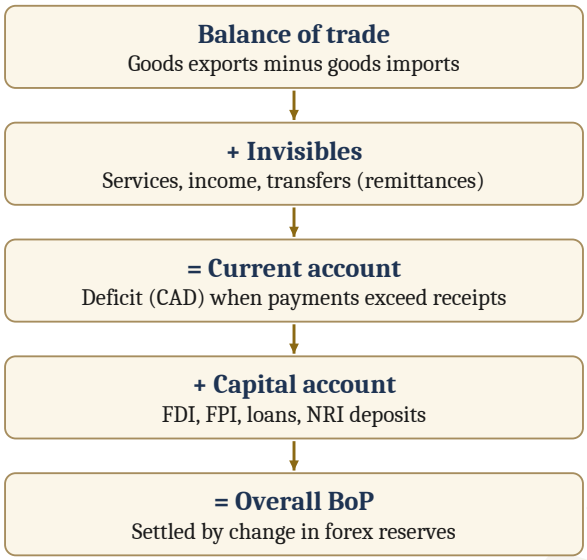

## 17.3 Balance of Trade and Payments

- Trade deficit peaked 2012-13, then fell as POL and non-POL deficits fell (A and R true, R explains A) **1×** 2017
- Balance of trade includes **goods** **1×** 2016
- Net exports = **exports minus imports** **1×** 2017

QUANTUM IAS & PCS

- Balance of payments relates to **exports and imports** 1× 2012
- BoP includes **all of the above** 1× 2009
- BoP = complete record of all economic transactions of residents with the **rest of the world** 1× 1994
- CAD definition is true; CAD comes from **importing** more, not exporting more (A true, R false) 1× 2016

BALANCE OF PAYMENTS

## 17.4 What India Imports

- Most important import over the years: **petroleum and crude oil** 1× 2004
- Two largest imports: **capital goods and petroleum** 1× 1995
- 2004-05 import order: **fuel, capital goods, gold and silver, chemicals** 1× 2008
- Most important imports: **petroleum and edible oil** (per key) 1× 2004
- Biggest **LNG** supplier: **Qatar** 1× 2011
- Import procedure begins with an **indent** 1× 2011
- Letter of Credit is produced by the **importer** 3× 2009, 2011, 2013

## 17.5 What India Exports

- Largest export share 2004-05: **manufactured goods** 1× 2006
- Greatest export share: **engineering goods** 2× 2017, 2023
- Largest export earner: key says **agricultural and allied products** (gems and jewellery when asked); treat with care (*) 1× 2007
- Single largest export item: key says **chemicals** (gems and jewellery when asked) (*) 1× 2012
- Largest export share: key says **electronic goods** (gems and jewellery when asked) (*) 2× 2003, 2004
- Gems and jewellery share (2010): about **18%** 1× 2008
- World textile export rank: **fourth** then, about sixth now (*) 1× 2007
- Largest buyer of Indian textiles and leather: **USA** 3× 1994, 1998, 2002
- Top exporting state 2007-09: **Maharashtra**; **Gujarat** leads now 1× 2008
- Largest steel buyer 2003-04: **China** 1× 2003
- Highest export growth year: **2004-05** 1× 2008
- Largest rice exporter (2015), replacing **Thailand**: **India** 1× 2016
- Largest tea exporter: **Kenya** 1× 1998
- Long-staple cotton leader: **Egypt** 1× 2002
- Largest forex-earning service: **IT and software** 1× 2008

| Export fact | Leader |
|---|---|
| Largest export group | Engineering goods (about US$ 117 billion) |
| Top exporting state now | Gujarat (about 30%) |
| Largest services export | IT and software |
| Textiles and leather buyer | USA |
| Rice | India, largest exporter since 2012 |
| Tea | Kenya, largest exporter |

TRAP ALERT

- **Balance of trade** = goods only; current account adds services, income, transfers.
- **USA** = export market and surplus; **China** = import source and deficit.
- **Importer** produces the L/C; import starts with an **indent**.
- Old keys (gems and jewellery, UAE) changed; read the year of the question.

QUANTUM IAS & PCS

**UP LINK**

UP link: UP's top exports are **carpets (Bhadohi), brassware (Moradabad), leather (Kanpur, Agra), handicrafts and engineering goods**; **ODOP** backs them, and UP is among the top exporting states, with goods exports of roughly **Rs 1.7 lakh crore** a year (soft figure).

**LAST-MINUTE 10**

1. Asia = largest trade region; over 50% of imports
2. **USA** = top export market and surplus; **China** = top import source
3. Petroleum + capital goods = top imports; **Qatar** = LNG
4. Engineering goods = largest export group
5. Balance of trade = **goods**; net exports = exports minus imports
6. BoP = all transactions with the rest of the world
7. **Importer** produces the Letter of Credit
8. India passed **Thailand** in rice (2015); **Kenya** = tea exporter
9. **Egypt** = long-staple cotton; IT software = top service
10. Merchandise trade-GDP: 29.5% to **40.6%**

# Chapter 18

# Trade Policy, SEZs and Export Promotion

*Built from 45 UPPSC questions (1993–2023). Focus: trade terms, globalisation, Foreign Trade Policy, EPZs and SEZs, export bodies, tourism and trade facts.*

**ASKED MOST · REVISE FIRST**

- **SEZ**: policy **April 2000**; Act passed **2005**, in force **2006** 6× 2007, 2009, 2010, 2014, 2015, 2017
- **First EPZ in Asia**: **Kandla, 1965**; first private EPZ: **Surat** 3× 2005, 2009, 2011
- **Free trade zones**: to promote **export industries** 3× 2002, 2003, 2007
- **Invisible export** = **services**; **entrepot trade** = goods imported for re-export 3× 2002, 2006, 2007
- **ECGC** = export credit insurance; **EXIM Bank** = **1982** 3× 2001, 2005, 2009

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 18.1 Trade Concepts

- **Invisible export**: export of **services** 2× 2006, 2007
- **Entrepot trade**: goods **imported for export** 1× 2002
- A **tariff reduces the volume of trade** 1× 2017
- **Duty drawback**: **refund of import duty** to exporters 1× 2011
- Slow growth of exports: **all of the above** causes 1× 2017

| Term | Meaning |
|---|---|
| Invisible exports | Services (IT, tourism, shipping) and remittances |
| Entrepot trade | Imports for re-export (Singapore, Dubai) |
| Duty drawback | Refund of import duty on inputs of exports |
| RoDTEP (2021) | Refund of embedded taxes on exports; replaced MEIS |
| Anti-dumping duty | On imports sold below home price; India is a top user |
| Super 301 | US law against countries with unfair trade barriers |

## 18.2 Globalisation and Trade Policy

- **Globalisation**: **dismantling barriers** to international trade 1× 2017
- Globalisation of India: **minimum restrictions** on economic ties with other countries 1× 2017
- Not correct about globalisation: it created **optimism among small entrepreneurs** 1× 2010

QUANTUM IAS & PCS

- More MNCs serve **all of the above** policies (liberalisation, privatisation, globalisation) 1× 2004
- After 1991: export share, **FDI** and **forex reserves** rose; agriculture's share did **not** (2, 3 and 4) 1× 2017
- **Free trade policy**: **absence of tariffs** 1× 2005
- FTP 2004-09 target: **1.5%** of world trade by 2009 1× 2007
- High-performing exporters: **Star Trading Houses** 1× 2011
- Towns of Export Excellence: all four options were named (*) 1× 2013

STATUS HOLDERS UNDER THE FTP

**One Star Export House**
Entry level, by export value

↓

**Two Star to Four Star**
Rising export thresholds

↓

**Five Star Export House**
Top tier

↓

**FTP 2023**
From 1 April 2023, no end date; US$ 2 trillion target by 2030

## 18.3 EPZs and SEZs

- Free trade zones: for **export industries**, free of excise, mainly export production 3× 2002, 2003, 2007
- SEZ policy announced: **April 2000** 3× 2014, 2015, 2017
- SEZ Act passed **2005**; in force **2006** (10 February) 3× 2007, 2009, 2010
- Not an SEZ aim: **discouraging foreign investment** 1× 2009
- First EPZ in Asia: **Kandla, 1965** 1× 2011
- City without an SEZ, place without an FTZ: no option fits (*) 2× 1999, 2001
- First EPZ 1965, SEZ policy 2000 and Patola-Vadodara correct per key (1, 2, 3); Panna is **diamonds**, not gold (Patola is chiefly Patan) 1× 2009
- An EPZ: **Falta** (West Bengal) 1× 2023
- First private EPZ: **Surat** 1× 2005
- Highest SEZ export growth: **2007-08** 1× 2007
- Most SEZs (June 2012): **Andhra Pradesh** 1× 2012
- SEZ India app (2017): **Ministry of Commerce and Industry** 1× 2017

| EPZ / SEZ fact | Detail |
|---|---|
| First EPZ in Asia | Kandla (Gujarat), 1965 |
| Other EPZs | SEEPZ Mumbai, Falta, Noida, Chennai, Kochi, Visakhapatnam |
| First private EPZ | Surat |
| SEZ policy | April 2000 |
| SEZ Act | 2005; in force 10 February 2006 |
| Most SEZs (2012) | Andhra Pradesh |

## 18.4 Export-Promotion Bodies

- Channel exports and imports: **MMTC, EXIM Bank, STC, FCI** (all four) 1× 1999
- **EXIM Bank**: **1982** 1× 2005
- Promote foreign trade: **all of the above** 1× 2011
- **ECGC**: **export financing and insurance** against risks 2× 2001, 2009
- **India Brand Equity Fund**: **1996** 1× 1997
- **MPEDA**: set up **1972**; HQ is **Kochi**, not Kolkata (only 1) 1× 2023

| Body | Year | Role |
|---|---|---|
| STC | 1956 | State trading |
| ECGC | 1957 | Export credit insurance |
| MMTC | 1963 | Minerals and metals |
| MPEDA | 1972 | Marine exports; HQ Kochi |
| EXIM Bank | 1982 | Export-import finance |
| IBEF | 1996 | Brand India |

## 18.5 Tourism and Trade Relations

- Most-visited country: **France** 2× 2006, 2013
- Favourite destination of Indian tourists (2010): **Singapore** 1× 2013
- Foreign tourist arrivals fell in **2009-10** 1× 2010
- Best tourist city (Travel and Leisure, 2009): **Udaipur** 1× 2010
- **Nathu La** reopened (2006) for border trade with **China** 1× 2006

- Most anti-dumping measures (1995-2005): **India** 1× 2005
- **Super 301**: against **barriers to free trade** 1× 1993
- IITF 2021: theme **Atmanirbhar Bharat**; held in **New Delhi**, not Jaipur (only 2) 1× 2021

TRAP ALERT

- **Invisible** = services; **entrepot** = re-export; duty drawback = **refund**, not a tax.
- SEZ: policy **2000**, Act **2005**, in force **2006**; do not mix the three.
- **Kandla** = first EPZ in Asia; **Surat** = first private EPZ; **Falta** = EPZ in West Bengal.
- MPEDA HQ = **Kochi**; IITF = **Pragati Maidan, New Delhi**.

UP LINK

UP link: **Noida EPZ** (1985) is now the **Noida SEZ**; UP's **ODOP** (2018) and the **Districts as Export Hubs** plan push exports from districts such as Bhadohi (carpets) and Moradabad (brass); the **UP International Trade Show** is held at Greater Noida.

LAST-MINUTE 10

1. Invisible = **services**; entrepot = **import for export**
2. Tariff **reduces** trade; duty drawback = refund of import duty
3. Free trade = **no tariffs**; globalisation = dismantling barriers
4. SEZ policy **April 2000**; Act **2005**; in force **2006**
5. **Kandla 1965** = first EPZ in Asia; **Surat** = first private EPZ
6. **Falta** = EPZ; AP had most SEZs (2012)
7. EXIM Bank **1982**; ECGC = export insurance; IBEF **1996**
8. MPEDA **1972**, Kochi
9. Nathu La = **China** trade (2006); France = most visited
10. India = most anti-dumping cases; Super 301 = USA

# Chapter 19

# Exchange Rate, FDI and External Debt

*Built from 41 UPPSC questions (1991–2024). Focus: devaluation, rupee convertibility, FDI sources and limits, external debt, forex reserves, the euro and FEMA.*

ASKED MOST · REVISE FIRST

- **Devaluation**: cut in a currency's value; **exports cheaper, imports costlier**; India: **1949** (first), 1966, **1991** (twice) 9× 1991, 1994, 1998, 2001, 2003, 2004, 2008, 2008, 2012
- Rupee **convertible on current account** (**1994**); capital account studied by **Tarapore** 3× 2004, 2007, 2017
- **FDI source**: **Mauritius** earlier, **Singapore** now (tax treaty change) 3× 2006, 2010, 2024
- **Forex reserves**: **foreign currency assets** are the largest part; **SDRs are included** 3× 2001, 2002, 2023
- **FERA** replaced by **FEMA**; fully in force **2002** 2× 2007, 2013

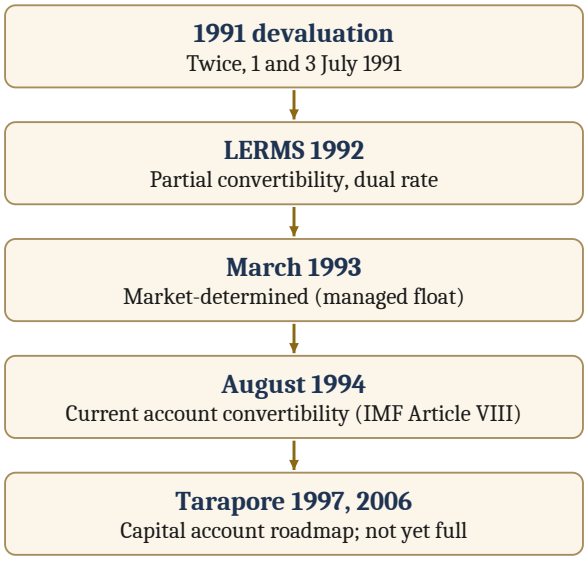

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 19.1 Exchange Rate and Convertibility

- Flexible rate is set by demand and supply; that supply is **not** set by the central bank (A true, R false) 1× 2024
- Rupee convertibility now: for **current account** transactions only 1× 2004
- Fully convertible on current account: **1994** 1× 2017
- Full capital account convertibility: **Tarapore** Committee 1× 2007
- **Devaluation**: **reduction in value** against major currencies 3× 1991, 1994, 1998
- First devaluation: **1949** 1× 2008
- Devalued twice in **1991-92** 1× 2012
- Devaluation may promote exports as prices abroad fall (A and R true, R explains A) 2× 2001, 2004
- Effect: **imports costlier, exports cheaper** 1× 2008

- Aim: to fix the **balance of trade** 1× 2003
- Remittances 2022: **India 1st, Mexico 2nd, China 3rd, Philippines 4th** 1× 2024

RUPEE CONVERTIBILITY STEPS

## 19.2 Foreign Investment

- Most FDI in the last decade: **services** sector (telecom was taken as the answer in 2006) 1× 2006
- Large foreign investment came in **life insurance, banking, automobiles** (1, 2 and 3) 1× 2009
- Forex earners: **tourism, medical care, garments, leather** (all four) 1× 2008
- FPIs issue **participatory notes** to unregistered foreign investors 1× 2019
- FPI limit in corporate bonds (Budget 2020-21): **15%** 1× 2020
- Largest equity source: **Mauritius** when asked; **Singapore** now 2× 2006, 2010
- Singapore top FDI source in 2023-24 because of the Mauritius treaty change (A and R true, R explains A) 1× 2024
- FDI recently opened in **retail trade** 1× 2010
- Insurance FDI (2012 proposal): **26% to 49%** 1× 2012
- Foreign equity in small-scale units (1995-96): **24%** 1× 1995

| FDI fact | Detail |
|---|---|
| Largest source now | Singapore, then Mauritius, USA |
| Top sector | Services |
| Insurance limit | 26% to 49% (2015) to 74% (2021) to 100% (Budget 2025-26) |
| Multi-brand retail | 51% with conditions; single-brand 100% |
| Banned | Lottery, gambling, chit funds, Nidhi, real estate business, atomic energy |

## 19.3 External Debt

- External debt end-2010: over **US$ 300 billion** 1× 2010
- Largest component of external debt: **commercial borrowings** 1× 2017
- **ECBs** are regulated by the **RBI** 1× 2010
- Most indebted (World Bank 2010): **Russia, China, Turkey, Brazil, India** 1× 2011
- World Bank class for India: **less indebted** 1× 2009
- Not true of green bonds: that they are **short-maturity** loans 1× 2016
- **Oil Pool Account** closed: **1 April 2002** 1× 2010

## 19.4 Forex Reserves, the Euro and FEMA

- Not true: **SDRs are not included** (they are included) 1× 2001
- Largest share of reserves: **foreign currency assets** 1× 2002
- Reserves end-December 2024: **US$ 640.3 billion** 1× 2023
- Rupee value hit by **inflation, fiscal deficit, crude prices** (all three) 1× 2013
- New single European currency: **Euro** 1× 1995
- Not true of the euro in 1999: **in circulation** (notes came in 2002) 1× 1999
- Euro is the currency of **20** EU states (per key; 20 since Croatia joined, 2023) 1× 2001
- FERA replaced by **FEMA** 1× 2007
- FEMA finally implemented: **2002** (passed 1999, in force June 2000) 1× 2013
- Sanctions forex for imports: **exchange bank** (authorised dealer) 1× 2011

QUANTUM IAS & PCS

| Forex reserves | Detail |
|---|---|
| Parts | Foreign currency assets (largest), gold, SDRs, IMF reserve tranche |
| Kept by | RBI |
| End-December 2024 | US$ 640.3 billion |
| Record | Over US$ 700 billion (September 2024) |

**TRAP ALERT**

- **Devaluation** = government act; **depreciation** = market fall.
- **Current account** convertible since 1994; **capital account** still not full.
- SDRs **are** part of forex reserves; ECBs are regulated by the **RBI**, not SEBI.
- FEMA: passed **1999**, in force **2000**, FERA fully gone **2002**.

**UP LINK**

UP link: UP draws FDI through **Noida-Greater Noida** (electronics, mobiles, data centres) and the **Defence Corridor**; UP Investors Summit 2023 drew pledges of over **Rs 33 lakh crore** (soft figure); remittances matter most in eastern UP districts with Gulf migrants.

**LAST-MINUTE 10**

1. Devaluation: **1949, 1966, 1991 (twice)**; exports cheaper
2. Current account convertible **1994**; **Tarapore** = capital account
3. India = **top remittance receiver** (2022)
4. **Services** = top FDI sector; **Singapore** = top source now
5. P-notes issued by **FPIs**; FPI bond limit **15%**
6. ECBs regulated by **RBI**; commercial borrowing = largest debt part
7. India = **less indebted** (World Bank)
8. Forex: FCAs largest; **SDRs included**; Dec 2024 = **US$ 640.3 bn**
9. Euro notes from 2002; **20** euro states
10. FEMA replaced FERA; final **2002**

# Chapter 20

# International Organisations and Global Rankings

*Built from 73 UPPSC questions (1996–2025). Focus: who publishes which report, IMF and World Bank, WTO boxes and TRIPS, WEF and ILO, and membership of regional groups.*

**ASKED MOST · REVISE FIRST**

- **Report-publisher matching**: WEO and GFSR = **IMF**; WDR = **World Bank**; HDR = **UNDP**; WIR = **UNCTAD**; Emissions Gap = **UNEP**; TTCI = **WEF**; Wage and Social Protection = **ILO** 7× 2004, 2016, 2020, 2023, 2024, 2025, 2025
- **WTO**: **1995**, Geneva, from **GATT** (Uruguay Round, **Arthur Dunkel**); Doha = **Qatar** 8× 1996, 2002, 2006, 2008, 2008, 2010, 2017, 2017
- **IMF**: India a member from **1945**; lends for **temporary BoP deficits**; **SDR** = "paper gold" 5× 2002, 2004, 2004, 2015, 2016
- **Membership traps**: not in SAARC **Cambodia**; not in BIMSTEC **Indonesia**; not in GCC **Iran, Iraq**; not in ASEAN **India**; not in OPEC **China** 6× 1999, 2003, 2010, 2013, 2025, 2025
- **SCO**: India full member at **Astana, 2017**; BRICS bank = **New Development Bank** (first head **K.V. Kamath**) 3× 2015, 2017, 2017

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 20.1 G-20 and Global Reports

- India's G-20 logo: **lotus with 7 petals** for **7 continents** (both) 1× 2023
- G-20 2023 wrong pair: **Brazil-Joko Widodo** (Widodo led Indonesia; Brazil = Lula) 1× 2023
- First World Summit for Social Development: **Copenhagen** (1995) 1× 2017
- **HDR-UNDP, WEO-IMF, WIR-UNCTAD, Emissions Gap-UNEP** 1× 2024
- **Global Financial Stability Report**: **IMF** only 1× 2025

- **World Development Report**: **IBRD** (World Bank) 1× 2004
- Highest per capita income (WDR 2000): **Luxembourg** 2× 2001, 2003
- Ease of Doing Business 2017: India **100th** 1× 2017
- EoDB: **77th** (2019), **63rd** (2020) (both); the report was dropped in 2021 1× 2020

| Report | Publisher |
|---|---|
| World Economic Outlook, Global Financial Stability | IMF |
| World Development Report, Global Economic Prospects | World Bank |
| Human Development Report, Gender Social Norms Index | UNDP |
| World Investment Report | UNCTAD |
| Emissions Gap Report | UNEP |
| Gender Gap, Travel and Tourism, Global Talent | World Economic Forum |
| Global Wage, World Social Protection | ILO |

## 20.2 The World's Largest Economies

- Second largest economy: **China** now (Japan in 2005) 1× 2005
- PPP top four then: USA, China, Japan, India (*); India is **third** by PPP now 2× 2005, 2009
- 2019: GDP Rs 209 lakh crore, **5th largest**, passed **UK and France** (1, 2, 3) 1× 2016
- WDR 2008 order: **USA > China > UK > India** 2× 2008, 2009
- **US$ 5 trillion** economy target: **2024** (2024-25) 2× 2019, 2020
- Third largest economy then: **Germany** (Japan earlier) 1× 2007

| Rank (nominal GDP, IMF 2025) | Country |
|---|---|
| 1 | USA |
| 2 | China |
| 3 | Germany |
| 4 | Japan |
| 5 | India (about US$ 4.1 trillion) |
| By PPP | China, USA, India |

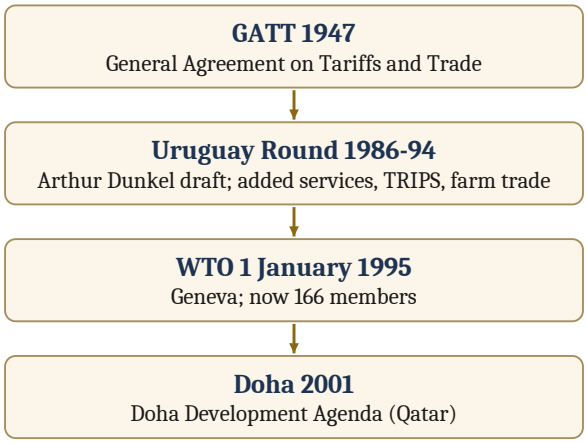

## 20.3 IMF and World Bank

- Loans and grants for state infrastructure: **World Bank** 1× 2002
- ICAR's National Agricultural Innovation Project (World Bank): **four** components 1× 2009
- **Green Index**: **World Bank** 1× 2014
- Not correct: heads from **Italy and Germany** (custom: IMF head European, World Bank head American); both are Bretton Woods bodies (only 2) 1× 2025
- World Bank HQ: **Washington** 1× 2007
- IMF loans: for **temporary BoP deficits** 1× 2016
- India joined the IMF: **1945** (founder member) 2× 2004, 2015
- **Paper gold** = **SDRs** of the IMF 2× 2002, 2004

## 20.4 WTO, GATT and TRIPS

- Guard of world trade: **WTO** 1× 2017
- WTO: set up by the members of **GATT** 1× 2008
- WTO set up: **1995** 1× 1996
- **Doha** Ministerial (2001): **Qatar** 1× 2002
- Pascal Lamy was followed by **Roberto Azevedo** 1× 2014
- Not a WTO member: **Serbia** 1× 2016
- Not an Agreement on Agriculture pillar: **anti-dumping duties** 1× 2010
- MSP-market price gap paid directly: **blue box** (per key) 1× 2016
- Farm subsidy statements: **1 and 4** correct per key; WTO does not ban indirect subsidies 1× 2022
- Subsidy cuts are needed under WTO; India is developing (A false, R true) 1× 1998
- **GATT** = General Agreement on Tariffs and Trade; **Arthur Dunkel** = GATT; **Uruguay Round** = GATT 3× 2008, 2010, 2017
- **TRIPS** covers **trademarks, industrial designs, GIs**; not labour standards 1× 2001
- Not in TRIPS protection: **plant breeding** (left to sui generis law) 1× 2010
- National IPR Policy: backs Doha and TRIPS; nodal body **DIPP** (both) 1× 2024

FROM GATT TO WTO

| WTO box | Meaning |
|---|---|
| Amber box | Trade-distorting support (MSP, input subsidies); capped at 10% for developing nations |
| Blue box | Payments tied to production limits |
| Green box | Non-distorting support (research, income support) |

## 20.5 WEF, ILO and ADB

- WEF founder: **Klaus Schwab** 1× 2008
- Global Talent Index 2020 wrong pair: **USA-4** (USA was 3rd) 1× 2019
- Not a Gender Gap parameter: **leisure** 1× 2017
- First **Gender Social Norms Index**: **UNDP** 1× 2016
- **Travel and Tourism Competitiveness Index**: **WEF** 1× 2020
- ADB's India Resident Mission: **New Delhi** 1× 2010
- 100th ILO conference (2011): **domestic workers** 1× 2010
- **World Social Protection Report**: **ILO** 1× 2023
- **Global Wage Report 2024-25**: **ILO** only 1× 2025
- **WTO-no quantitative curbs, IMF-BoP finance, SAARC-South Asian cooperation, IDA-soft loans** 1× 2015
- Correct HQ: **WTO-Geneva** 1× 2006

| Body | HQ / fact |
|---|---|
| World Economic Forum | 1971, Klaus Schwab; Geneva (Davos meet) |
| ILO | 1919, Geneva |
| ADB | 1966, Manila; India mission in New Delhi |
| IMF, World Bank | Washington, D.C. |
| WTO | Geneva |
| FAO | Rome |

## 20.6 Regional Groupings

- Not in **APTA**: **Myanmar** 1× 2010
- Not in **OPEC**: **China** (Indonesia also left) 1× 1999
- Not in **SAARC**: **Cambodia** 2× 2010, 2013
- Not in **BIMSTEC**: **Indonesia** (only 4) 1× 2025
- Odd one out: **SAARC** 1× 2015
- 9th BRICS Summit host: **China** (Xiamen) 1× 2016
- BRICS bank in China: **New Development Bank** (Shanghai); first president **K.V. Kamath** 2× 2015, 2017
- Highest per capita income in BRICS: **Russia** 1× 2010
- India a full SCO member at **Astana** (2017) 1× 2017
- Not in the **Shanghai Five**: **Vietnam** 1× 2001
- Not in SCO in 2010: India (then an observer) (*) 1× 2010
- **Varanasi**: first SCO **tourism and cultural capital** (Samarkand, 2022) 1× 2023
- Not in **Mekong-Ganga** cooperation: **Bangladesh** 1× 2001
- **Benelux** = **Belgium, Netherlands, Luxembourg** 1× 2004
- 37th G-8 Summit (2011): **Deauville** 1× 2010
- Voice of Global South: India held the 3rd in 2024; Global South = developing nations (neither) 1× 2024
- India-China-Brazil WTO bloc: **G-77** (per key; the farm bloc is G-20) 1× 2008
- Not in ASEAN: **India**; **Brunei** is a member 2× 1996, 2003
- Not in GCC: **Iran and Iraq** 1× 2025
- **Ind-Aus ECTA**: first-of-its-kind; attended by Commerce Secretary Sunil Barthwal (both) 1× 2024
- India-Australia MATES: bilateral; graduates aged **18-30** work up to **two years** (both) 1× 2024

QUANTUM IAS & PCS

| Group | Fact |
|---|---|
| SAARC | 1985; HQ Kathmandu; 8 members |
| BIMSTEC | 1997; 7 members; not Indonesia |
| ASEAN | 1967; 10 members incl. Brunei; Timor-Leste 11th (2025) |
| BRICS | New Development Bank, Shanghai; K.V. Kamath first head |
| SCO | 2001 from Shanghai Five; India full member 2017 |
| GCC | Saudi, UAE, Qatar, Kuwait, Bahrain, Oman |

**TRAP ALERT**

- IMF and World Bank are both in **Washington**; WTO, ILO, WEF in **Geneva**; ADB in **Manila**.
- **WEO** is IMF, not World Bank; **WIR** is UNCTAD, not UNDP.
- India joined the IMF in **1945** (founder), not 1947.
- Indonesia is in ASEAN, not BIMSTEC; Iran and Iraq are not in the GCC.

**UP LINK**

UP link: **Varanasi** was named the SCO's first **Tourism and Cultural Capital** (2022-23); Varanasi also hosted a **G-20** development ministers' meeting (2023), and Lucknow, Agra and Greater Noida hosted other G-20 meetings.

**LAST-MINUTE 10**

1. WEO, GFSR = **IMF**; WDR = World Bank; HDR = **UNDP**; WIR = **UNCTAD**
2. TTCI, Gender Gap = **WEF** (Klaus Schwab); Wage, Social Protection = **ILO**
3. G-20 logo: lotus, **7 petals = 7 continents**
4. India in IMF **1945**; SDR = **paper gold**
5. WTO **1995**, Geneva; Doha = **Qatar**; Azevedo after Lamy
6. TRIPS: trademarks, designs, GIs; not labour or plant breeding
7. NDB = BRICS bank; **K.V. Kamath**
8. SCO full member **Astana 2017**; **Varanasi** = SCO cultural capital
9. Not SAARC: Cambodia; not BIMSTEC: **Indonesia**; not GCC: Iran, Iraq
10. Benelux = Belgium, Netherlands, Luxembourg

# Chapter 21

# Miscellaneous Economy

*Built from 84 UPPSC questions (1994–2025). Focus: committees and their subjects, economists and their books, Gandhi's trusteeship, institutes and their cities, quality marks, energy and steel facts.*

QUANTUM IAS

ASKED MOST · REVISE FIRST

- **Committee-subject matching**: **Dutt-licensing, Wanchoo-direct taxes, Rajamannar-Centre-State, Chakravarty-monetary policy**; **Tarapore** is not bank service; **Rekhi** is not export-import **3×** 2008, 2010, 2015
- **Trusteeship** = **Mahatma Gandhi**; basis of the Gandhian economy **4×** 2009, 2012, 2013, 2013
- **Book-author matching**: **Wealth of Nations-Adam Smith**; Myrdal, Hirschman, Kaldor; *Principles* is **Ricardo**, not Marx **3×** 2012, 2023, 2024
- **AGMARK**: quality mark for farm goods; Act **1937**; not issued by FCI **5×** 2002, 2004, 2009, 2013, 2023
- **Noida** institutes: **V.V. Giri National Labour Institute, NIESBUD**; agricultural economics institute (NIAP) = **New Delhi** **4×** 2013, 2015, 2017, 2023

■ asked 3 or more times • asked once or twice **4×** times asked, followed by the exam years

## 21.1 Education and Society

- UN year **2023**: International Year of **Millets** **1×** 2021
- **NEP 2020**: drafted under **K. Kasturirangan**; it replaced a **34-year** policy, not 38 (only 1) **1×** 2020
- NEP panel head (June 2017): **K. Kasturirangan** **1×** 2017
- Not part of NEP aims: **Bharat Nirman** (ULLAS and DIKSHA are) **1×** 2025
- Tamil Nadu corporal-punishment guidelines (2024): key says both; date of statement 1 is doubtful (*) **1×** 2024
- **Marginal man**: **Robert E. Park** **1×** 2020
- **Missing women**: **Amartya Sen** **1×** 2015
- **Global village**: based on **transport and communication** **1×** 2018

## 21.2 Institutions, People and Committees

- **Competition Commission**: **2003** (Act 2002) **1×** 2004
- CCI chair (2010): **Ashok Chawla** **1×** 2010
- Milk marketing: **GCMMF** (Amul) **1×** 2009
- IMF Managing Director (2019): **Kristalina Georgieva** **1×** 2019
- Wrong pair: **A.M. Khusro-UPSC** (he chaired the 11th Finance Commission) **1×** 2008
- **Swaminathan-Green Revolution, L.K. Jha-administrative reforms, Kurien-milk, Morarji Desai-social control on banks** **2×** 2003, 2022
- Wrong: **Rekhi-export-import** (Rekhi = indirect taxes) **1×** 2008
- Wrong: **Tarapore-customer service** (that is Goiporia) **1×** 2010
- **Dutt-licensing, Wanchoo-direct taxes, Rajamannar-Centre-State, Chakravarty-monetary policy** **1×** 2015
- RBI Governor who became Finance Minister: **C.D. Deshmukh** **1×** 2008
- "From Dependence to Self Reliance": **Bimal Jalan** **1×** 2023
- Indians in Forbes top 50 (2000): **Azim Premji, Dhirubhai Ambani** (*) **1×** 2001
- **OGL, FOB-external trade; SJRY, TRYSEM-employment; WPI, CPI-index numbers; CRR, SLR-banking** **1×** 2007
- **Pressure group**: influences **policy decisions** **1×** 2004

| Committee | Subject |
|---|---|
| Goiporia (1990) | Customer service in banks |
| Rekhi | Indirect taxes |
| Goswami (1993) | Industrial sickness |
| Janakiraman (1992) | Securities scam |
| Malhotra (1993) | Insurance reform |
| Tarapore (1997, 2006) | Capital account convertibility |
| Dutt (1969) | Industrial licensing |
| Wanchoo (1971) | Direct taxes |
| Rajamannar (1969-71) | Centre-State relations |
| Chakravarty (1985) | Monetary policy |

## 21.3 Books, Prizes and Indices

- Nobel in Economics 2015: **Angus Deaton** **1×** 2015

QUANTUM IAS & PCS

- "India's Economic Policy: The Gandhian Blueprint": **Charan Singh** 1× 2012
- PM when gold was pledged abroad (1991): **Chandra Shekhar** 1× 2010
- Corruption Index ranks: **2010-87, 2011-95, 2012-94, 2014-85** 1× 2014
- **RESIDEX** (residential prices, NHB): **2007**; tracks **land/housing prices** 2× 2011, 2015
- Trade and Merchandise Marks Act: **1958** 1× 2016
- Indian Patents Act in force: **1972** 1× 2014
- Patents (Second Amendment): **2002** 1× 2002
- "Bahini Darbar" women's paper: **Madhya Pradesh** 1× 2014
- Most greenhouse gas emissions (2013-14): **China** 1× 2014

| Recent Nobel in Economics | Winners |
|---|---|
| 2015 | Angus Deaton |
| 2023 | Claudia Goldin |
| 2024 | Acemoglu, Johnson, Robinson |
| 2025 | Joel Mokyr, Philippe Aghion, Peter Howitt |

## 21.4 Institutes and Schemes

- Indian Institute of Carpet Technology: **Bhadohi**, not in options (*) 1× 2006
- **V.V. Giri National Labour Institute**: **Noida** 1× 2017
- Agricultural Economics and Policy Research institute: **New Delhi** 2× 2013, 2023
- None correct: Finance Commission is **constitutional**, Planning Commission was **non-statutory**, RBI nationalised **1 January 1949** 1× 2009
- **Entrepreneurship Development Institute**: **Ahmedabad** 1× 2011
- **NIESBUD**: **Noida** 1× 2015
- Swadesh Darshan circuits: no option fits (*) 1× 2017
- Portal for small traders: **e-lala** 1× 2016
- **Project Arrow**: modernising **post offices** 2× 2009, 2010
- Not economic infrastructure: **coal mines** 1× 2004
- **Super Bazar**: retail-sale organisation 1× 2003

## 21.5 Economic Thought

- **Myrdal-Economic Theory and Underdeveloped Regions, Hirschman-Strategy of Economic Development, Kaldor-Strategic Factors, Adam Smith-Wealth of Nations** 1× 2024
- "Wealth of Nations": **Adam Smith** 1× 2012
- Wrong pair: **Karl Marx-Principles of Political Economy and Taxation** (that is **Ricardo**) 1× 2023
- Not part of a country's wealth: **money supply** 1× 2004
- Father of scientific management: **F.W. Taylor** 1× 2017
- **Trusteeship** = **Gandhi**; Gandhian economy rests on it 3× 2009, 2012, 2013
- Correct: trusteeship and UP Zamindari Act in the Ninth Schedule (1 and 2); voting age cut by the **61st** Amendment; Shetkari Sanghatana = **Sharad Joshi** 1× 2013
- Not correct: **"age-quake"** means child population (it means **ageing**) 1× 2013
- Not an achievement equated with women's empowerment: **strategic choices** 1× 2013
- Most household waste per head: **USA** 1× 2008

| Book | Author |
|---|---|
| The Wealth of Nations (1776) | Adam Smith |
| Principles of Political Economy and Taxation | David Ricardo |
| Das Kapital | Karl Marx |
| General Theory (1936) | J.M. Keynes |
| Asian Drama | Gunnar Myrdal |
| The Strategy of Economic Development | Albert Hirschman |
| Strategic Factors in Economic Development | Nicholas Kaldor |

## 21.6 Energy, Infrastructure and Industry

- Infrastructure spending 2019-23: **UP 1st, Maharashtra 2nd, Tamil Nadu 3rd, Karnataka 4th** 1× 2024
- Electricity generated order: changes yearly (*); without renewables now **UP, Maharashtra,**

QUANTUM IAS & PCS

**Gujarat, Tamil Nadu** 1× 2000

- Per capita electricity: a few hundred kWh then (*); about **1,460 kWh** now 1× 1998
- Renewable share of capacity (Dec 2011): about **11%** 1× 2012
- DISCOM interest relief: **UDAY** 1× 2021
- Wrong pair: **primary energy-tidal power** (per key) 1× 2021
- First PPP railway line: **Gujarat** 1× 2015
- **Golden Triangle**: **Delhi, Agra, Jaipur** 1× 2016
- Over a third (now over half) of world crude steel: **China** 2× 2011, 2022
- **Kamaiya**: hereditary **bonded labour** in **Nepal** 1× 2002
- Not correct: India **supplied manufactured goods** under British rule 1× 2013
- Not true of the Arthashastra: it **describes the economic life** of the time (per key) 1× 1994
- Non-domestic LPG cylinder: **19 kg** 1× 2009
- PVR: **Priya Village Roadshow** 1× 2011

## 21.7 Quality Marks and Miscellany

- **AGMARK**: **quality**; a seal of quality guarantee 3× 2002, 2004, 2013
- AGMARK Act: **1937** 1× 2009
- AGMARK: quality of farm goods; **not** issued by FCI (only 1) 1× 2023
- **ISO 14001**: certificate for an **environmental management** system 1× 1999
- GI tag for black pottery in UP: **Nizamabad** (Azamgarh) 1× 2021
- **Ecomark**: **environment-friendly** products (1991); **medicines** are not covered 2× 2013, 2022
- Packaging matters for **all the above** reasons 1× 2009
- Air India and Indian Airlines merged as **Air India** 1× 2007
- **Universal Service Obligation Fund**: telecom liabilities (rural telecom) 1× 2003

| Mark | For |
|---|---|
| AGMARK | Farm products (1937 Act; Directorate of Marketing) |
| ISI | Industrial goods (BIS) |
| Ecomark | Environment-friendly goods (1991) |
| Hallmark | Gold and silver purity |
| ISO 14001 | Environmental management |

**TRAP ALERT**

- *Principles of Political Economy and Taxation* = **Ricardo**, not Marx.
- AGMARK is not issued by FCI; Ecomark does not cover medicines.
- Voting age to 18 = **61st** Amendment; Shetkari Sanghatana = **Sharad Joshi**, not Medha Patkar.
- Tarapore = convertibility; Goiporia = bank service; Rekhi = indirect taxes.

**UP LINK**

UP link: **Nizamabad black pottery** (Azamgarh) has a GI tag; the **Indian Institute of Carpet Technology** is at **Bhadohi**; **V.V. Giri Labour Institute** and **NIESBUD** are in **Noida**; UP ranked **first** in infrastructure spending (2019-23) and leads in thermal power generation.

**LAST-MINUTE 10**

1. Year of Millets **2023**; NEP 2020 = **Kasturirangan**
2. Marginal man = **Park**; missing women = **Sen**
3. CCI **2003**; Khusro = Finance Commission
4. Morarji Desai = social control on banks; Kurien = milk
5. Deaton 2015; Charan Singh = Gandhian Blueprint; Jalan = Dependence to Self Reliance
6. Trusteeship = **Gandhi**; Taylor = scientific management
7. Ricardo = *Principles*; Hirschman = *Strategy*; Kaldor = *Strategic Factors*
8. V.V. Giri, NIESBUD = **Noida**; EDI = Ahmedabad
9. AGMARK **1937**; Ecomark **1991**; ISO 14001 = environment
10. Golden Triangle = Delhi, Agra, Jaipur; China = top steel

# Chapter 22

# Population Theories, Census and Growth

*Built from 58 UPPSC questions (1998–2025). Focus: Malthus and other theories, the first census, decadal growth (1921, 1961-71, 2001-11), state rankings, Nagaland and Kerala growth facts.*

ASKED MOST · REVISE FIRST

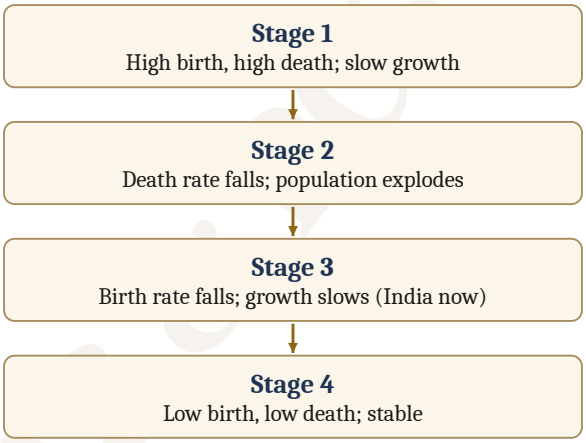

- **1921** = **"Year of Great Divide"** (only fall in population before it) **5×** 2007, 2009, 2010, 2013, 2016
- **2001-11 growth**: **17.70%**, the **lowest** decade since independence **6×** 2012, 2013, 2014, 2015, 2016, 2017
- **UP** = most populous (about **16.5-17%** of India); **Maharashtra** second **9×** 2001, 2004, 2008, 2010, 2011, 2012, 2014, 2016, 2021
- **Nagaland**: highest growth 1981-2001; **only fall** in 2001-11; **Kerala** lowest in 1991-2001 **13×** 1999, 2000, 2002, 2004, 2005, 2006, 2007, 2008, 2012, 2013, 2013, 2017, 2017
- **Malthus**: population **geometric**, food **arithmetic**; first census **1872, Lord Mayo** **6×** 2001, 2017, 2022, 2023, 2023, 2024

■ asked 3 or more times • asked once or twice **4×** times asked, followed by the exam years

## 22.1 Population Theories

- Population control is needed for the environment; growth does **not** keep balance (A true, R false) **1×** 2023
- Natural growth = **crude birth rate and crude death rate** (A and B) **1×** 2018
- Gradual long-run change in growth pattern: **demographic transition** **1×** 2016
- Stable population: **constant birth and death rates** **1×** 2014
- India's phase now: **high growth with definite signs of slowing** **1×** 2015
- Malthus's best check: **birth control** (per key; Malthus stressed moral restraint) **1×** 2017
- Malthusian theory: about **population** **1×** 2022
- Population **geometric**, food **arithmetic** **1×** 2024
- **Optimum-Cannan, social maladjustment-Henry George, demographic transition-Thompson, food supply-Malthus** **1×** 2023
- Not a demographic feature: **standard of living** **1×** 2015

DEMOGRAPHIC TRANSITION

## 22.2 The Census of India

- First **regular** census: **1881** (Lord Ripon) **1×** 2007
- First census in British times: **Lord Mayo** (1872) **3×** 2001, 2023, 2023
- First census year: **1881** per key (1872 was non-synchronous) **1×** 2023
- Census every **10 years** is true; population does not stay unchanged (A true, R false) **1×** 2016
- Census 2011 motto: **"Our Census, Our Future"** **1×** 2016

| Census fact | Detail |
|---|---|
| First census | 1872 (Lord Mayo); first regular 1881 (Lord Ripon) |
| Law | Census Act, 1948; every 10 years; Union List |
| Census 2011 | 15th overall, 7th after independence |
| Census 2027 | 16th; first digital census with caste count; reference date 1 March 2027 |
| Run by | Registrar General and Census Commissioner (MHA) |

## 22.3 Growth of India's Population

- Growth order: **Haryana, Punjab, Uttarakhand, Himachal** 1× 2025
- Lowest decadal growth: **2001-11** 1× 2012
- Wrong pair: **2001-11 = 19.05%** (it is **17.70%**) 1× 2016
- 2001-11 growth: **17.70%** 4× 2013, 2014, 2015, 2017
- Highest percentage change: **1971** (1961-71 decade) 1× 2014
- Highest decadal growth: **1961-71** 2× 2005, 2010
- Highest annual exponential growth: **1971-81** 1× 2006
- **1921** = Year of Great Divide 5× 2007, 2009, 2010, 2013, 2016
- Fast growth since 1951 is true; 1921, not 1951, is the great divide (A true, R false) 1× 2000

| Decade | Growth (%) | Note |
|---|---|---|
| 1911-21 | -0.31 | Only fall; 1921 = Great Divide |
| 1961-71 | 24.80 | Highest decadal growth |
| 1971-81 | 24.66 | Highest annual exponential growth |
| 2001-11 | 17.70 | Lowest since independence |
| 2011 total | 121.09 crore | 17.5% of world population |
| Now | About 146 crore | India passed China in April 2023 |

## 22.4 Population of the States

- Females in India (2011, provisional): **48.46%** 1× 2010
- Most populous state (2011): **Uttar Pradesh** 4× 2012, 2014, 2016, 2021
- UP outnumbers each of **Japan, Russia, Brazil, Nigeria** (and UK, Germany, Pakistan) 1× 2001
- UP 2001: literacy 56.3%, density 690, most SCs in **Sitapur** (1, 2, 4); most populous district is **Allahabad**, not Kanpur Nagar 1× 2006
- UP most populous is true; order behind it is **Maharashtra, Bihar, West Bengal** (A true, R false) 1× 2010
- UP share of India: about **17%** (16.5%) 1× 2010
- Order: **UP, Maharashtra, Bihar, Andhra Pradesh** (4, 3, 2, 1) 1× 2013
- Order: **UP, Maharashtra, Bihar, West Bengal** 1× one-liner
- Second most populous: **Maharashtra** 4× 2001, 2004, 2008, 2011
- Order: **UP, Bihar, West Bengal, Andhra Pradesh** (3, 1, 4, 2) 1× 2024
- Second in population and third in area: **Maharashtra** 1× 2013
- Over a third of India: **UP, Maharashtra, Bihar** 1× 2006
- Least populous among options: **Karnataka** 1× 2004
- Chhattisgarh larger than West Bengal in area; WB more populous (both) 1× 2007
- 1990s order: **Maharashtra, West Bengal, MP, Tamil Nadu** 1× 1998
- 2001 order: **Puducherry, Chandigarh, Mizoram, Sikkim** 1× 2009

| State (2011) | Population (crore) | Share |
|---|---|---|
| Uttar Pradesh | 19.98 | 16.5% |
| Maharashtra | 11.24 | 9.3% |
| Bihar | 10.41 | 8.6% |
| West Bengal | 9.13 | 7.5% |
| Madhya Pradesh | 7.26 | 6.0% |
| Least populous | Sikkim (state); Lakshadweep (UT) | - |

## 22.5 Growth Across States

- Highest growth 1991-2001: **Nagaland** 3× 2002, 2004, 2005
- Highest growth 1981-2001: **Nagaland**; highest in the 1991 Census too 2× 2000, 2013
- Lowest growth 1991-2001: **Kerala** 4× 1999, 2006, 2007, 2008
- Lowest growth (negative) 2001-11: **Nagaland** 1× 2013
- Population fell in Census 2011: **Nagaland** 3× 2012, 2017, 2017
- Lowest growth among options (2011): **Andhra Pradesh** 1× 2012
- Highest growth 2001-11 among options: **Bihar** 1× 2015
- UP growth 2001-11 (provisional): **20.09%** 1× 2010

- UP has the most people; it is **not** the densest (Bihar is) (A true, R false) 1× 2008
- UP's fast growth: better **health and disease control** 1× 2006
- UP districts 2011: **Allahabad, Moradabad, Ghaziabad, Lucknow** 1× 2014
- Correct: lowest population **Lakshadweep**, lowest density **Arunachal**, highest growth **Dadra and Nagar Haveli** (1, 3, 4); highest density is **Delhi**, not Chandigarh 1× 2011

TRAP ALERT

- **1921** = Great Divide; **1951** = demographic divide (start of fast growth). Do not swap.
- Highest decadal growth = **1961-71**; highest annual exponential = **1971-81**.
- UP is the most **populous**, not the most **dense** (Bihar); most populous UP district = **Prayagraj**.
- Optimum population = **Cannan**; transition = **Thompson**; maladjustment = **Henry George**.

UP LINK

UP link: UP had **19.98 crore** people in 2011 (**16.5%** of India), more than Brazil; its 2001-11 growth was **20.2%**; **Prayagraj** was its most populous district, followed by Moradabad, Ghaziabad and Azamgarh; Census 2027 will be the first digital count.

LAST-MINUTE 10

1. Malthus: population **geometric**, food **arithmetic**
2. Cannan = optimum; Thompson = transition; Henry George = maladjustment
3. First census **1872 (Mayo)**; regular **1881 (Ripon)**
4. 2011 motto: **Our Census, Our Future**
5. **1921** = Great Divide; **1961-71** = highest decadal growth
6. **2001-11 = 17.70%**, lowest since independence
7. UP 1st, Maharashtra 2nd, Bihar 3rd, WB 4th
8. UP = about 16.5% of India; females 48.5%
9. **Nagaland** = highest 1991-2001, negative 2001-11
10. **Kerala** = lowest 1991-2001; Bihar fastest-growing big state 2001-11

# Chapter 23

# Population Density and Literacy

*Built from 59 UPPSC questions (1991–2023). Focus: densest and sparsest states and UTs, literacy rates (2001, 2011), female literacy and gender gaps, UP district literacy.*

ASKED MOST · REVISE FIRST

- **Densest state**: **Bihar**; order **Bihar, West Bengal, Kerala, UP** 11× 2000, 2004, 2009, 2010, 2012, 2014, 2016, 2017, 2019, 2023, 2023
- **Sparsest state**: **Arunachal Pradesh**; UTs: densest **Delhi** (Puducherry among options), sparsest **Andaman and Nicobar** 4× 2001, 2017, 2017, 2021
- **Literacy 2011**: **74.04%**; male 82.14, female 65.46; gap **16.68**; counted from **age 7** 5× 2004, 2010, 2011, 2012, 2014
- **Kerala** first, **Mizoram** second; **Bihar** lowest but the **biggest rise** (2001-11) 8× 2006, 2008, 2010, 2011, 2014, 2015, 2016, 2017
- **Female literacy**: highest **Kerala**, lowest **Rajasthan** (2011 provisional); smallest gap **Meghalaya** 5× 2009, 2010, 2013, 2016, 2017

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 23.1 Population Density

- Kerala dense and highly literate; literacy does not explain density (A and R true, R does not explain A) 1× 2001
- India's density: **has steadily increased** 1× 2014
- Highest density (2011): **Bihar** 6× 2004, 2012, 2014, 2016, 2017, 2023
- Order: **Bihar, West Bengal, Kerala, Uttar Pradesh** 4× 2009, 2010, 2019, 2023
- Densest BIMARU state: **Bihar** 1× 2000
- Lowest density: **Arunachal Pradesh** 2× 2001, 2021
- Ascending (density): **Odisha, AP, Tripura, Punjab** 1× 2003

- Lowest-density order (2001): **Arunachal, Mizoram, Sikkim, Nagaland** 1× 2006
- Sparsest in 1991 options: **Jammu and Kashmir** 1× 1991
- Below 100 per sq km (2011): **Mizoram** 1× 2010
- Densest UT among options: **Puducherry** (Delhi overall) 1× 2017
- Sparsest UT: **Andaman and Nicobar** 1× 2017
- Lowest density among options: **Rajasthan** 1× 2010
- Ascending: **Gujarat, Karnataka, Assam, Haryana** 1× 2010
- True: UP has **more than twice** India's density 1× 2005

| Density (2011) | Persons per sq km |
|---|---|
| India | 382 (325 in 2001; 117 in 1951) |
| Bihar, West Bengal, Kerala, UP | 1,106; 1,028; 860; 829 |
| Arunachal, Mizoram, Sikkim | 17; 52; 86 |
| Delhi, Chandigarh, Puducherry | 11,320; 9,258; 2,547 |
| Andaman and Nicobar | 46 |

## 23.2 Literacy in India

- **Effective literacy**: population aged **7 and above** 1× 2014
- Biggest rise in literacy: **1991-2001** 1× 2006
- Literacy 2011 (provisional): **74.04%** 2× 2004, 2012
- Most literate district (provisional 2011): **Serchhip** (Mizoram) 1× 2010
- First fully literate district outside Kerala: **Bardhaman** (West Bengal) 1× 2008
- Biggest literacy rise 2001-11: **Bihar** 2× 2011, 2016
- Highest literacy among options: **Manipur** 1× 2017
- Second in female literacy after Kerala: **Mizoram** 1× 2014
- Second in literacy and in urbanisation: **Mizoram** 1× 2017
- Highest literacy among options (2001): **Mizoram**; top in the North-East 3× 2004, 2006, 2008
- 2001 order: **Kerala, Himachal, Tamil Nadu, Manipur** 1× 2006
- Order: **Kerala, Mizoram, Goa, Maharashtra** 1× 2002
- Lowest four (ascending, 2011): **Bihar, Arunachal, Rajasthan, Jharkhand** 1× 2010
- 2001 ascending: **Bihar, UP, Rajasthan, MP** 1× 2002
- Highest UT literacy (2001): **Lakshadweep** 1× 2013
- 2011 order: **Tripura, Himachal, Sikkim, Nagaland** 1× 2010
- Male-female gap (2011): **16.68** points 1× 2010
- Female literacy (2011): about **65.5%** 1× 2011

| Literacy (2011) | Figure |
|---|---|
| India | 74.04% (M 82.14, F 65.46) |
| Highest states | Kerala 94.0, Mizoram 91.3, Goa 88.7, Tripura 87.2 |
| Lowest states | Bihar 61.8, Arunachal 65.4, Rajasthan 66.1, Jharkhand 66.4 |
| Highest UT | Lakshadweep 91.8 |
| Lowest UT | Dadra and Nagar Haveli 76.2 |

## 23.3 Female Literacy and Gaps

- Smallest male-female gap (2011): **Meghalaya** 2× 2013, 2016
- Largest gap among options: **Uttar Pradesh** (Rajasthan overall) 1× 2015
- Top male and female literacy statements (UTs and states): none fits exactly (*) 1× 2010
- Highest female literacy among options (2001): **Chhattisgarh** 1× 2005
- Highest and lowest female literacy (2011): **Kerala and Rajasthan** 1× 2010
- Highest female literacy among options (2001): **Mizoram** 1× 2013
- Lowest female literacy (2001): **Bihar** 2× 2002, 2003
- Lowest female literacy (2011): **Rajasthan** 2× 2009, 2017
- Highest female literacy among UTs: **Lakshadweep** 1× 2013
- Highest literacy among options: **Uttarakhand** 1× 2009
- Lowest literacy (2011): **Bihar** 2× 2010, 2015
- Highest UT literacy (2011): **Lakshadweep** 1× 2023

- Lowest UT literacy: **Dadra and Nagar Haveli** 1× 2017
- Highest rural literacy among options: **Goa** 1× 2010

## 23.4 Literacy in Uttar Pradesh

- UP literacy 2011: **67.7%**, not among the options (*) 1× 2015
- UP rank in literacy (2001): **31st** 1× 2010
- District order: **Gautam Buddha Nagar, Kanpur Nagar, Auraiya, Etawah** 2× 2012, 2017
- Most literate UP district: **Gautam Buddha Nagar** 1× 2012
- Lowest female literacy among options: **Rampur** 1× 2012
- Correct: lowest literacy **Shravasti**, lowest density **Lalitpur** (1 and 3); highest sex ratio is **Jaunpur**, most populous city **Lucknow** 1× 2012

| UP (2011) | Fact |
|---|---|
| Literacy | 67.7% (M 77.3, F 57.2) |
| Highest district | Gautam Buddha Nagar (80.1%) |
| Lowest district | Shravasti (46.7%) |
| Highest sex ratio | Jaunpur |
| Lowest density | Lalitpur |
| Most populous city | Lucknow |

**TRAP ALERT**

- Densest state = **Bihar**, not West Bengal or Kerala; densest UT = **Delhi**.
- Literacy is counted from **age 7**, not age 6 or 5.
- Female literacy lowest: **Bihar** in 2001, **Rajasthan** in 2011 (provisional).
- UP: lowest literacy **Shravasti**; highest sex ratio **Jaunpur**, not Deoria.

**UP LINK**

UP link: UP's density (829) is more than twice India's (382); literacy rose to **67.7%** (2011) but the male-female gap stayed about **20 points**; **Gautam Buddha Nagar** tops and **Shravasti** trails; the **ULLAS** scheme now targets adult literacy in UP.

**LAST-MINUTE 10**

1. Density India **382**; rises every census
2. **Bihar** densest; **Arunachal** sparsest
3. Delhi densest UT; **Andaman** sparsest UT
4. Literacy from **age 7**; 2011 = **74.04%**
5. Male 82.14, female 65.46; gap **16.68**
6. Kerala > **Mizoram** > Goa; Bihar lowest
7. Biggest rise 1991-2001; Bihar biggest rise 2001-11
8. Meghalaya = smallest gap; Rajasthan = lowest female literacy (2011)
9. Lakshadweep = top UT; Serchhip = top district; Bardhaman = first outside Kerala
10. UP: **GB Nagar** top, **Shravasti** bottom

# Chapter 24

# Sex Ratio, Social Groups and Population Dynamics

*Built from 86 UPPSC questions (1990–2023). Focus: sex ratio and child sex ratio by census and state, SC, ST and religion data, National Population Policy 2000, TFR, mortality and the demographic dividend.*

**ASKED MOST · REVISE FIRST**

- **Kerala** = highest sex ratio and females outnumber males; **Puducherry** among UTs 8× 1995, 2001, 2004, 2006, 2009, 2012, 2014, 2023
- **Lowest sex ratio**: **Haryana** (state), **Daman and Diu** (UT) 7× 2010, 2011, 2011, 2013, 2017, 2018, 2021
- Sex ratio by census: **1901 highest (972)**, 1951 = **946**, 1991 lowest (927), **2011 = 943** (provisional 940) 6× 2008, 2011, 2013, 2013, 2014, 2015
- **NPP 2000**: stable population goal moved from **2045 to 2070**; replacement **TFR 2.1** 6× 2001, 2010, 2014, 2017, 2020, 2023
- **SC**: largest number **UP**, highest share **Punjab**, none in **Nagaland**; **ST**: largest **MP and Chhattisgarh**, none in **Punjab** 11× 2002, 2003, 2006, 2007, 2008, 2008, 2010, 2010, 2014, 2016, 2016

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 24.1 Sex Ratio in India

- Highest sex ratio of any census: **1901** 1× 2008
- Wrong pair: **2011-925** 1× 2013
- Sex ratio **946**: **1951** 1× 2013
- Wrong pairs: **1991-938** (it was 927) and 2011-940 (final 943) 1× 2014
- Sex ratio 2011 (provisional): **1000 : 940** 2× 2011, 2015
- Order (provisional): **Kerala, Puducherry, Tamil Nadu, AP** 1× 2010
- Most females per 1,000 males: **Kerala** 5× 1995, 2001, 2012, 2014, 2023
- Females outnumber males (UT among options): **Puducherry** 3× 2004, 2006, 2009
- Highest among options: **Tamil Nadu** 1× 2014
- Above the national average among options: **Jharkhand** 2× 2013, 2014
- Males outnumber females (aged 7+): **Bihar, Maharashtra, UP, West Bengal** (all four) 1× 2010
- Lowest state: **Haryana**; rich but lowest sex ratio: **Haryana** 3× 2013, 2017, 2018
- Lowest among options (2001): **Gujarat** 1× 2009
- Lowest UT: **Daman and Diu** 4× 2010, 2011, 2011, 2021
- Biggest fall 1991-2001: **Daman and Diu**; biggest rise: **Arunachal** 2× 2005, 2005
- UP's improvement 2001-11: 10 (provisional) or 14 (final) (*) 1× 2013
- UP sex ratio 2011: **912** 1× 2017
- Highest district (provisional): **Mahe** (Puducherry) 1× 2010

| Census | Sex ratio |
|---|---|
| 1901 | 972 (highest) |
| 1951 | 946 |
| 1991 | 927 (lowest) |
| 2001 | 933 |
| 2011 | 943 (provisional 940) |
| NFHS-5 (2019-21) | 1,020 |

## 24.2 Child Sex Ratio

- Causes of low sex ratio: **maternal deaths, girl-child deaths, foeticide, more boys born** (all four) 1× 2005
- Child sex ratio since 1961: **continuously decreasing** 1× 2011
- Child sex ratio 2011 (provisional): **914** (final 918) 1× 2010
- Correct pair: **Madhya Pradesh-912** 1× 2010
- Most boys per 100 girls: **Haryana** 1× 2019
- Highest child sex ratio among options: **Chhattisgarh** 1× 2012
- Order: **Mizoram, Meghalaya, Punjab, Haryana** 1× 2011
- India's CSR fell, Haryana's rose, rural sex ratio above urban (i, ii, iii) 1× 2017

| Child sex ratio (0-6) | Figure |
|---|---|
| 1961 to 2011 | 976 to 918; falling every census |
| Highest (2011) | Mizoram, Meghalaya (970); Chhattisgarh (969) |
| Lowest (2011) | Haryana (834), Punjab (846) |

## 24.3 Scheduled Castes, Tribes and Religion

- Highest SC share: **Punjab** 3× 2002, 2003, 2006
- Largest SC number: **Uttar Pradesh** 3× 2008, 2010, 2014
- Zero SC population: **Nagaland** 1× 2016
- Few SCs in the North-East; low cultivated area does not explain it (A and R true, R does not explain A) 1× 2017
- ST share of India (2001): **8.20%** 1× 2006
- No scheduled tribes: **Punjab** 1× 2008
- ST population ascending: **Arunachal, Mizoram, Nagaland, Meghalaya** 1× 2021
- Largest tribal population: **MP and Chhattisgarh** 3× 2007, 2010, 2016
- ST share ascending: **Maharashtra, Rajasthan, MP, Meghalaya** 1× 2023
- Lowest ST share: **Uttar Pradesh** 1× 2017
- Religions by size (ascending): **Jain, Buddhist, Sikh, Christian** 1× 2010
- Largest Muslim population: **Uttar Pradesh** 1× 2007
- Highest Christian share (1991): **Nagaland** 1× 1998
- Kerala's top literacy is not due to Christians (A true, R false) 1× 1990

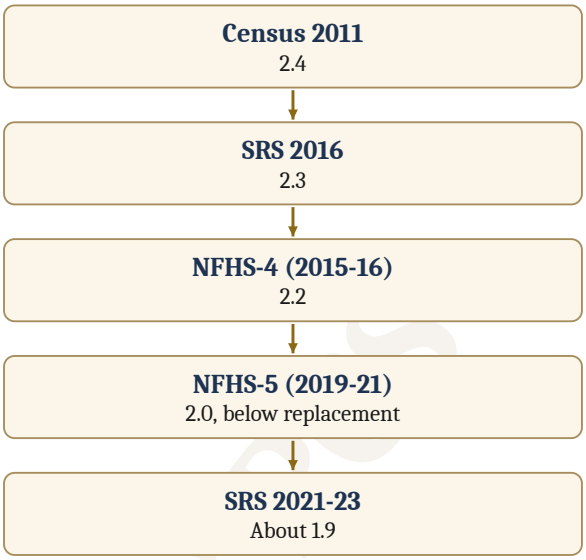

- Sex ratio by religion: **Christian, Buddhist, Jain, Muslim** 1× 2010
- Lowest sex ratio by religion: **Sikh** 1× 2016

| SC / ST (2011) | Fact |
|---|---|
| SC share of India | 16.6% |
| Largest SC number / share | Uttar Pradesh / Punjab (31.9%) |
| No SCs | Nagaland, Lakshadweep |
| ST share of India | 8.6% |
| Largest ST number | Madhya Pradesh |
| Highest ST share | Mizoram (94.4%) |
| No STs | Punjab, Haryana, Delhi, Chandigarh, Puducherry |
| Lowest ST share | Uttar Pradesh (0.6%) |

## 24.4 Population Policy and Fertility

- New National Population Policy: **2000** 1× 2017
- Not in the 10-year action plan: **special reward for men** taking terminal methods 1× 2009
- Population stabilisation goal: **2045 to 2070** 3× 2010, 2014, 2023
- Birth rate target by 2010: **21 per 1,000** 1× 2002
- Replacement TFR: **2.1** 2× 2001, 2020
- TFR (SRS 2016): **2.3** 1× 2017
- TFR (NFHS-4, 2015-16): **2.2** 1× 2018
- TFR (Census 2011): **2.4** 1× 2016
- Highest TFR: **Bihar** now (UP when asked) 1× 2001
- Population shapes social change; working wives have fewer children (A and R true, R explains A) 1× 2000
- Highest female life expectancy (2001-06) among options: **Punjab** 1× 2004
- Equal birth and death rates, no migration: **stability of population** 1× 2013

INDIA'S FERTILITY PATH (TFR)

## 24.5 Mortality

- Crude death rate: **below 9** per 1,000 1× 2007
- Death rate 2000: **9 per 1,000** 1× 2001
- Lowest death rate (2015) among options: **Maharashtra** 1× 2017
- Register births and deaths within **21 days** 1× 2019
- First death census: **Karnataka** 1× 2013
- IMR about 70 when asked (*); now **25** (SRS 2023) 1× 2000
- Lowest IMR: **Kerala**; lowest urban IMR: **Kerala** 3× 2005, 2014, 2015
- IMR below the national average (2011): **Tamil Nadu** 1× 2013
- Eleventh Plan IMR target: **28** 1× 2017
- Highest child mortality (UNICEF, then): **Odisha** 1× 2001

## 24.6 Age Structure and Demographic Dividend

- Average age of Indians in 2020: **29 years** 1× 2016
- Under 14 (2011): about **29%** 1× 2013
- Aged 20 and above: **59.29%** 1× 2016
- Below 35 years: about **65%** 1× 2012
- Old-age dependency ratio (2011): **14.2%** 1× 2016
- **Demographic dividend**: working population aged **15-59** 1× 2022
- "Demographic bonus": a **surge in productive-age population** 1× 2009

- Dependent group: **0-14 years** (and 60+) 1× 2013
- Dependency ratio falling: the **15-59** share is high 1× 2019
- Human resources and development: both effects (1 and 2) 1× 2023
- Not an adverse effect of population growth: **larger working population** 1× 2015
- Self-dependent disabled people: about **2%** (per key) 1× 2015
- National Literacy Mission 75% target year: **2007** 1× 2006
- Progressive population-resource areas: **Ganga-Yamuna Doab, Tamil Nadu** (1 and 4) 1× 2010

TRAP ALERT

- Highest census sex ratio = **1901**; lowest = **1991**; 1951 = **946**.
- Kerala and **Puducherry** are the only places with more females; Haryana and **Daman and Diu** lowest.
- **Punjab** = highest SC share and **no STs**; **Nagaland** = no SCs; UP = most SCs, fewest STs by share.
- NPP 2000 stabilisation year: **2070**, not 2045 (old) or 2050.

UP LINK

UP link: UP's sex ratio rose from **898 (2001)** to **912 (2011)**; UP has the **most SCs** (4.14 crore) and **most Muslims**, but the **lowest ST share** (0.6%); its TFR fell to about **2.4-2.6**, and **Jaunpur** has the state's highest sex ratio.

LAST-MINUTE 10

1. Sex ratio: 1901 **972**; 1951 **946**; 1991 **927**; 2011 **943**
2. Kerala **1,084**; Puducherry; Mahe top district
3. Haryana lowest state; **Daman and Diu** lowest UT
4. Child sex ratio falling since 1961: **918**
5. SC: UP most, **Punjab** highest share, **Nagaland** none
6. ST: **MP** most, **Mizoram** highest share, **Punjab** none, UP lowest share
7. Jain < Buddhist < Sikh < Christian; Sikh lowest sex ratio
8. NPP **2000**; stabilisation **2070**; TFR 2.1
9. Register births and deaths in **21 days**; Kerala lowest IMR
10. Demographic dividend = **15-59** age group

# Chapter 25

# Urbanisation I: Concepts and Levels

*Built from 61 UPPSC questions (1998–2023). Focus: what makes a town, phases of urban growth, the 2011 urban share, most and least urbanised states, and rural India.*

ASKED MOST · REVISE FIRST

- Urban share 2011: **31.16%** (about **37.7 crore**); 2001: **27.8%** 9× 2002, 2008, 2009, 2010, 2010, 2014, 2014, 2017, 2023
- **Census town**: **5,000+** people, **75%** male workers in non-farm work, **400+** per sq km; **3,894** census towns (2011) 3× 2008, 2009, 2010
- **Fastest urban growth**: **1971-81**; moderate phase **1931-61** 6× 2001, 2002, 2003, 2003, 2007, 2009
- **Most urbanised**: **Goa** (Tamil Nadu among big states); **least**: **Himachal Pradesh** 12× 1998, 2002, 2004, 2005, 2006, 2010, 2010, 2012, 2012, 2017, 2021, 2023
- **Largest urban population**: **Maharashtra**, then **UP** 4× 2004, 2006, 2008, 2010

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

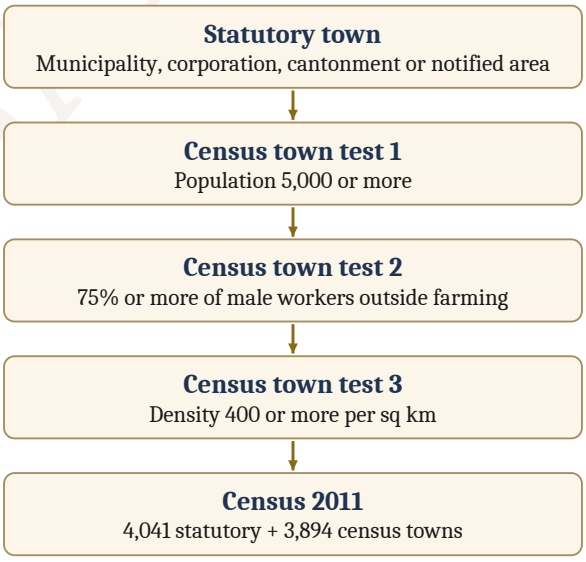

## 25.1 Village, Town and Urban Growth

- City differs from village in **values, household make-up, way of living, economic activity** (all) 1× 2004
- Urban growth shows **all of the above** (more urban people, more towns, more income) 1× 2004
- Not an element of a rural community: **cultural diversity** 1× 2021
- **T.K. Oommen** on urban families: **all of the above** 1× 2014
- Causes of urbanisation: **migration, educational institutions, industrialisation** (1, 2, 3) 1× 2015
- Not in inclusive development (per key): **semi-urban** people 1× 2016
- Urban population by 2030 (key): **575 million** 1× 2017
- India: a **moderately low** urbanised country 1× 1998
- India is **not** over-urbanised; cities do lack infrastructure (A false, R true) 1× 2017
- India less urbanised than China; poor planning is not the reason (A and R true, R does not explain A) 1× 2010
- 2001 statements: urban 285 million, 27.78%, more than USA's population, self-reliant (all) 2× 2002, 2003
- India's urban people outnumber the USA's; US urbanisation is higher (A and R true, R does not explain A) 1× 2000
- India's urban population exceeds the USA's total (A and R true, R explains A, per key) 1× 2002
- Urban India is a platform for **all of the above** 1× 2015
- Fast urbanisation after 2001 and mobile revolution are unrelated (A and R true, R does not explain A) 1× 2016
- Not true: urbanisation has been **uniform** across regions 1× 2002
- Urbanisation and literacy both cut the **birth rate** (both) 1× 2021
- Urbanisation **reduced both birth and death rates** 1× 2007

## 25.2 Phases and Definitions

- Moderate urbanisation phase: **1931-61** 1× 2003
- Largest decadal urban growth: **1971-81** 5× 2001, 2002, 2003, 2007, 2009
- Not a criterion for a town: **physical expansion** 1× 2008
- Census-town tests: **5,000 people, 75% male non-farm workers, 400 per sq km** (1, 2, 3); no area test 1× 2009
- Census towns (2011): **3,894** 1× 2010
- Urban share 2011: **31.16%**, not in the options (none of the above) 7× 2002, 2008, 2009, 2010, 2014, 2017, 2023
- Most urban religion: **Jains** 1× 2022
- Fastest urban growth 2001-11 among options: **Sikkim** 1× 2023
- City dwellers (2011): about **37 crore** 1× 2014

WHAT MAKES A TOWN (CENSUS)

| Year | Urban share |
|---|---|
| 1901 | 10.8% |
| 1951 | 17.3% |
| 2001 | 27.8% |
| 2011 | 31.16% (37.7 crore) |
| 2030 (projected) | About 40% |

## 25.3 Urbanisation by State

- Over a quarter of urban India: **Maharashtra and UP** 2× 2004, 2008
- Top three (2001): **Maharashtra, UP, Tamil Nadu** 1× 2006

QUANTUM IAS & PCS

- Urban population order: **Maharashtra, UP, Tamil Nadu, West Bengal** 1× 2010
- Ascending urban population: **Sikkim, Arunachal, Nagaland, Mizoram** 1× 2010
- Ascending (2001): **West Bengal, Tamil Nadu, UP, Maharashtra** 1× 2005
- Correct: **Himachal Pradesh** is the least urbanised 1× 2002
- **Most urbanised-Tamil Nadu, largest urban population-Maharashtra, densest-Delhi, least dense-Arunachal** (per key) 3× 2009, 2013, 2016
- Most urbanised (2011): **Goa** 2× 2010, 2023
- Most urbanised big state (key): **Tamil Nadu** 5× 1998, 2005, 2006, 2010, 2012
- Two most urbanised: **Goa and Mizoram** 1× 2008
- Then (key): **Maharashtra, Gujarat, Karnataka** 3× 2001, 2003, 2004
- Order: **Tamil Nadu, Maharashtra, Gujarat, West Bengal** 1× 2007
- Most urbanised landlocked state: **Punjab** 1× 2013
- Key order **Maharashtra, West Bengal, AP, Gujarat** fits urban **numbers**, not percentage (*) 1× 2017
- Least urbanised among options: **West Bengal** 1× 2016
- Order: **Tamil Nadu, Kerala, Maharashtra, Gujarat** 1× 2009
- Highest urban density among options: **West Bengal** 1× 2013
- Least urbanised among options: **Bihar** 1× 2017
- Least urbanised (2011): **Himachal Pradesh** 4× 2004, 2012, 2017, 2021
- Least urbanised UT: **Andaman and Nicobar** 1× 2017
- UT order: **Delhi, Chandigarh, Lakshadweep, Daman and Diu** 1× 2010

| Urbanisation (2011) | States / UTs |
|---|---|
| Most urbanised | Goa 62.2%, Mizoram 52.1%, Tamil Nadu 48.4% |
| Least urbanised | Himachal 10.0%, Bihar 11.3%, Assam 14.1% |
| Largest urban population | Maharashtra 5.08 crore, UP 4.45 crore |
| Most urbanised UT | Delhi 97.5%, Chandigarh 97.3% |
| Least urbanised UT | Andaman and Nicobar 37.7% |

## 25.4 Rural India

- Fewest villages (UT): **Daman and Diu** 1× 2014
- Correct: urban increase exceeded rural, and 2001 urbanisation **27.81%** (1 and 3); 2011 rural share is **68.84%** 1× 2010
- Rural share (2001): **72.2%** 1× 2008
- Highest rural share: **Himachal Pradesh** 1× 2015
- Largest rural population: **Uttar Pradesh** 1× 2018
- Lowest rural child share: **Kerala** 1× 2014
- Lowest child sex ratio in both rural and urban areas: **Haryana** 1× 2018
- Most rural pucca houses (2001): **Punjab** 1× 2008
- Traders and makers mark the village-town line; they do not wholly depend on villages (A true, R false) 1× 2009
- **Occupational structure**: distribution of workers among **occupations** 1× 2015

**TRAP ALERT**

- **Goa** = most urbanised state; **Tamil Nadu** = most urbanised **large** state; old keys often say Tamil Nadu.
- **Maharashtra** = most urban **people**; **Delhi** = most urbanised UT.
- Census town: no **area** test; 75% of **male** workers.
- 2001-11 = first decade when urban numbers grew more than rural.

**UP LINK**

UP link: UP had the **second-largest urban population** (4.45 crore, 2011) but only **22.3%** urbanisation; it has the **largest rural population** (15.5 crore); UP has **17 municipal corporations** and many census towns around Noida-Ghaziabad.

QUANTUM IAS & PCS

LAST-MINUTE 10

1. Urban **31.16%** (2011); 27.8% (2001); 37.7 crore
2. Census town: **5,000**, **75%** male non-farm, **400**/sq km
3. **3,894** census towns; moderate phase **1931-61**
4. Fastest urban growth **1971-81**
5. Jains most urban; India = moderately low, not over-urbanised
6. **Goa** most urbanised; **Himachal** least; Bihar next lowest
7. **Maharashtra** largest urban population, then UP
8. **Delhi** most urbanised UT; **Andaman** least
9. Rural share **68.84%**; UP largest rural population
10. Punjab = most urban among landlocked states

# Chapter 26

# Urbanisation II: Cities, Migration and Urban Missions

*Built from 53 UPPSC questions (1993–2021). Focus: town classes, million-plus cities and megacities, UP's million cities, migration terms, slums, JNNURM and the Smart Cities Mission.*

ASKED MOST · REVISE FIRST

- **Million-plus cities**: **35 (2001)**, **53 (2011)**; they hold **42.6%** of urban people **5×** 2006, 2013, 2017, 2017, 2019
- **UP million cities**: **6** (2001, most of any state), **7** (2011) **4×** 2004, 2005, 2005, 2015
- **Town classes**: **6** classes; small towns = **Class IV, V, VI**; Class I grows fastest and holds over 60% **5×** 2000, 2007, 2008, 2010, 2019
- **Largest cities**: **Greater Mumbai, Delhi, Kolkata**; first million city (1901) = **Kolkata** **4×** 1993, 2002, 2004, 2016
- **JNNURM** = named after **Nehru**; for **urban infrastructure**, not electrification; Smart Cities fund water and sewerage from **property tax** **5×** 2004, 2010, 2010, 2013, 2015

■ asked 3 or more times • asked once or twice **4×** times asked, followed by the exam years

## 26.1 Classes of Towns

- Classes of urban centres: **6** **1×** 2008
- Small towns: **Class IV, V and VI** **1×** 2007
- Fastest population growth: **Class I** towns **1×** 2000
- Class I share of urban population (2001): **62.32%** **1×** 2010
- Over 60% of urban people in Class I cities; **53** million-plus UAs in 2011 (both) **1×** 2019

| Town class | Population |
|---|---|
| Class I | 1,00,000 and above |
| Class II | 50,000-99,999 |
| Class III | 20,000-49,999 |
| Class IV | 10,000-19,999 |
| Class V | 5,000-9,999 |
| Class VI | Below 5,000 |

## 26.2 Million-Plus Cities and Megacities

- Million cities (2011): **53** **2×** 2013, 2017
- Million cities (2001): **35**, not in options (*) **1×** 2006
- Metropolitan share of urban people (2011): **42.61%** **1×** 2017
- Million cities' share (2001): about **38%** **1×** 2006
- Megacities grow at different rates; India had **six**, not four, in 2001 (A true, R false) **1×** 2010
- Not a megacity (2001): **Ahmedabad** **1×** 2005
- Order (2001): **Greater Mumbai, Delhi, Kolkata, Bengaluru** **1×** 2004
- Most populous pair (2011): **Greater Mumbai and Delhi** **1×** 2016
- Order (1991): **Bombay, Calcutta, Delhi, Madras** **1×** 1993
- Most million cities (2001): **Uttar Pradesh** **1×** 2005
- No million-plus UA (2011): **Odisha**; no million city: **Odisha and Assam** **2×** 2016, one-liner
- Not a million city in MP: **Gwalior** **1×** 2008
- UP's share of the 35 million cities (2001): **6** **1×** 2004
- UP's million cities (2011): **7** **1×** 2015
- Ascending: **Allahabad, Meerut, Agra, Lucknow** **1×** 2010

- Order: **Ghaziabad, Agra, Varanasi, Meerut** 1× 2015
- Last-ranked million city (2011): **Kota** 1× 2016
- Smallest million city (then): **Rajkot** 1× 2007
- State with a million city (2001): **Jharkhand** 1× 2006
- First million city (1901): **Kolkata** 1× 2002
- Metro with highest sex ratio: **Chennai** 2× 2002, 2003
- UP's fastest urban growth: **1971-81** 1× 2009
- Densest UP city (2011): **Ghaziabad** 1× 2012
- Not true: UP has **only 5** million cities 1× 2005

| UP million-plus cities (2011) | Note |
|---|---|
| Kanpur, Lucknow | About 2.9 million each |
| Ghaziabad | Densest UP city |
| Agra, Varanasi | - |
| Meerut, Prayagraj | Smallest of the seven |

## 26.3 Migration and Urban Society

- Correct: northern cities' skewed sex ratio, scattered eastern cities, fewer rural migrants in western cities (1, 2, 4) 1× 2010
- Correct: 1, 2 and 3; urbanisation = rural-to-urban migration; the **Indus Project** was India-**USA**, not Canada 1× 2013
- Rural-to-urban migration: **population implosion** (Philip M. Hauser) 1× 2003
- Migration theory: **Lee** (Everett Lee, push-pull) 1× 2017
- Cities expand as village-city flow rises (A and R true, R explains A) 1× 1998
- Largest stream is **rural to rural**, not rural to urban; it is mostly women (A false, R true) 1× 2017
- **Urban corridors**: **expanding urban functions** 1× 2009

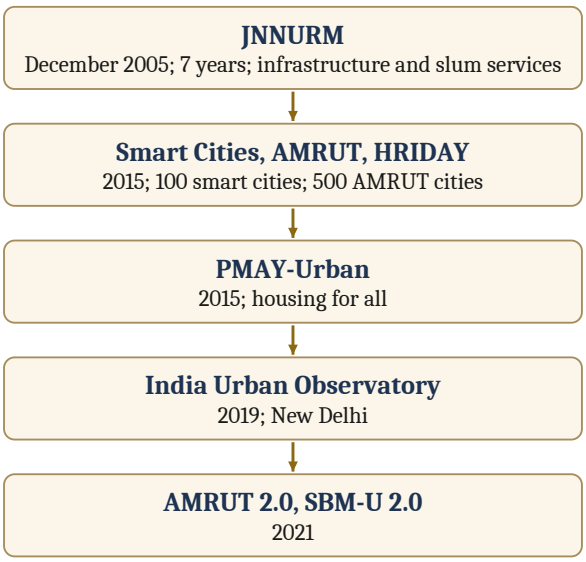

## 26.4 Urban Problems

- Crime rose with urbanisation and industry; family breakdown explains it (A and R true, R explains A) 1× 2002
- Rapid urbanisation brings **slums, crowding, falling services** (1, 2, 3); not fast infrastructure 1× 2001
- Correct: concrete coasts, a big city between Mumbai and Ahmedabad, slums and pollution (2, 3, 4); Maharashtra is not the most urbanised 1× 2008
- Urban poverty is rooted in rural areas with low literacy (A and R true, R explains A) 1× 2010
- Largest slum population among options: **Delhi** 1× 2011
- Slum population order: **Maharashtra, AP, West Bengal, UP** 1× 2009
- Most slum-reporting cities: **Tamil Nadu** 1× 2007

## 26.5 Urban Missions

- **India Urban Observatory**: **New Delhi** 1× 2021
- Not urban infrastructure: **housing** 1× 2004
- Not an urban infrastructure scheme: **Digital India** 1× 2016
- National Urban Renewal Mission named after **Jawaharlal Nehru** 1× 2004
- Not a JNNURM aim: **urban electrification** 1× 2010
- Not true of JNNURM: a **10-year** programme (it was 7 years) 1× 2013
- JNNURM improves **urban infrastructure** 1× 2010
- Smart Cities: water and sewerage funded by **property tax** 1× 2015
- Not a smart-city aim: **stabilising** quality of life (it aims to improve it) 1× 2017

URBAN MISSIONS IN ORDER

QUANTUM IAS & PCS

TRAP ALERT

- Small towns = **Class IV-VI**; Class I = 1 lakh+.
- Megacities 2001 = **6** (no Ahmedabad); million cities 35 (2001), **53** (2011).
- Largest migration stream = **rural to rural** (women, marriage).
- JNNURM = **7** years, not 10; no electrification.

UP LINK

UP link: UP had **7 million-plus cities** in 2011 (Kanpur, Lucknow, Ghaziabad, Agra, Varanasi, Meerut, Prayagraj); **10 UP cities** were picked for the Smart Cities Mission (Lucknow, Kanpur, Agra, Varanasi, Prayagraj, Aligarh, Bareilly, Moradabad, Saharanpur, Jhansi), and **Ghaziabad** is the densest UP city.

LAST-MINUTE 10

1. **6** town classes; small = Class IV-VI
2. Class I = **62.3%** of urban people (2001), fastest growing
3. Million cities **35 (2001), 53 (2011)**; 42.6% of urban people
4. 6 megacities in 2001; **Ahmedabad** not one
5. Mumbai > Delhi > Kolkata; Kolkata first million city
6. UP: **6** (2001), **7** (2011) million cities; Ghaziabad densest
7. Kota last (2011); Rajkot smallest (2001); Odisha none
8. **Hauser** = population implosion; **Lee** = migration
9. Most slums: Maharashtra; most slum towns: Tamil Nadu
10. JNNURM = Nehru, 7 years; Smart Cities = property tax

# Chapter 27

# World Population and Urbanisation

*Built from 66 UPPSC questions (1998–2023). Focus: population milestones, India's share, density and sex ratio across countries, world urbanisation, migration, fertility and mortality.*

ASKED MOST · REVISE FIRST

- **World Population Day**: **11 July 1987**, when the world hit **5 billion** 3× 2010, 2012, 2015
- **India's share** of world population: about **17.5%** (2011) 3× 2010, 2012, 2016
- **Densest in SAARC**: **Maldives**; **lowest density**: **Mongolia** (Canada among options) 6× 2002, 2003, 2008, 2009, 2013, 2017
- **World urbanisation**: about **55%** (2018); **70%** by **2050**; most urbanised continent **Australia** 5× 2002, 2008, 2010, 2017, 2018
- **Population growth**: lowest in **Europe**, highest in **Africa** (1990-2000) 4× 2002, 2003, 2008, 2014

■ asked 3 or more times • asked once or twice 4× times asked, followed by the exam years

## 27.1 Urban Sociology

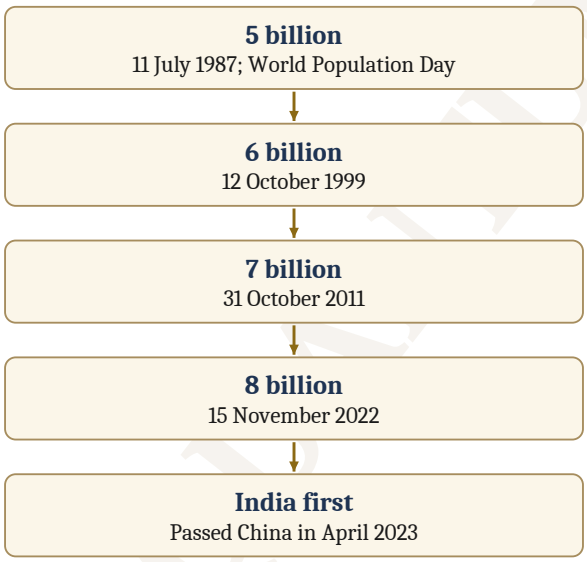

- **Folk-urban continuum**: studies in **Mexico** (Robert Redfield) 1× 2013
- Primary urbanisation (Redfield and Singer): a **great tradition** 1× 2013
- **Megalopolis**: **Jean Gottmann** 1× 2023

## 27.2 World Population

- World Population Report 2021: **UNFPA** 1× 2021
- Seven-billionth baby (31 October 2011): the UN named no single child (*); UP's **Nargis** was one symbolic baby 1× 2009
- World Population Day marks **5 billion**: **11 July 1987** 3× 2010, 2012, 2015
- Theme 2017: **"Family Planning: Empowering People, Developing Nations"** 1× 2017
- About half of humanity lives between **20 N and 40 N** 1× 1998

- India's share (2011 estimate): **17.5%** 2× 2010, 2012
- India's share (Census 2011): **17.31%** 1× 2016
- World population in 2050 (key): **10 billion** (UN projection now about 9.7 billion) 1× 2010
- Asia's share (2008): about **61%** 1× 2008
- Largest population among options: **Indonesia** 1× 2010
- Order Brazil, Indonesia, Nigeria, Pakistan: changed since (*) 1× 2008
- Asian countries in the top ten (key): **5** (six when asked) 1× 2008
- Only correct: **Brazil** is the most populous Southern Hemisphere country (only I) 1× 2023
- Africa's most populous: **Nigeria** 1× 2011
- Largest population among options (UN 2012): **Dominica** 1× 2015
- Slowest growth 1990-2000: **Europe** 3× 2002, 2003, 2014
- Fastest growth: **Africa** 1× 2008
- Highest growth among options: **Philippines** 1× 1999

WORLD POPULATION MILESTONES

## 27.3 Density, Sex Ratio and Religion

- Low-density areas are **not** usually over-populated; their carrying capacity is low (A false, R true) 1× 2010
- Lowest density among options: **Canada** 1× 2013
- Lowest density: **Mongolia** 1× 2017
- Densest SAARC country: **Maldives** 4× 2002, 2003, 2008, 2009
- Densest South Asian country among options: **India** 1× 2007
- Densest in East Asia: **South Korea** 1× 2014
- Densest in South America: **Ecuador** 1× 2010
- Most favourable sex ratio: **Finland** 1× 2011
- Sex ratio order (2011): **Bangladesh, Pakistan, India, China** 1× 2011
- Fear of falling sex ratio: **sex-determination tests** 1× 2004
- Religions by size: **Christians, Muslims, Hindus, Buddhists** 1× 2004

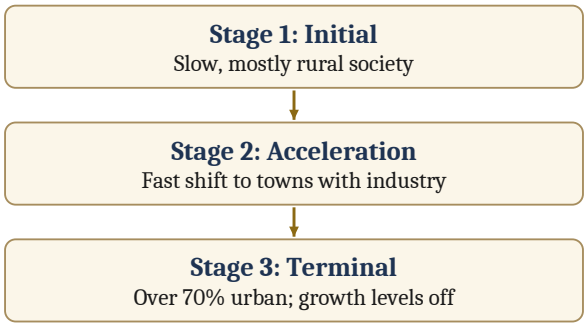

| Density fact | Country |
|---|---|
| Lowest density | Mongolia (Canada among big countries) |
| Densest in SAARC | Maldives |
| Densest in East Asia | South Korea |
| Densest in South America | Ecuador |

## 27.4 World Urbanisation

- Urban share (UN-DESA 2018): **55%** 1× 2018
- Urban share (2016): **54.5%** 1× 2017
- Acceleration stage: **second** stage of the urbanisation curve 1× 2021
- 70% urban by **2050** 1× 2008
- Not a city-prosperity test (UN-Habitat): **optimum population** 1× 2013
- World turned half urban in **2008**, not in options (*) 1× 2009
- Largest urban population: **China** 1× 2008
- Most urbanised continent: **Australia** 2× 2002, 2010
- Most urbanised region among options: **Europe** 1× 2003
- Country bigger than India's urban population: USA then; none now (*) 1× 2002
- Most urbanised country: **Singapore** 2× 2002, 2005
- Most urbanised in South America: **Uruguay** 1× 2008
- South Asia order: **Pakistan, India, Bangladesh, Sri Lanka** 2× 2010, 2014

- Most urbanised in South Asia: **Bhutan** now (Pakistan when asked) 2× 2008, 2014
- Most urbanised in West Asia: **Kuwait** 1× 2011
- Largest urban agglomeration: **Tokyo-Yokohama** 1× 2003
- Urbanisation follows industry; in developing nations it is a movement in itself (A and R true, R does not explain A) 2× 2002, 2016
- Asian cities over-urbanised as growth outpaced the economy (A and R true, R explains A) 1× 2010
- Western cities have more females (A and R true, R explains A, per key) 1× 2016

URBANISATION CURVE

## 27.5 Migration

- Not 2% of people living abroad; **Oceania** has the highest migrant share (A false, R true) 1× 1999
- Highest migrant share: **UAE** now (Australia when asked) 1× 1999
- Largest migrant population: **Europe** 1× 1999

## 27.6 Fertility, Mortality and Welfare

- China's growth slowed due to the **one-child policy** (A and R true, R explains A) 2× 1999, 2001
- Lowest fertility (UN, then): **Italy** 1× 1998
- Lowest fertility now (key): **China** (Italy when asked) 1× 2000
- Highest birth rate: **Afghanistan** 1× 2007
- Highest life expectancy: **Japan** 1× 2006
- More deaths than births in Asia: **Japan** 1× 2008
- Highest maternal mortality in Asia (then): **Nepal** 1× 2001
- Largest aged share in South Asia: **Sri Lanka** 1× 2013
- About 80% of people lack **social security** 1× 2010
- Poorest in South Asia (WDR 2006): **Bangladesh** 1× 2005
- First official family planning programme: **India (1952)** 2× 2011, 2012

TRAP ALERT

- World Population Day = **5 billion** (1987), not 6 or 7 billion.
- **Maldives** is the densest SAARC country, not Bangladesh.
- Most urbanised continent = **Australia/Oceania**; most urbanised region among options = **Europe**.
- **India** was the first country with official family planning (**1952**).

UP LINK

UP link: on 31 October 2011, baby **Nargis**, born in **Mal (Lucknow district)**, was symbolically named the world's seven-billionth baby by Plan India; UP alone (about 24 crore now) would be the world's 5th or 6th most populous country.

LAST-MINUTE 10

1. Folk-urban continuum = **Redfield, Mexico**; megalopolis = **Gottmann**
2. World Population Day: **11 July 1987** (5 billion)
3. 8 billion: 15 November 2022; UNFPA = population report
4. Half of humanity: **20-40 N**; Asia about **60%**
5. India = 17.5% of world; **Nigeria** = Africa's most populous
6. **Maldives** densest SAARC; **Mongolia** least dense
7. Urban: **55%** (2018); **70% by 2050**; China largest urban population
8. **Australia** most urbanised continent; **Singapore** country; **Uruguay** S. America
9. **Tokyo** = largest agglomeration; Japan = longest life, more deaths than births
10. India: first family planning programme, **1952**
